**■ STATE TIMES NEWS**

The award is bestowed to recognize outstanding ideas that redefine the interior design of a house through the implementation of novel technologies, materials, programs, aesthetics and spatial organizations.

"Design, where history meets modern luxury was our concept, drawing inspiration from both existing Islamic architectural style on site and Moroccan landscapes. When it came to design, we envisioned a space which would be a juxtaposition of various elements inspired from these styles to create luxurious spaces with a unique character", they stated.

All the space designed speaks a similar language but have a very distinctive personality. Nida Architects is the only architectural practice from J&K, which has succeeded in getting this award. They also have branch offices in Delhi NCR and Kolkata. They are presently working on multiple projects in pan India and overseas countries like Nepal, Slovenia UK etc.
