"Stop spreading lies"

Agniveer Laxman will be remembered for his sacrifice, continue to inspire others: Raman

■ STATE TIMES NEWS

JAMMU: Saluting, what he termed as "the supreme sacrifice" of the Agniveer (Operator) Gawate Akshay Laxman in the line of duty while serving in the highest battlefield in the world-Siachen, Bharatiya Janata Party (BJP) J&K Executive Member Raman Suri said that Agniveer Laxman will be remembered for ages, the Indian Army will also surely release the emoluments as laid down in the relevant terms and conditions of service of the soldier which are good enough to let the family sustain independently without depending upon anyone else. He disclosed that as per the terms of engagement of Agniveers, emoluments authorised to a deceased Battle Casualty will comprise Rs 48 lakhs as Non-Contributory Insurance sum, Seva Nidhi contributed by the Agniveer (30%) with equal matching contribution by the Government and interest thereon besides ex-gratia of Rs 44 lakhs. The next of kin of the Agniveer will also be given the pay of balance tenure from date of death till completion of four years (more than Rs 13 Lakh in this case) and a sum of Rs 8 lakh

as contribution from Armed Forces Battle Casualty Fund and Rs 30 thousand from AWWA as immediate financial assistance. Hence, those trying to portray a wrong picture must desist from spreading lies and instead encourage youngsters to serve the nation as a soldier, which is a highly honourable duty. Raman Suri said that the family of Agniveer Gawate Akshay Laxman, who hailed from Maharashtra, will also be provided with emoluments as mentioned. He said that Laxman has set an example of sacrifice by serving in Siachen glacier at a height of around 20,000 feet in the Karakoram range, which is also known as the highest militarised zone in the world where soldiers also have to battle frostbites and high winds. It may be recalled that the Karakoram is a mountain range in the Himalayas spanning the borders of India, Pakistan and China, with the north-western extremity of the range extending to Afghanistan and Tajikistan, and Laxman was serving in Karakoram's Siachen Glacier after completing his training.

Central State Govt should control rising population: Varinderjeet

■ STATE TIMES NEWS

JAMMU: Chairman of National Sikh Front and senior leader of BJP Varinder Jeet Singh in Monday appealed to central and state governments to control the rising population in the country. He said that if the population is not controlled at this stage it will not be possible to control in future. He said that when in 1951 the first census was done the population of India was 36 crore and now the population is about 142 crore which is even more than China. We have limited resources which will be exhausted very shortly if our population continues to rise at this speed. Few of the state governments have made a decision that if anyone has more than two children they cannot contest the local bodies elections.

It is a good decision but now the central govt should implement it in the Lok Sabha and the state governments in the respective assembly elections. This decision should also be implemented in government jobs and jobs should not be given to those who have more than two children. Government should take some strict action so as to improve the condition of the population in the country. Now it is becoming increasingly necessary that a law should be made for population control in the country. All the people of the country should be responsible and control the population on their own as it will be the most patriotic thing to do for the country and it will be in the benefit of the country and its progress and development.
