

I&C Deptt hosts interaction of Jammu industrialists with Northern Railways Business Dev Unit

■ STATE TIMES NEWS

JAMMU: Directorate Industries & Commerce Jammu on Tuesday organised an interactive session between the Business Development Unit (Firozpur Division) of Northern Railways and leading industrialists of Jammu Division. The session was held on the directions of Principal Secretary to Government, Industries and Commerce Department, J&K Government, Ranjan Thakur, and under the guidance of Director Industries & Commerce Jammu, Anoo Malhotra. Senior Divisional Operations Manager, Northern Railways (Ferozpur Division) Naveen Kumar Jha, gave an overview of Indian Railways and made aware the attendees that Indian Railways is the backbone of the country's logistics sector which carries more than 1.2 Billion tonnes of freight traffic every year over a network of 68000 KMs. With their network touching almost every nook and corner of the country, railways play a crucial role in facilitating a balanced and inclusive socio economic development of the country, he said. Divisional Railway Manager, Firozpur Division, Seema Sharma said "Trains are not just the safest way to transport freight - they are also green and amongst the most energy efficient modes of transportation." She informed that

transporting goods by train also provides benefits to the environment beyond fuel efficiency and sustainability. It reduces supply chain costs, allowing Indian businesses to be more competitive in the global market. Recently, Railways have come up with so many innovations in the logistics sector - Railways have altered the freight scenario of the country but this is yet to reach J&K. She requested the Industrial Associations/ Federations/Trade Bodies and the individual Unit holders to take benefits of these innovations. Industrialists present in the meeting highlighted the challenges being faced by industry in the region in terms of logistical movement of raw materials and finished goods. They also requested that the

quality of services be upgraded and transit time be reduced by Railways. They also requested that a modernised tracking system be integrated into railway logistics so that industries are kept apprised of real time tracking of the consignments while in transit. Further, they also requested the Business Development Unit to consider allowing part load and Roll on - Roll Off services for Industrial units. Additional Divisional Railway Manager, Northern Railways, Baldev Raj ; Senior Divisional Commercial Manager (Freight) Northern Railways (Ferozpur) Vimal Kalra; General Manager, DIC Samba, Surinder Sharma; Functional Manager, D'te of I&C Jammu, Pankaj Sassan were present in the meeting.
