all and the discrimination of any sort has been eliminated. He said that talent is the only key to success now as the era of recommendations has gone. Kavinder said that Umran has

brought laurels to the UT of J&K by his ability and grit. He said that the young boy has set an example for others to perform and achieve the same feat in the coming times as there is no dearth of talent in the UT in general and in Jammu in particular. Meanwhile, Senior BJP leader Kavinder Gupta took strong note of content of Congress leader Salman Khurshid's book comparing Hinduism to Jihadist Islam of terror groups like ISIS and Boko Haram and termed it as outrageous and an attempt to disturb the prevailing bonhomie in the country.

Ayodhya: Nationhood in Our Times' is nothing but a dangerous bid to bring in discord between different communities.
