APPEAL
PLEASE DON'T FEED MONKEYS
It is, hereby, appealed to the general public that monkeys should not be fed on roads. Throwing of food articles on road for monkeys leads to several problems like:
1. Many-a-times, monkeys get seriously injured and even killed by speeding vehicles while catching food on road.
2. Monkeys are getting used to such readymade food items and their behavior of collecting food from Jungle is getting affected.
3. When they don't get food like this, they even tend to snatching and stealing from nearby households.
4. Sometime, this also leads to injury to the people mostly children.
5. The waste collected along the city roads due to throwaway food gives a bad look to roads and becomes source of infection and disease to animals.
6. The persons interested to give food to monkeys, should deposit/donate the same in the Office of Wildlife Warden, Jammu (Manda) so that same can be given to wild animals/monkeys in the jungle as per proper procedure.
7. The persons who will not co-operate shall be booked under law.
