# Farmers suffering due to shortage of seeds & fertilizer: Ravinder

## ■ STATE TIMES NEWS

SUNDERBANI: Senior Congress Leader & Former MLC Mr Ravinder Sharma has alleged non availability of required quantity of seeds & fertilizers to farmers especially in Sunderbani, Nowshera and Kalakote parts of Rajouri district and demanded immediate steps in this direction by the government.

Sharma was apprised by the farming community during his tour of Sunderbani, Kalakote and Nowshera areas about non availability of required quantity of fertilizers especially DAP besides seeds, demanding immediate availability of quality seeds of wheat as well as pulses for the season by the department. The shortage of quality seeds and required quantity of fertilizers is matter of serious concern to farmers.

The farmers suffer a lot

in the absence of timely supply of seeds and fertilizer which affects the production and loss of income to farmers thus rise in prices.

He also expressed concern to the farmers of rice belt of Bimliya, Thangriote and Treyath as huge loss was caused to them during recent rains/hail stones but the govt failed to respond to their demand of compensation.

He also expressed concern over lack of any response to the farmers cry about huge loss to the maize crop this year due to a particular insect disease affecting the maize crops and productions in most parts of the area.

The farmers had to spend a lot to spray insecticides but the Government did not render any financial help to the farmers, which shows the anti-farmers approach of administration.
