NMC urges LG, CM to release 3 percent DA installment

■ STATE TIMES NEWS

JAMMU: President of the National Mazdoor Conference (NMC), Subhash Shastri on Saturday appealed to JKUT LG Manoj Sinha and Chief Minister Omar Abdullah to take immediate steps to Release 3 percent DA Installment due from July this year to employees and pensioners as the same have already been released by the Central as well as various state governments to its employees and pensioners about one month ago.

In a statement issued here,Shastri stated that in view of the inbuilt provisions

in the annual budget, there should not be any hitch for the UT Government in releasing it, more so when others States have already released the 3 percent DA installment . An early decision in this regard would be genuine measure to provide some relief to the employees and pensioners in view of rising prices of essential commodities, he added.

Recalling recommendations of the Central 7th Pay Commission, Shastri said it also had recommendations that as soon as DA crosses more than 50 percent, the Centre is under an obligation to merge 50 percent DA into

basic pay or pension.

"As the DA has already touched 58 percent now, we request for early merger of 50 percent DA into basic pay/pension with retrospective effect," he added.Referring to benefits given to UT Ladakh,he demanded that monthly amount for pensioners in Jammu and Kashmir Union Territory be increased to Rs 1000, effective from April 1,2020. Additional demands highlighted by Shastri including early announce-ment for the appointment of the chairman and others members of the 8th pay commission, regularization of the

services of all daily rated workers under SRO 64,reducing the pension commutation period from 15 to 12 years and granting an additional increase in pension at the rate of 5,10 and 15 percent after the pension-er complete 65,70 and 75 years of age, respectively.

These demands, Shastri said , are vital welfare of the employees and retirees who have served the Nation dili-gently.

He urged the government to consider them sym-pathetically and take promote action to address the long standing concerns of the working class.

education are guaranteed.

The organization outlined its demands clearly: all 43 subjects should be offered and retained across colleges in Jammu Province, the shortlisted colleges should be reviewed, and student concerns must be addressed transparently.

ABVP urged the authori-ties to take immediate cor-rective action to eliminate disparities and ensure bal-anced educational develop-ment for students in Jammu Province, demonstrating a true commitment to quality education for all in J&K.

Kashmir in subject allocation clearly demonstrates step-motherly treatment toward Jammu students. ABVP demands immediate correc-tive action to ensure all 43 subjects are available in Jammu colleges."

The ABVP has also called for a review of the list of shortlisted colleges to ensure equal academic representa-tion and transparent consid-eration of student griev-ances. The organization emphasized that students of Jammu Province will contin-ue to demand their rights until justice and equality in

ted to colleges in Jammu Province, whereas 36 sub-jects are available in Kashmir Province. Several important subjects, including History, Food Science & Technology, and Biochemistry, have been removed or limited in Jammu colleges.

Sannak Shrivats, State Secretary of ABVP Jammu & Kashmir, described the pol-icy as discriminatory and biased, asserting that the Jammu region continues to face neglect in education. He stated, "The stark contrast between Jammu and

■ STATE TIMES NEWS

JAMMU: The Akhil Bharatiya Vidyarthi Parishad (ABVP), Jammu & Kashmir, has strongly criticized the recent allocation of subjects and colleges under the University of Jammu framework, citing a glaring disparity between Jammu and Kashmir provinces.

According to the list issued by the Directorate of Colleges, Higher Education Department, J&K Government, out of 43 sub-jects available for 4th-year undergraduate courses, only 26 subjects have been allot-
