During enquiry, the missing lady stated that she had not been kidnapped by anyone and had left her home of her own free will. She further disclosed that she had solemnized marriage with her boyfriend as per Hindu rituals. Relevant marriage documents and proofs have been obtained.

After completion of all necessary legal formalities, the married couple was handed over to the maternal uncle of the boy for safe custody in the presence of the father of the missing lady and other witnesses.

Illegal sand dumping busted, one dumper seized

■ STATE TIMES NEWS

AKINNOOR: Acting on reliable information regarding illegal dumping of sand and boulders in the Kotgarhi area of Akhnoor, Police Station Akhnoor promptly informed the District Mining Officer (DMO), Jammu.

On Friday, a joint team of the Mining Department, headed by Supervisor, along with the police party of Police Station Akhnoor, conducted a surprise inspection near the bank of river Chenab.

During the operation, a dumper bearing registration number JK02CA/9809 was found involved in the illegal transportation and dumping of sand and boulders. The vehicle was seized on the spot by Mining Department officials in the presence of police personnel.

A large quantity of illegally dumped material was also found at the site, which could not be removed immediately due to its huge volume.

After consultation with the local Ex-Sarpanch and residents, it was decided that the material would be auctioned within four days as per Mining Department norms, and the proceeds deposited into the government account.

The site has been secured, and further legal action under the MMDR Act, 1957, and J&K Minor Mineral Rules is being initiated by the concerned Mining Authority.

Shah replied, "I can speak of the demands of the people. Not about any individual. As far as his (Wangchuk's) case is concerned, the matter is before the court, which will take a decision on the basis of evidence at hand".

The home minister also said the government was carrying out "a ruthless campaign" against Maoist insurgency, accusing the ultra-Left ideology of "the sin of forcing tribal areas to remain undeveloped".

"In the 11 years since Prime Minister Narendra Modi has been in power, we have demolished at least 600 Maoist camps, dried up their finances and blocked their access to weapons. I would like to declare that Maoism will be completely wiped out by December 31, 2026", asserted Shah.

LG Manoj Sinha...

museum is a small Kalmykia in itself under one roof," the Lieutenant Governor said.

Later, the Lieutenant Governor visited the National Library at Elista, Republic of Kalmykia, Russia. The library is named after Amur-Sanan, a prominent Kalmyk writer and public figure. During the visit, the Lieutenant Governor donated several books to the library which he had collected on Buddhism.

Earlier, Lieutenant Governor Manoj Sinha paid obeisance to sacred relics of Lord Buddha brought from India and enshrined at the Central Temple, Geden Sheddup Choikhorling Monastery; also known as "the Golden Abode of Buddha Shakyamuni" at Elista, Kalmykia, Russia.

The Lieutenant Governor is leading the delegation to bring back holy relics of Lord Buddha after a week-long exposition in Elista. During the interaction with revered monks, the Lieutenant Governor said the fondness which the people of this city and those from far corners of Russia have shown towards the Lord Buddha's relics is a rare gesture which has left an indelible mark in our hearts. "As you know, the holy relics of the Buddha are considered as the Buddha himself and his coming here, amounts to his blessing the people of Kalmykia and the whole of Russia. India takes pride in the principles and teachings of the Buddha. His message of compassion, wisdom and non-violence remain more relevant than ever. Our Prime Minister Narendra Modi has always reiterated the relevance of Buddha's teachings in the modern world and continues to emphasise this aspect at different international forums reminding the world of Buddha's timeless wisdom," the Lieutenant Governor said.

The Lieutenant Governor also observed that the message of the Buddha along with his teachings should get more embedded in societies especially among the youth.

Lieutenant Governor Manoj Sinha also met His Excellency Batu Sergeyevich Khasikov, Head of the Republic of Kalmykia, Russia on Saturday and discussed various issues related to cultural, spiritual ties. The Lieutenant Governor thanks His Excellency for facilitating the grand visit of holy relics of Lord Buddha. "The holy relics visit to this land is also testimony of the long-standing relations that India and Russia have had over the decades. India and Russia will complete 80 years of diplomatic relations in 2027 and we in India are looking forward to marking this important milestone by organizing a range of bilateral events and activities," the Lieutenant Governor said.

The Lieutenant Governor also observed that an India Festival is being planned for April 2026 in Kalmykia. He said India will do its best to ensure that the event is a grand success.

J&K Bank's half...

RRB' direction, the Bank today recorded a net profit of Rs 494.11 Cr for the Q2 and Rs 978.95 Cr for H1 of the CFY.

Reflecting steady core operations, the Bank's Net Interest Income (NII) for the half-year (H1) is marginally up by 3.4% Year-on-Year at Rs 2899.43 Cr; while for Q2 NII stood at Rs 1433.99 Cr. In line with its market guidance, the Bank has maintained its NIM at 3.64% for the half-year (H1). The Bank's

other income for H1 was at Rs 405.19 Cr while the Cost to Income Ratio for the half-year stood at 60.80%.

Commenting on the Bank's Q2H1 numbers, MD & CEO Anitava Chatterjee said, "In spite of widespread disruptions during the first quarter following the Pahalgam incident and the extensive damage caused by floods in the second quarter, the overall growth we have recorded is both encouraging and reassuring."

"Even though profitability for Q2 was moderated due to an additional impairment provision of Rs 92 Cr made during the quarter in compliance with regulatory requirements, the performance is better than what was anticipated under the challenging circumstances.", he added. Notably, the Bank has made a total provisioning of Rs 180 Cr towards Jammu and Kashmir Grameen Bank during the first two quarters of the current financial year. Excluding the impact, the Bank's H1 profitability would be upwards of 15% YoY.

Despite difficult situation arising out of Pahalgam attack in Q1 and floods, landslides thereafter in Q2, the Bank has gained further stability in asset quality. During the quarter, the Bank's Gross NPA Ratio has declined 18 basis-points QoQ to 3.32% and decreased by 63 bps YoY from 3.95% recorded in September, 2024.

The Net NPA ratio has also moderated by 9 bps YoY to 0.76% from 0.85%, while declining 6 bps from 0.82% recorded for the June quarter of current financial year. Meanwhile, Provision Coverage Ratio (PCR) of the Bank continued at above 90% level, while the Return on Assets (RoA) stood at 1.17% for the half-year. On the Bank's asset-quality, MD & CEO expressed optimism, saying, "With GNPA around 3.30% half-way through the year; I think on asset quality front, our progress is steady. And with our robust and focused risk-management practices in place, I remain optimistic about meeting our annual guidance of below 3% GNPA by the financial year-end. Besides, our PCR is also healthy at 90.39%." During the quarter, the Bank's deposits witnessed growth of 10.23% Year-on-Year basis reaching Rs 152030 Cr; while as the net advances increased by 9.38% YoY to Rs 105153 Cr from Rs 96139 Cr recorded last year. Up by 18 bps in sequential terms from 45.71% recorded in Q1, the Bank's CASA stood at 45.89% for the Q2 and continues to be one of the highest in the industry. Regarding business growth, MD & CEO said, "Marking a nearly 10% year-on-year growth in business numbers reaching Rs 2.57 Lac Cr; our Q2 performance demonstrates the Bank's operational discipline."

"Our deposit growth is at par with the industry average, while advances primarily driven by Agri/corporate segments have shown good credit growth both in sequential and YoY terms. Our CASA ratio also exhibited a slight uptick to 45.89% on sequential basis, underscoring our commitment to sustained, quality growth", he added. He further said, "Despite tough challenges, this steady performance in the first half of the financial year affirms my confidence that we are very much on track to achieve our annual guidance growth numbers."

The Bank's Capital Adequacy Ratio (CAR) for the July-September quarter stood at 15.27% as against 14.99% recorded last F.Y. In his remarks on capital position, the MD & CEO said, "With a CRAR of over 15 %, we remain well-capitalized and positioned to support future growth opportunities while maintaining financial discipline. Significantly, the CAR is exclusive of half-yearly profit of Rs 978.95 Cr; which would otherwise result in taking the ratio to above16%." Commenting upon the Bank's growing operational focus in rest of the country, MD & CEO Anitava Chatterjee asserted, "We continue to execute our policy of expanding operations beyond J&K, strategically partnering with top-tier corporates across India. Simultaneously, through increased engagement of the Bank's leadership with the clientele across these geographies, we are in the process of sharpening our focus on building a gainful niche in the retail landscape outside J&K, particularly in the personal banking/finance segment."

Concluding his remarks, he said, "All these initiatives are tangible markers of the transformation currently underway at our Bank. However, the foundation of our progress rests on a firm triad: our people, our processes and our technology. And we are steadily strengthening all these pillars, ensuring that efficiency, resilience and excellence remain at the core of every facet of our operations."
