Doing best to strengthen grassroot level democratic system in J&K: LG

■ STATE TIMES NEWS
JAMMU: Lieutenant Governor Manoj Sinha on Sunday said that the Jammu and Kashmir administration is trying its best to strengthen the democratic system at the grassroots level; encouraging public participation in the development process; implementing principles of Good Governance; providing inclusive,

qualitative education to all; creating more livelihood opportunities for the youth; taking industries to the block **'Awaam Ki Awaaz'** level, besides making all the public services easily accessible to the people in the Union Territory.
"Whatever we are creating, we must lay

a solid foundation for a society full of self-dignity, self-respect, and prosperity", the Lieutenant Governor said while participating in this month's episode of "Awaam ki Awaaz" radio programme, adding that working in this direction, the UT Government, in the past 16 months, has tried to establish a new transparent,

BSF forward defence locations along LoC to get steel infra

■ STATE TIMES NEWS
NEW DELHI: Border Security Force locations along the Line of Control (LoC) will be getting a steel makeover as the paramilitary force embarks on a major project to fortify defences and enhance living facilities

for troops along this sensitive high-altitude frontier with Pakistan.
These deployments are called forward defence locations (FDLs), and the border force guards, either jointly with the Army or independently, over 430 kilometres of

the total 772-km-long LoC that falls in Jammu and Kashmir.
The FDLs are located in extreme forward snow-bound or dense jungle areas of the LoC and are part of India's anti-infiltration grid to thwart terrorist activities

being conducted from across this un-demarcated frontier.
Behind the FDLs on the Indian side are multiple rings of the Army's counter-infiltration deployments.
Troops at these icy locations, having altitudes in

Leaked water pipe causes massive mudslide in Jammu; crucial stretch blocked

■ STATE TIMES NEWS
JAMMU: A mudslide triggered by a leaked water pipe of the Public Health Engineering (PHE) department blocked the busy Panjtirithi-Sidhra road connecting the city with the Jammu-Srinagar national highway on Sunday, prompting the agency concerned to press its men and machines to restore the vital link, officials said.

The road was blocked around 4.30 am following which the Public Works Department (PWD) launched a road clearance operation, the officials said.

They said the PHE department rushed a team to repair the water pipe meant to

SKM to hold meeting on Nov 27 to decide future course of action

■ STATE TIMES NEWS
NEW DELHI: The Samyukta Kisan Morcha (SKM) will hold another meeting on November 27 to decide future course of action while the planned march to Parliament by farmers on November 29 will go ahead as per schedule, farmer leader Balbir Singh Rajewal said on Sunday.

Addressing a press conference at Singhu border following a meeting, Rajewal said, "We discussed the repeal of farm laws. After this, some decisions were taken. SKM's pre-decided programs will continue as it is. Kisan panchayat will be held in Lucknow on November 22, gatherings at all borders on November

Cold conditions continue in Kashmir

■ STATE TIMES NEWS
SRINAGAR: Cold conditions continued in Kashmir on Sunday as the minimum temperature settled below the freezing point across the Valley, officials said.

The meteorological department has forecast mostly dry weather for the week.

The valley witnessed sub-zero minimum temperature Saturday night and the mercury was two to three degrees below the normal for this part of the season at most places, the MeT officials said.

Srinagar recorded a low of minus 1.3 degrees
