

Dr Jitendra addresses India-Sweden Innovation Day, supports joint StartUps

Union Minister Dr Jitendra Singh addressing India-Sweden Innovation Day on Thursday.

STATE TIMES NEWS
NEW DELHI: Union Minister for Science & Technology, Dr Jitendra Singh said, Indo-Swedish companies must support start-ups from both sides, and undertake collaborative research and human resource exchange.

Addressing the India-Sweden Innovation Day through virtual mode, Dr Jitendra said, collaborative research and joint StartUps ecosystem will help build a shared future by harnessing the power of science, technology and innovation for social good. Referring to the joint projects having significant potential to improve public health, nursing or care in India and Sweden, Dr Jitendra Singh informed that in 2020, the Department of Biotechnology (DBT), Government of India, and Vinnova, Government of Sweden announced grant funding to implement projects aimed at producing new solutions which, aided by artificial intelligence (AI), have significant potential to improve public health.

Dr Jitendra recalled that in April 2019, India and Sweden announced the India-Sweden Collaborative Industrial

Research & Development Programme. The Joint programme co-funded by the Indian Department of Science & Technology (DST) and Sweden's Innovation Agency - Vinnova brings together the world class excellence of Sweden and India to address challenges in the area of Smart Cities and Clean Technologies and Digitalization / Internet of Things (IoT).

The Minister was also happy to note that Swedish Energy Agency earmarked an additional 25 million over 4 years for research and innovation collaboration with India.

Dr Jitendra Singh fondly remembered that in April 2018, during Prime Minister Narendra Modi's visit to Sweden, India agreed to deepen the collaboration through the Joint Declaration on Innovation Partnership for a Sustainable Future. He said, the partnership aims to increase the impact of bilateral cooperation in innovation, science and technology and it sets the framework for future cooperation to jointly tackle societal challenges including innovation-driven challenges on cross-sectoral issues with multi-stakeholder/agency participation from both countries.

Dr Jitendra Singh underlined that the partnership covers several areas, including smart cities, transportation and eMobility, energy, clean

technologies, new materials, space, circular and bio-based economy, and health and life sciences. The India-Sweden Innovation Partnership bridges institutions, R&D intensive industries and creative entrepreneurs to address global challenges in line with the UN Sustainable Development Goals.

Dr Jitendra Singh shared his thoughts with the distinguished delegates and said, India has been progressing well in recent years in terms of its overall performance and outcome in science and technology and it has attained the 3rd position globally in terms of the number of publications. India's growth rate of publications in SCI journals is nearly 14% against the global average of 4% and India has attained the 10th spot in the number of patents filed, the Minister added.

In conclusion, Dr Jitendra Singh said, the bilateral diplomatic relations have flourished on the back of our like-mindedness and commitment to fair trade and globalization and added that Innovation cooperation is the fastest growing element in the bilateral relationship between India and

Sweden.

Dr Jitendra Singh thanked Ms Ebba Busch, Swedish Deputy Prime Minister of Sweden and Minister for Business and Energy for her participation and also extended his sincere thanks to Indian Embassy in Sweden, the Swedish Government Agency for Innovation Systems (Vinnova), the Swedish Foundation for International Cooperation in Research and Higher Education, guest speakers, industry partners and participants to make this even successful.

Dr Fredrik Hörstedt, Head of Division for International Collaboration, Vinnova, Mr. Ulf Borbos, International Project Manager, SISP Swedish Incubators and Science Parks, Dr. Andreas Göthenberg, Executive Director of STINT, Dr. Jyoti Sharma, Scientist F, International Cooperation Division, Department of Science and Technology, Government of India, and Dr. Sapna Poti, Director, Strategic Alliances Division, Office of the Principal Scientific Adviser to the Government of India participated in the India-Sweden Innovation Day event.

Nehru's mistakes responsible for creation of PoJK, Kashmir imbroglio: Kavinder

Senior BJP leader Kavinder Gupta along with his wife paying obeisance at Mahant Ram Sunder Dass Ji at Dhyani Dham, Punjab.

STATE TIMES NEWS
JAMMU: Hitting out hard against the Congress Party, Kavinder Gupta, senior BJP leader and former Deputy Chief Minister on Thursday said that the mistakes made by Pt Jawaharlal Nehru were responsible for the creation of Pakistan occupied Jammu and Kashmir (PoJK), and the mayhem in Kashmir.

In a statement issued to media persons, the BJP stalwart said that if the first Home Minister of the country Sardar Vallabhbhai Patel had handled the Kashmir at that time things would have been different today because by declaring untimely ceasefire then, Nehru had committed a big blunder giving parts of undivided J&K to the rogue country Pakistan.

"This gaffe by the first Prime Minister of the country is unpardonable because the entire nation is feeling the heat of this mistake committed out of false ego and boorish attitude", Kavinder said, adding that BJP Government led by Prime Minister Narendra Modi is undoing the mistakes of Congress party and very soon the blunders done by the Nehru and his coterie would be rectified and the things which had been gone haywire will be set right as already much has been achieved and J&K is now moving towards development, peace and

progress. The former Deputy Chief Minister made an appeal to the electorate of J&K to continue to support BJP for restoring lasting peace and prosperity because it is the only political outfit which has a vision and mission to bail out Kashmir from the turmoil as all other parties have been tested by the people and were proved to be failure as their leadership is dynastic and never cared for the welfare of common man.

Meanwhile, Kavinder Gupta along with his wife visited Bawa Lalji Temple, Dhianpuri in district Gurdaspur, Punjab on the occasion of Bhai Dooj festival. They performed Pooja of Baba Lalji and prayed for peace and prosperity of J&K Union Territory.

Kavinder said that it is due to the blessing of saints that our earth is surviving despite having reached near a never to return sit-

uation a number of times.

Highlighting the role of saints during times immemorial, he said that the saints have played a significant role in preserving the rich cultural heritage of India through their significant teachings and actions (Karma).

"Our saints and seers are very noble and have always been compassionate towards society and the poor. Even today we find living legend saints who continue contributing in campaigns to build toilets, provide electricity in remote areas where the standard of living of the people is abysmal," he said.

The former Dy Chief Minister appealed to the people of Jammu and Kashmir to maintain communal harmony and brotherhood at all costs. Be vigilant against anti social elements who are trying to create wedge between various communities in the society, he cautioned them.

Minorities' welfare focus of Modi Govt: Gulam Ali

Sikh community members felicitating Er Gulam Ali Khatana, MP Rajya Sabha.

STATE TIMES NEWS
JAMMU: Er Gulam Ali Khatana, MP Rajya Sabha on Thursday said that Prime Minister Narendra Modi led BJP govt. is making special focus for the socio-politico and economic development and many major initiatives have been launched keeping this in mind.

Addressing a well attended felicitation function by Sikh community here, Er Gulam Ali Khatana said that during past eight years of Narendra Modi led government at the centre, minorities have never felt so safe and there are no riots across the country. The peaceful atmosphere had led to economic growth and despite Covid 19 pandemic, India has performed well.

He said that Sikhs are a proud community and have contributed immensely for

the betterment of the country and made thousands of sacrifices for upholding its integrity. He said that despite grave provocations from across the borders, Sikhs have stood by their Hindu and Muslim brothers and defeated the nefarious designs of the enemies of the Nation.

Earlier, Bhupinder Singh Pola, organizer, Gurdev Singh, Refugee leader and Nirmal Singh listed the demands of Sikh commu-

nity in J&K viz inclusion of Punjabi language in JKUT official Language Bill 2020, inclusion of Sikh youth of Kashmir in PM's Special employment package under non-migrant category by amending SRO-425, inclusion of Sikh member in the JK PSC drafting of rules and implementation of Anand Marriage Act 2012.

Er Gulam Ali Khatana assured to raise the issues at appropriate forum and seek their redressal.

DGPC condemns unconstitutional restrictions imposed on Sikh aspirants, seeks action against erring officials

Balvinder Singh, Vice President DGPC talking to media persons.

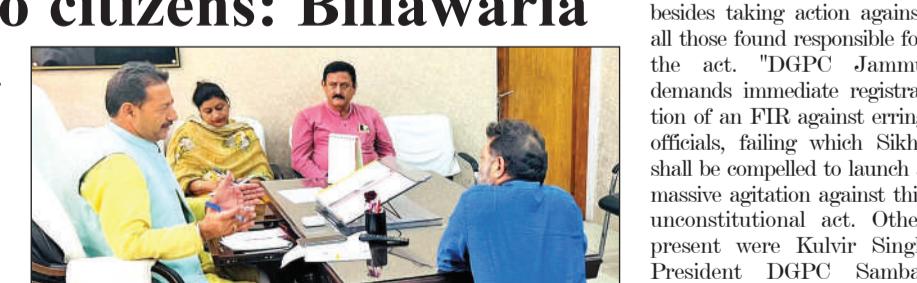

said it is apparent that it is pre-planned attack on religious freedom of Sikh aspirants were asked to remove their articles of faith before entering examination centre.

Referring to Delhi High Court case of DSGMC and Ors vs Union of India, Balvinder said, "There is no

law which bans entry of Kakars or Kirpans or such objects or articles of faith. Every practising Sikh is enjoyed to wear the Kara and carry the Kirpan". The Sikh leaders demanded a through probe in the matter besides taking action against all those found responsible for the act.

"DGPC Jammu demands immediate registration of an FIR against erring officials, failing which Sikhs shall be compelled to launch a massive agitation against this unconstitutional act. Other present were Kulvir Singh President DGPC Samba, Deedar Singh President Reasi, Surjit Singh Secretary Jammu, Gurmail Singh Vice President Samba, Jagpal Singh Cashier Jammu, Ranvir Singh Joint Secretary and Gurmeet Singh Incharge Dharan Parchar Committee Jammu.

JMC committed to provide best sanitation services to citizens: Billawaria

Deputy Mayor Baldev Singh Billawaria chairing a meeting.

Department is working dedicatedly to deal with dengue. Appreciating contributions of health wing in making Jammu city clean, Billawaria said that JMC is constantly making efforts to eradicate dengue, he asked people of Jammu city to keep their surroundings clean and submit user charges in time.

Tributes paid to PoK martyrs of 1947

STATE TIMES NEWS
JAMMU: A meeting of prominent persons was held today in the premises of Gurdwara Kaligidhar Rehari under the supervision of DGPC member from Jammu West, Karan Singh Bali and President of Gurdwara Kaligidhar Rehari Committee Dr. Surjeet Singh in which rich tributes were paid to the PoK martyrs of 1947 from Muzaffarabad and other places.

They said that the Kavalis were with the assistance of Pakistan Army attacked the area and brutally killed thousands of unaware, unarmed and innocent Sikhs and other Non-Muslims on 22/23 October 1947. The innocent people left their homes empty handed, perhaps thinking that they will be back as soon as the situation becomes normal but it never happened.

Karan Singh Bali said that the administration gave an assurance to the refugees that they will be compensated for everything which they left in PoK but till 2014 nothing was done.

Later a decision was taken by the present Government for one time settlement in which each family will be given Rs 30 lakh as compensation adding that an installment of Rs 5.50 lakh was given to the refugees.

He said that there is no further information as to the rest of the compensation amount.

STATE TIMES NEWS
JAMMU: Amidst rising dengue cases, Malaria Wing of Health Department in collaboration with Jammu Municipal Corporation (JMC) is carrying out spray and fogging through 40 dedicated teams in Jammu. JMC is also trying to provide addresses of dengue patients to Health Department so that steps can be taken for its prevention in concerned area without any delay. It was stated by newly elected Deputy Mayor Baldev Singh Billawaria while addressing media at Town Hall.

Earlier, Billawaria held a meeting with Health and Sanitation Committee Chairman, Raj Kumar Trakhan besides Health Officer and other officials of Health Wing to take stock of cleanliness system in the city. The Deputy Mayor said that JMC is committed to provide best sanitation services to residents of Jammu city. Expressing concern over increasing dengue cases in the city, he inquired from the officials about ongoing preventive measures in this regard. The JMC official stated him that the malaria wing of the health
