## DB criticizes Law Department for favouring appellant

■ **STATE TIMES NEWS**

JAMMU: A Division Bench of Jammu & Kashmir and Ladakh High Court Comprising Justice Tashi Rabstan and Justice Wasim Sadiq nargal while dismissing appeal filed by the State observed that the Court is constrained to observe here appellant-Nazir Ahmed Thakur, for obvious reasons, was always allowed to steal a march over and above respondent-Renu Mahajan without any basis, first by giving promotion on officiating basis as Law Officer, Grade-II, much before respondent Renu Mahajan, thereafter, again on officiating basis, pending clearance by Departmental Promotion Committee (DPC), as Senior Law Officer and Additional Secretary, thereby keeping Nazir Ahmed Thakur at Sr. No.1 and Renu Mahajan at Sr. No.2 without fixing their seniority in basic category of Legal Assistants (earlier Public Law Officer) ignoring fact that she was senior to appellant.

DB observed that it seems the official writ respondents as well as the entire Government machinery, particularly Law Department was behind appellant-Nazir Ahmed Thakur to give him undue favour at cost of Renu Mahajan right from 2001 and in melee Renu Mahajan retired from service during period the judgment came to be reserved for pronouncement of judgment. "In given circumstances, we really do not appreciate the manner

in which the official writ respondents with malafide intentions favoured Nazir Ahmed Thakur and rejected case of Renu Mahajan without any basis proving the proverb might is right, or the one who has a power is always right," the Court observed. "The petition has not been admitted subject to delay and laches, which were not pressed at the time of its admission. Therefore, in view of what has been discussed above, we are not inclined to take a view other than the one taken by the Single Judge. Accordingly, the appeals filed by the State as well as Nazir Ahmed Thakur are dismissed and judgment of the learned Single Judge is upheld. Connected CMs and IAs are, accordingly, stand disposed of," the Court observed.
