Srinagar Smart City role model for other cities of country

LG Manoj Sinha addressing gathering after inaugurating Smart Cities Mission's two-day National Workshop on 'Streets & Public Spaces' in Srinagar on Thursday.

STATE TIMES NEWS

SRINAGAR: Lieutenant Governor Manoj Sinha on Thursday called for developing cities to meet the challenges and the growing aspirations of the people.

"Cities must be flexible to respond to the needs of citicompetition and changes in the market and

nurture core competencies for economic growth," the Lt Governor said while inaugurating two-day National Workshop of Smart Cities Mission on 'Streets & Public Spaces' in Srinagar.

He expressed gratitude to the Ministry of Housing and Urban Affairs for organizing the national workshop in

for the simultaneous polls,

taking into consideration the

Srinagar and welcomed the Municipal Commissioners. Chief Executing Officers and offi- ${\it cers representing 100 \; Smart}$ Cities to J&K for knowledge sharing and experiential learning through project vis-

its of Srinagar Smart City. Most important element of

infrastructure and modern facilities, it is equally important to have vibrant public spaces to enhance aesthetics, ensure quality of life and bring positive change, solace

in the lives of the citizens, the

Lt Governor said.

"Srinagar Smart City is a role model for other cities of the country with impactful pedestrian plazas, recreational spaces by the waterfronts. One can feel the soul of this city with excellent urban design of streets and public spaces," he said.

At the inaugural session, the Lt Governor talked about initiatives like Srinagar Square, beautification of Ghats to revive water transport, rejuvenation of lakefront, heritage conservation of Old City, beautification of under-utilized spaces making Srinagar a great inspiration for experts.

5 LeT terrorists killed as SFs foil infiltration bid along LoC

SRINAGAR: Five Lashkar e-Toiba (LeT) terrorists were killed on Thursday as security forces foiled an infiltration bid along the Line of Control (LoC) in Kupwara district.

A huge cache of arms and ammunition including five AK series rifles and other incriminating materials were recovered from the site of the gunfight in Machhil sector, officials said

Additional Director General of Police Kashmir Vijay Kumar said five terrorists have been killed in the operation so far.

"Based on an intelligence input generated by Kupwara Police, an infiltration bid was successfully foiled in a joint operation launched by Police and Army along the Line of Control in Machhil sector of Kupwara district. In this swift and coordinated operation, five terrorists were neutralised," a police spokesper-

He said the joint party retaliated, leading to the launched the operation durelimination of five unidentified terrorists linked with ing the intervening night of October 25-26 at Sardari proscribed terror outfit LeT. Nar area along the LoC.

the spokesperson said. He said the identification of the slain terrorists is being ascertained.

"All the recovered materials have been taken into case records for further investigation. In this regard, Police have registered a case under relevant sections of law and investigation has been initiated. Extensive search of the area is being carried out

EC will require around 30 lakh EVMs, 1.5-year preparation time for simultaneous polls to LS, assemblies

STATE TIMES NEWS

NEW DELHI: The Election Commission will require around 30 lakh electronic voting machines (EVMs) and a preparation time of nearly one-and-half years for the smooth conduct of simultaneous elections to the Lok Sabha and state assemblies, sources have said.

An EVM comprises one control unit, at least one ballot unit and one voter verifiable paper audit trail (VVPAT) unit.

According to the sources, the commission will require nearly 30 lakh control units. about 43 lakh ballot units and about 32 lakh VVPATs
