DB dismisses Parvez Nengroo's plea for reinstatement as JK Bank Chairman

■ **STATE TIMES NEWS**
JAMMU: A Division Bench of Jammu & Kashmir and Ladakh High Court Comprising Chief Justice N Kotishwar Singh and Justice MA Chowdhary today upheld the judgment of writ Court and dismissed the LPA filed by Parvez Nengroo seeking reinstatement as JK Bank Chairman.

The appellant/petitioner besides throwing challenge to his removal as Director nominated by the Government to the Board of Directors of the Bank and as Chairman of the Board of Directors of the Bank has also claimed that he as Chairman/Chief Executive Officer of the Bank continued to be in service of the Bank unabated and uninterrupted. The appellant had in fact challenged the communication dated 09.07.2019, whereby he was

conveyed that he is deemed to have retired from service of the Bank w.e.f 06.10.2016, the writ petition is maintainable.

Since the petitioner was deemed to have retired from the service of the Bank in terms of rule/regulation 2(k) and 2(l) of the pension regulations, therefore, his tenure as being the Chairman/CEO of the respondent no.2-J&K Bank is not governed by the service rules of the Bank and any dispute sought to be raised by him in relation thereto including the challenge to communication dated 09.07.2019 could not be gone into by this court. The writ court, in our considered opinion in view of the matter, has rightly held the writ petition not to be maintainable to that extent. The other reliefs prayed for by the appellant/petitioner in the writ petition being relatable to the two prayers

for issuance of writ of certiorari to quash the two communications dated 08.06.2019 and 09.07.2019, the petition for those reliefs as well would not survive before the court in its extraordinary writ jurisdiction. The writ court, to the extent of the prayer of the petitioner for a direction to the respondents for release of all prerequisites and benefits due and payable to him in law is concerned, while referring Chapter II of the Pension Regulations which contains the pension regulations and provide for the application and eligibility of said Regulations, held that the appellant/petitioner, being in the service of the Bank till 06.10.2016 the date he was deemed to have retired from the service of the Bank was eligible to pensionary benefits under the pension regulations in question in lieu of his service till

06.10.2016 and that the pensionary benefits shall be considered to be granted in accordance with the applicable rules.

DB after hearing both the sides in length, observed that it has been brought to the notice of this court by the respondents which has not been disputed by the learned counsel for the appellant/petitioner. The appellant/petitioner has thus almost reconciled to what has been decided by the respondents Government of J&K and the management of the J&K Bank.

The filing of writ petition and after judgment in the writ petition further challenge through the instant intra court appeal and also simultaneously reconciling to the decisions taken by the respondents, is a classic display of the principle of "Approbate and Reprobate"

on the part of appellant/petitioner as this principle of "Approbate and Reprobate" if put into a common understanding means that a person shall not be allowed to blow hot and cold in terms of his/her relationship/position vis-a-vis other person, who get related to said relationship/position. This principle aims to mean, that an act of duality on the part of a person in his conduct/relationship vis-a-vis another person is nothing but dubious which no law can cherish. The principle of "Approbate and Reprobate" has been well elucidated and explained by the Apex Court.

DB further observed that having regard to the whole gamut of pleadings, rival submissions and the perusal of the record as well as the impugned judgment, we are of the considered opinion that the learned Single Judge has decided the matter

perfectly in consonance with law after a threadbare discussion on all aspects of the case and has rightly held that the appointment of the appellant/petitioner as Chairman/CEO of the Bank was contractual in its nature and, as such, there being no applicability of the service law, a writ is not maintainable to the extent of determining his removal as Government nominee Director, Chairman/CEO of the respondent no.2-J&K Bank and his continuance from a career level post to board level post is not being amenable to writ jurisdiction, is not maintainable and that no case is made out by the appellant/petitioner which warrants any interference in the impugned judgment passed by the writ court which is upheld. As a consequence, the appeal is dismissed along with all connected applications.

HC directs ED to file objections in a petition filed by Ex-Minister's Wife

■ **STATE TIMES NEWS**
JAMMU: In a much publicized ED raid in the house of Lal Singh Ex-Minister, his wife Kanta Andotra seeking quashment of ECIR No. ECIR/JMSZO/04/2022, dated 31-03-2022, recorded by respondent No. 02, Justice Vinod Chatterji Koul after hearing Adv Rajesh Kotwal for the petitioner whereas DSGI Vishal Sharma for the Enforcement Directorate, directed ED to file response before November 16, 2023.

In the petition, petitioner RB Educational Trust through its Chairperson, Kanta Andotra after the Central Bureau of Investigation (CBI) received a source of information with regard to the encroachment of Public, Government and Forest Land in District Kathua by someone in connivance with the revenue and forest officials, a preliminary enquiry No. PE042020A0002 was conducted in this regard on 22-06-2020 by it. On the basis of a complaint made by the Sub-Inspector CBI, ACB Vikas Ranol, FIR No. RC0042020A0005, for the alleged commission of offences, punishable under Sections 120-B and 5(1)(d) r/w 5(2) of the J&K Prevention of Corruption Act, 2006, was registered. Consequently a final chargesheet, for the commission of the aforesaid offences titled, "CBI v/s Kanta Andotra & Anr.", was filed by the CBI in the Court of Special Judge, Anti-Corruption (CBI Cases), Jammu, hereinafter to be referred as the trial Court.

The petitioner, thus, seeks indulgence of the court to summon the entire record, pertaining to the investigation, being conducted by the respondents, qua ECIR No. ECIR/JMSZO/04/2022 dated 31-03-2022, recorded by respondent No. 02 and for quashing the same being ultra virus the Prevention of Money Laundering Act, illegal v/without jurisdiction and non-est in law, inter-alia, on the following grounds that Sub-Section (1) (v) (i) of Section 2 of the Prevention of Money Laundering Act defines the "Scheduled offence". As per law all the offences Specified under Parts A, 13 and C of the Schedule of the Prevention of Money Laundering Act are the scheduled offences A have look of Tart A, paragraph I of the Schedule to the Prevention of Money

Laundering Act would clearly show that the respondents can only take recourse to and investigate those offences which have been made punishable by the Indian Penal Code. It would be pertinent to mention here that the CBI had after registering the FIR, investigated the matter under the J&K Prevention of Corruption Act, svi. 2006 and the penal provisions of law defined under the Ranbir Penal Code. The respondents have, therefore, no jurisdiction in the instant case because the offence of money laundering postulates that there must be a predicate offence at the relevant point of time when the authorities under the Prevention of Money Laundering Act commence the investigation. In the instant case the trial court has disagreed and not accepted the final charge sheet of the CBI. On the contrary the trial court has directed fresh investigation in the matter under the supervision of a new officer of the CBI. There is, therefore, no scheduled offence which is required to be investigated by the respondents. The respondents are summoning the family members of the petitioner, including the petitioner and some other persons, for the investigation purposes without any authority of law and without jurisdiction. The respondents have even failed to collect any evidence with regard to the market value of the land in question, which as per the market value is less than one crore of rupees.

As per the admitted case of the prosecution (CBI) the petitioner is in possession of excessive land, as envisaged by Section 14 of the J&K Agrarian Reforms Act, 1976. The CBI has placed on record all the sale deeds and the gift deeds pursuant to which the petitioner is allegedly retaining the excessive disputed land. The value of the entire land is reflected in the said documents. As per calculation the total value of the entire land is less than thirty lacs. As per the ECIR in question the petitioner has been charged for the alleged commission of offence under Section 3 of the Prevention of Money Laundering Act. Self attested copies of the sale deeds and the gift deeds are enclosed herewith and marked as Annexures-VI, VII, VIII, IX, X, XI, XII,

XIII, XIV, XV and XVI respectively. As per Technical Circular No. 03 of 2020, dated 13-02-2020, issued by respondent No. 01, the money laundering investigation is to be done in cases where the value involved is 2^ crores or more. Since the value of the property in question, as per Section 2(l)(zb) of the Prevention of Money Laundering Act is less than thirty lacs, as such, the

investigation being conducted by the respondents is without jurisdiction, nullity and, therefore, non-est in law. The proceedings conducted by the respondents are not only infringing the fundamental and legal rights of the petitioner but have resulted in abuse of process of law. These proceedings are, therefore, liable to be quashed, in view of the aforementioned facts and circumstances.

It is, therefore most humbly prayed that the court may kindly call for the entire record, pertaining to the investigation, being conducted by the respondents, qua ECIR No. ECIR/JMSZO/04/2022, dated 31-03-2022, recorded by respondent No. 02, and quash the same by exercising its power under Articles 226 and 227 of the Constitution of India and under Section 482 of the

Code of Criminal Proceedings, 1973, in the interest of justice.

The court after hearing the counsels from both sides directed the ED to file objections before November 16, 2023.
