

Secy Health reviews status, containment initiatives for dengue in Jammu Div

STATE TIMES NEWS

JAMMU: Secretary Health & Medical Education, Bhupinder Kumar, on Thursday had a detailed review meeting regarding dengue status and containment initiatives.

A detail presentation on dengue status and containment initiatives was presented by Epidemiologist/State Malariaologist, J&K.

It was informed that, as on date, 5295 cases of dengue have been confirmed in Jammu division against 18000 suspect cases. Besides, Fever clinics are being run in GMC Jammu and other hospitals for diagnosis and treatment of suspected dengue cases.

Further, it was added that the department is well equipped for Platelets transfusion as recently one more component Laboratory has been established in Government Hospital Gandhi Nagar, Jammu in addition to existing component Laboratory of GMC Jammu.

It was discussed in the meet-

Secretary H&ME, Bhupinder Kumar chairing a meeting at Jammu on Thursday.

Till date more than 300 patients have been provided platelet transfusion in Associated Hospitals of GMC, Jammu and Gandhi Nagar Hospital Jammu. The Department is carrying out regular spraying and fogging at all the dengue positive houses in Jammu division. Besides, regular calling of Dengue positive patients is being done by 104 Call Center (Health Help Line) being run by National Health Mission J&K.

It was discussed in the meet-

ing that cleanliness in the residential areas is of utmost importance to check the menace of mosquito breeding. Since, dengue spread is related to increased density of mosquitoes, which breed mostly in stagnant clean water in the unattended containers lying in the houses or in open spaces. The public in general must ensure no collection of water in the unattended containers lying on the roof tops like tins, plastic bottles, tyres, bird pots, coolers, water tanks without lids etc.

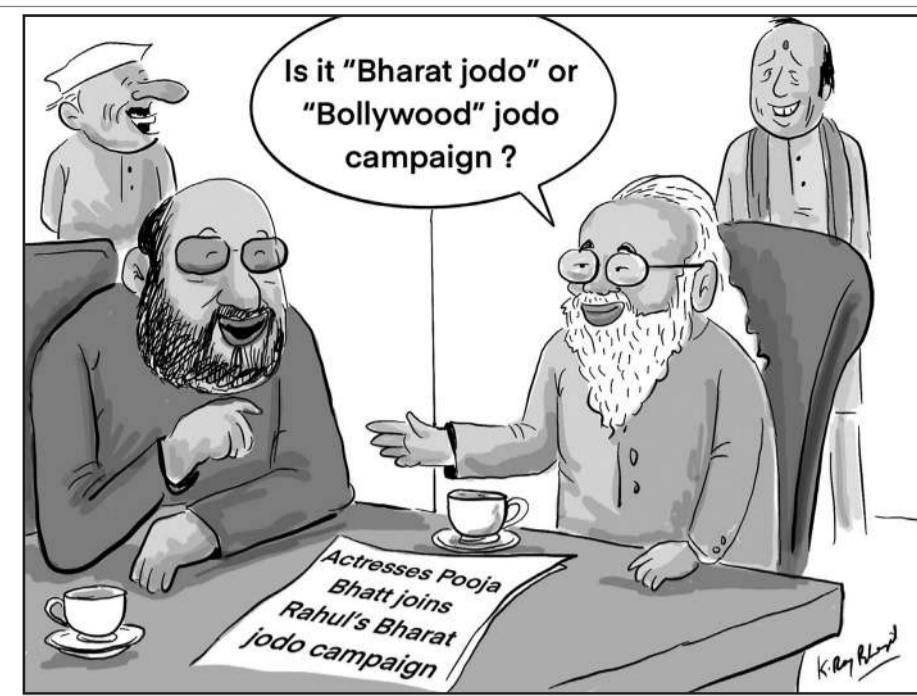

Secretary directed the Director Health Services to ensure that the designated teams constituted by respective CMOs visit every household where Dengue positive cases are detected. Further, all cases of fever should be suspected and tested for Dengue. Wherever need, the referral of Dengue positive patients from periphery should be made and strictly followed up till the patient reaches the appropriate Health Institutions.

Further, it was also directed

that department shall increase the awareness and containment measures to mitigate the dengue spread. CMOs were asked to make available sufficient number of functional beds and all essential medicines and consumables for treatment of dengue cases.

Bhupinder also made appeal to general public as well as public representatives like Municipal Corporators and PRIs for dissemination of Dengue preventive measures.

The meeting was attended by Dr. Shashi Soodan, Principal Medical College GMC, Jammu, Ayushi Soodan Mission Director NHM, J&K, Pankaj Gupta, Managing Director, JKMSCL J&K, Dr. Saleem Ur Rehman, Director Health Services, Jammu, Representative from Jammu Municipal Commission, Dr. Harjeet Rai, State Malariaologist, J&K & Chief Medical Officers Jammu division.

Sharma reviews issues regarding Mining sector in J&K

STATE TIMES NEWS

JAMMU: Secretary, Mining Department, Amit Sharma, on Thursday chaired a meeting with senior officers and all stakeholders of Mining Department to review various issues pertaining to Mining sector in Jammu and Kashmir here at Civil Secretariat.

Director, Geology and Mining, O P Bhagat; Joint Directors, G&M, Jammu and Kashmir; District Mineral Officers; representatives of Lessees, Crusher unit and brick kiln holders, MDL holders besides senior officers of Mining and allied departments were present in the meeting in person and through VC.

Secretary exhorted upon all stakeholders of Mining department including stone crusher unit holders, Mining Lessees, brick kiln holders and Mineral Dealer holders to install weighing bridges for ensuring transparency in transportation of all kinds of raw and finished material. He said that the weighing bridges are required to be integrated with the e-Market place/e-challan Web Portal developed by the Geology and Mining Department for ensuring utmost transparency in sale and purchase besides transportation of

Secretary, Mining Department, Amit Sharma chairing a meeting.

minerals.

He asked the stakeholder department to expedite issuance of NOCs pending with Stakeholders Department under Single Window System in respect of newly carved out Minor Mineral Blocks/e-auctioned Minor Mineral Blocks (pending with JKIEIAA) as per fresh format devised by J&K Environment Impact Assessment Authority (JKIEIAA), so that timely action is taken regarding their e-auctioning.

Secretary stressed upon the concerned officers to sort out the issues relating to issuance of Short Term Permits required by various executing agencies for facilitating construction works on several projects of national importance, such as Ring Road, Expressway and other State owned Projects under

PMGSY. The meeting also discussed the issues regarding Royalty Clearance Certificate to be given by the Geology and Mining Department for the material consumed by the executing agencies of various Government Departments engaged in construction of development projects of national importance to avoid loss to the state exchequer.

The representatives of Lessees, Crusher unit and brick kiln holders, MDL holders and others also projected their issues and demands and sought immediate redressal of the same.

Earlier, Director, Geology and Mining briefed the meeting about the working of Mining Department besides steps being taken to ensure early disposal of pending issues of mining sector.

Top functionaries of J&K Bank visit B2V4 camps, distribute sanction letters

GM and Divisional Head (Jammu) Sunit Kumar handing-over sanction letter to a beneficiary.

He also presented Keys of e-Rikshaws, financed by the Bank, to the beneficiaries.

In Kashmir, General Manager Syed Rais Maqbool visited various camps across Budgam district including Nasrullahpora village in presence of Under Secretary to J&K Social Welfare Department Rafia Nabi. The dignitaries jointly distributed sanction letters among various beneficiaries who have availed loan under different Government sponsored and employment generation schemes.

Participants at the camps hailed both the Government and J&K Bank for massive out-reach under B2V4 programme.

He interacted with large number of people and listened to their issues and grievances. He also distributed sporting kits among school children besides presenting income and domicile and other certificates to the beneficiaries.

He also handed over Mamta Kits to newly born girl children under BBBP, wheel chairs, hearing aids, walking sticks among the persons with disabilities besides distributing sanction letters under Ladli Beti Scheme.
