## NATIONAL CYBER SECURITY AWARENESS MONTH (NCSAM)

Shri Manoj Sinha

Hon'ble Lieutenant Governor, J&K UT

"Cyber Security is a shared responsibility. We must ensure safety of cyber space and effective technological response to cyber crime."

Dr. Arun Kumar Mehta

Chief Secretary, Govt. of J&K

"Cyber Crime is the biggest challenge these days with the development and access to technology across the globe. With the shift to electronic solutions in the governance such as e-Office, the need for proper cyber hygiene cannot be over emphasised."

Shri Amit Sharma

Administrative Secretary ITD / CEO JaKeGA

"One single vulnerability is all an attacker needs. There is no silver bullet solution with cyber security, a layered defence is the only viable solution. As the world is increasingly getting inter-connected, everyone shares the responsibility of securing cyberspace. True, Cyber Security is preparing for What's Next, Not What was Last."
