Bunty-Bubli Case...

commit fraud, the site for the proposed construction was reflected Plot No.84/110-A Block (Pvt) Gandhi Nagar Jammu instead of Plot No 44/DC Gandhi Nagar.

As expected, Jammu Municipal Corporation rejected the application of Anita Sharma, seeking building permission, on February 20, 2020. However, the construction on Plot No 44 D/C went on unabated, by befooling the JMC staff by saying that she has already applied to the Corporation for approval. There was no permission for construction at all came to light when the matter came to the notice of the JMC, which intimated in a reply to R.T.I, that no Building n Permission had been granted for construction of a building on Plot No 44 D/C Gandhi Nagar.

Meanwhile, Anita Sharma raised a huge building on Plot No. 44 D/C in violation of all the norms including of 'setbacks'.

Intriguingly, when the scandal was exposed, Jt. Commissioner, Jammu Municipal Corporation issued a notice to Anita Sharma, wife of Shiv Kumar Sharma, 23 B/C for carrying out minor violations, notwithstanding the fact that a huge two storey building was constructed illegally with violation of Set- Backs too.

It has been reliably learnt that Crime Branch has shortlisted few points for investigation like (i) Why application for Building Permission was given by Anita Sharma for house no. 80/110 A on 22-8-2019 while she had already sold that house is 2016 and 2018 (ii) Why no Municipal authority objected to the illegal construction at 44 D/C during this period as there was no approval as confirmed by JMC in writing (iii) That if there was no approved building permission, how JMC issued notice of minor violation which was stayed by the court, no permission means 100 per cent violation ?. (iv) If at all the Special Tribunal stayed the demolition of minor violation, as wrongly pointed out by JMC(hiding the facts) what was the reason that Anita Sharma approached the court of Principal District Jammu for stay on the same case hiding the facts ?. (v) To investigate few more cases of Anita Sharma and her husband pending in High Court and sub-ordinate courts about office complex at 313 Apsara Road (though permission applied was for construction of residential structure). A case pending in the High Court since 2018 in which lower court not only confirmed major violation but maximum encroachment and no set back of the building. (vi) A case for Shop no: 1, Trikuta Nagar Jammu illegally allotted to Anita Sharma (but later allotment was cancelled) which is also sub-judice in the court.

It seems the Crime Branch is now serious to bring the culprits to book in this fraud case.

Husband gets life...

on 18.07.2016. The Ld. Magistrate took cognizance of the offence and committed the charge sheet to this Court for its disposal under law.

After hearing Public Prosecutor Koshal Kotwal for State and counsel for the accused ,Principal Sessions Judge Udhampur Y. P Bourney observed, that , it is no doubt true that convict had committed the murder of his wife, but after taking into consideration aggravating and mitigating circumstances, I am of the opinion that this case does not fall in the category of 'rarest of the rare'. In view of the discussion made above and on the facts and circumstances of the case, convict is sentenced to undergo rigorous imprisonment for life and a fine of Rs. 1,00,000 under Section 302 RPC. The fine amount shall be recovered from the assets of the convict and in this behalf a separate warrant be issued in terms of Section 387-A Cr.P.C.

The Judgment said that It is pertinent to mention that infant son of the victim on account of murder of deceased has been deprived of the parental care for all times to come as his mother has been murdered and father would be undergoing sentence for the offence for rest of his life. Therefore it would be imperative for this court to provide some monetary amount to the child who would be suffering in every respect and that too for all times to come. Keeping in view the peculiar circumstances of the case, I think the State is duty bound to provide some solace in the form of monetary assistance to the innocent victim out of its own funds, because it is the protector of life and property of its citizens being their custodian. Therefore, in my view, a compensation of Rupees Two Lakh will be just and reasonable amount for providing financial assistance to the victim which shall be kept in fix deposit till he attains majority but the guardian shall be at liberty to draw the interest part and use the same for the welfare of the child. The amount so determined shall be paid within one month by the Member Secretary, Jammu & Kashmir State Legal Services Authority.
