

ACRIP, SKUAST-K team's visit to Gurez concludes

■ STATE TIMES NEWS

BANDIPORA: All India Coordinated Research Project (ACRIP), on Seed, Srinagar Centre, in coordination with Mountain Agriculture Research and Extension Station-Izmar, Gurez on Sunday concluded Trainings cum Quality seed distribution programme in blocks of Gurez and Tulial. The first Programme was organized in village Churwan of block Gurez where 20 Qds of SKUAST-K released variety of Wheat (Shalimar Wheat-2) was distributed amongst the farmers and a training programme regarding the scientific techniques involved in production of wheat crop was organized.

During the second leg, seed distribution cum training programme was organized in village Saradaab of block Tulial and 20 quintals of wheat seed was also distributed there and a good number of farmers participated in both the programmes.

On both the occasions, Prof M Ashraf Bhat, Nodal Officer

Prof M Ashraf Bhat, Nodal Officer Seeds speaking at a programme.

Seeds laid emphasis on the perfect usage of production technology of all the crops and other SKUAST Kashmir generated technologies (including growing of high yielding varieties) for increasing maximum food production from limited and shrinking resources and to combat various problems arising due to climate change. Prof Bhat appealed farming community to work in close coordination with Research Station, Izmar and KVK-Gurez for effective implementation of various schemes and generated technologies. He briefed about

technological intervention of AICRP Seed in improving the livelihood security of Tribal Farmers of Kashmir:

Dr Naseer A Dar, Prof/ Chief Scientist from Directorate of Research emphasized upon farmers to formulate detailed information about local potato and rajmash to enable Directorate of Research to register local land races with protection of Plant Varieties and Farmers Rights Act, New Delhi to exploring submission of requisite documents for Genome Savour Award.

He also stressed for creation of Farmers Producer Organisations (FPOs) for effective redressal of many complex problems of the region.
