DCC President Manohar Lal Sharma handing-over memorandum to an officer.

70-90 percent of paddy crop is destroyed whereas already sowed mustard crop, different vegetables and other seasonal crops are also totally damaged due heavy rain and hail-storm. Continuous rainfall and hailstorm has caused huge loss to the standing crops which was to be harvest-

ed soon. While speaking Subash Gupta (EX MLC) said most of these farmers are on loans from banks & unorganized sectors, as farmers are already facing financial crises due to change in weather every year, and concern departments never put their

concern to help the agriculture industry which is at its lowest ebb from last few years.

Davinder Singh Bindu while speaking requested administration of Jammu and Kashmir must ascertain the loss due to rain & hail storm and compensate to the farmers adequately on fast track basis and help them survive the losses.

DCC Kathua put forward demands for early redressal which include government must gear the concerned departments to reach the farmers in Jammu and Kashmir and access the losses on the ground; minimum 8000 Rs per Kanal compensation be paid to farmers against the damages; KCC

loan installments to be held for next 6 month and also interest against the loans to be waived off. Government should pass an order to the Banks and Financial institutions not to put pressure on the farmers to pay back their loans until they get the compensation from government and free fertilizers and seed for sowing of next Crops to be provided to farmers.
