# Nothing can be achieved through threats: Farooq pitches for India-Pak dialogue

## ■ STATE TIMES NEWS

JAMMU: Nothing can be achieved through threats, instead India and Pakistan have to hold talks for peace in Jammu and Kashmir; National Conference leader Farooq Abdullah said on Monday.

His remarks come a day after Union Minister Jitendra Singh said retrieving Pakistan-occupied Jammu and Kashmir (PoJK) is next on the agenda.

Singh at a programme in New Delhi had said the leadership which has the capacity and the will to abrogate Article 370, also has the capacity to retrieve PoJK from the illegal occupation of Pakistan.

"I have been repeatedly saying that India and Pakistan have to talk (for peace in Jammu and Kashmir). Threats are being held that we will take this thing or that which cannot solve the issue," Abdullah told reporters at the Digiana Ashram where he had gone to inquire about the health of Sikh leader Mahant Manjeet Singh. "When they can talk to China which entered our territory and set up villages, why cannot they talk to them (Pakistan) who are across the border," he said.

Insisting on dialogue between India and Pakistan, Abdullah said that "neither we have to give something nor can take anything. We have to work to set this line (Line of Control) right so that there is easy travel and trade on both sides".

Those people who are on the other side of the line are our own, the former Jammu and Kashmir chief minister said.

The National Conference (NC) leader, while welcoming Prime Minister Narendra Modi's decision to repeal three contentious farm laws, said, "I am hopeful that they (Centre) will hear the voice of

hearts of the people of Jammu and Kashmir and restore statehood along with the eroded autonomy if they really want to address 'Dil ki Doori and Dilli Ki Doori'."

In August 2019, the Centre had abrogated Article 370, which gave special status to the erstwhile state of Jammu and Kashmir, and bifurcated it into union territories of Jammu and Kashmir, and Ladakh.

On India-Pakistan, Abdullah said when people on both sides come and go, the hatred will be replaced by love which will pave the way for peace in the region.

To a question about the recent incidents of targeted killings by militants in Kashmir, he said, "This (militancy) is not a new thing for Jammu and Kashmir but once the hearts are won, the issue will be addressed."

On demands for restoration of statehood at a time when the Centre's has accepted to repeal the farm laws, he said, "I am hopeful that they (BJP government) will hear the voice of the hearts of the people of Jammu and Kashmir."

"The prime minister had himself said he wanted to remove 'Dil ki Doori and Dilli Ki Doori' (while chairing an meeting of all parties of J&K in June). If he really wants to address the gap, it is imperative for them (government) to restore statehood and also return the autonomy which was eroded," Abdullah said. On upcoming assembly elections in Jammu and Kashmir, he said, "National Conference is ready for it even if it is declared today but claimed that BJP is not going to rule Jammu and Kashmir ever."

About BJP's target of 50 plus seats to form the next government in Jammu and Kashmir, he said, "They can do it only if they tamper with voting machines or use

police and army to cast bogus votes."

"One thing I want to make clear today is that BJP will never rule J&K. They will not even retain the number of seats which it won in the last assembly elections. They have to give answers to the people for their oppressive measures, growing unemployment and shortage of oxygen in hospitals during peak of COVID-19," the Srinagar MP said.

Today unemployment in Jammu and Kashmir is the highest in the country and inflation is touching the sky because of rising prices of petrol and diesel, he claimed and requested the government to bring fuel prices under control to provide relief to the people. Asked when he is expecting the report of the delimitation commission, which will be followed by elections according to Union Home Minister Amit Shah, Abdullah said the final meeting is yet to be called. "How come they complete the report without having the final meeting with the five MPs from J&K (three NC and two BJP)? They have not called us yet," he said. On the killing of four persons in the controversial encounter in the Hyderpora area of Srinagar on November 15, Abdullah said that "we want a judicial inquiry into the incident to unveil the truth".

"The administration has ordered a magisterial probe into the incident but the officer can come under pressure from the government. We do not have people who can stand up within the system and speak the truth," he said.

Earlier, interacting with Sikh leaders, Abdullah stressed on the need for unity and maintaining brotherhood and said "if we have to save J&K and this country, we need to stand united against the hatred and polarisation".

# President confers Vir Chakra on Abhinandan Varthaman

## ■ STATE TIMES NEWS

NEW DELHI: Group Captain Abhinandan Varthaman, who downed an enemy jet during an aerial combat with Pakistan in 2019 and was held captive for three days in that country, was on Monday honoured with the Vir Chakra award by President Ram Nath Kovind.

The fighter pilot of the Indian Air Force has been decorated with India's third-highest wartime gallantry medal for displaying an "exceptional sense of duty" during the dogfight, the award citation said.

The award ceremony, held at the Rashtrapati Bhavan, was attended by Prime Minister Narendra Modi, Defence Minister Rajnath Singh and several other dignitaries.

Several other military officers were also honoured at the event. Earlier this month, the Indian Air Force approved the rank of Group Captain for Varthaman. "President Kovind presents Vir Chakra to Wing Commander (now Group Captain) Varthaman Abhinandan. He showed conspicuous courage, demonstrated gallantry in the face of the enemy while disregarding personal safety and displayed exceptional sense of duty," the Rashtrapati

Bhavan tweeted.

Wing Commander Varthaman (now Group Captain) downed the Pakistani jet on February 27, 2019, before his MiG 21 Bison jet was hit. Pakistan launched retaliation against India for the Balakot airstrikes a day before.

The citation read out at the ceremony said a large force of the Pakistan Air Force fighter aircraft, consisting of advanced fourth-generation F-16 and JF-17, was detected heading toward the Line of Control (LOC) at around 9:55 am that day.

It said Wing Commander Varthaman, displaying exceptional air combat acumen and knowledge of the enemy's tactics, scanned the low altitude airspace with his Airborne Intercept (AI) radar and picked up an enemy aircraft that was flying low to ambush the Indian fighter-interceptor aircraft.

It said he alerted the other formation pilots about the "surprise threat", and then consolidated the riposte against the hostile Pakistani aircraft that were attempting to drop weapons on the Indian Army positions.

"This audacious and aggressive manoeuvre forced the enemy aircraft into tactical chaos. All the enemy aircraft thereafter turned back
