tion and distribution of land passbooks, land issues of industries, stamp duty rates and other revenue matters.

The Div Com directed DCs to expedite the restoration of Roshni land, retrieval of government land and eviction of encroachments by setting Monthly targets. He further asked

them to take measures to keep a check on fresh encroachments in the districts.

"Hold meetings with Tehsildars and fix targets for eviction of encroachments and ensure no re-encroachments on retrieved land takes place," he instructed.

The Div Com also emphasized to expedite the process of delineation of Gair Mumkin Khad land and said 'the progress will be reviewed fortnightly and no laxity will be allowed in this matter' He also directed concerned DCs to submit reports to his office at the earliest.

Regarding distribution of land passbooks, the Div Com took strong note of slow progress in some districts and directed the concerned DCs to expedite generation and distribution. He also advised to distribute passbooks electronically as well as hard copies among the legal land owners.

The Div Com also asked DC Jammu and Kathua to identify suitable land for FCI Godowns.

Meanwhile, the Divisional Commissioner reviewed the revision of stamp duty rates and instructed DCs to start revision of stamp duty rates at Sub Division and district level.
