CISF seizes foreign currency worth Rs 8.5 lakh at Delhi Airport

■ STATE TIMES NEWS

NEW DELHI: The Central Industrial Security Force (CISF) detected foreign currency worth approx Rs 8.5 lakh concealed ingeniously inside the 'False Bottom of Bag' at IGI Airport in New Delhi on Thursday.

A senior CISF officer said that at about 04.45 AM on November 10, on the basis of behaviour detection, CISF surveillance and intelligence staff of Terminal-3 at IGI Airport, noticed suspicious activities of a passenger in the Check-in area.

The passenger was later identified as Talib Ali, (Indian) who was sup-

posed to travel from Delhi to Dubai by Spice Jet Flight No. SG-611 (STD 0740 hrs).

On suspicion, he was diverted to random checking point for thorough checking of his luggage. On checking of his bag through X-BIS machine, doubtful images of concealment of some foreign currency were noticed.

Thereafter, the passenger was allowed to complete the check-in formalities and was kept under close watch through physical and electronic measures.

After clearing the Check-in process and Immigration formalities, the passenger was inter-

cepted by CISF surveillance and intelligence staff and was brought to departure Customs office.

On thorough checking of his bag, in the presence of custom officials, 40,500 Saudi Riyals worth approximately Rs 8.5 lakh were detected which were concealed inside the "False Bottom of a Bag".

On enquiry, he could not produce valid documents to carry such huge amount of foreign currency.
