For and on behalf of the Lt. Governor, J&K Union Territory e-tenders are invited on **Item rate basis** from approved and eligible Contractors registered with **Union Territory of J&K/CPWD / BRO / Railways/ MES and other State/ Central Government** for the work mentioned below:-

S.No.	Name of Work	Advised Cost (In lacs)	Cost of document (In Rs.)	Earnest Money Deposit in the form of CDR / FDR / BG	Time Allowed for completion	Time and date of opening of tender	Class of Contractor
1	Construction of 40 mtr clear Span steel foot bridge over Sigdi Nallah near NTPHC Sigdi Block Mughalmaidan District Kishtwar under NABARD with Geotechnical Soil Investigation, collection of Hydraulic data, load testing with structural design, drawings duly approved and vetted from the competent authority i.e IIT,NIT,DIQC and construction, steel Girder through type Foot Bridge with Sub Structure (RCC abutments, Bearing Caps, Suitable bearings, Dirt/Wing wall, River protection works etc complete) and Super Structure (steel plate Girder with chequered plate flooring, Bottom and cross Bracing, Vertical/Diagonal Girders with suitable riveted/bolted/welded arrangement) including fabrication, launching of steel component of super structure, foot guards including construction of approach path(2 mtr. wide with soiling and 1:3:6 concrete including edge wall, protection wall as per direction of Engineer in charge upto Motorable road on one side (NTPHC side) and upto old bridge path on other side (complete job in all respects in concurrence with Engineer in charge and strictly as per conditions of NIT/SBD	158.00	6000+500	316000.00	12 Months	13-12-2023	'A' Class

Special Conditions for EPC Mode contract (As per circular issued by Director Finance PW(R&B) Department vide No.PWD-ACCT/217/2021-05 Dated:- 17-11-2023 and endorsement SE Doda No. 13076-83 Dated:- 17-11-2023.

- Following methodology to be adopted to facilitate hassle free procurement of contract in time bound manner on EPC Mode:-
 - The contractor shall carry out survey and investigations and also develop designs and drawings in conformity with the specifications and standards laid down in the agreement. It will get these checked by a proof consultant and a safety consultant who are to be appointed with the approval of the Government. Government's engineer shall review the design and drawings to ensure that these conform to the scope of the project, design standards and specifications. The EPC agreement shall also stipulate provisions for quality control and assurance.
 - The span and approaches of bridges as fixed by the Superintending Engineer and Executive Engineer concerned shall be final. Under no circumstances, the contracting firm shall be allowed to increase or decrease the span of the bridge while designing and vetting process.
 - The successful bidder shall be given a time frame of 60 Days as 1st project, Milestone for submission of vetted structural design of the bridge in full.
 - To ensure timely completion of project, the delay in achievement of 1st milestone shall attract a penalty of 0.5% per week with a maximum of 10% of component value as per payment schedule. Similarly, Penalty clauses shall be introduced for delay in achievement of any subsequent milestones as per the SBD and term and conditions of work allotment.
 - After acceptance of vetted structural design within 60 days for the issuance of LOL, the contracting firm shall have to mobilize the men and machinery at site within 15 days. Any delay on the part of contractor shall attract a penalty of 0.5% per week with a maximum of 10% of component value as per payment schedule any delay on part of Engineer would attract RDA against him/her.
 - Achievement of each milestone shall be strictly monitored by the Superintending Engineer and Executive Engineer. Any delay in achieving the milestone without any plausible justification shall necessitate invoking penalty clause.
 - EOT (if required) for delay in achieving each milestone shall have to be processed in due course of time with justifiable reasons by the EE/AEE concerned. No payment shall be released to the contractor for the works to be completed in a particular milestone unless EOT is not granted by the appropriate authority EOT shall be approved by SE as per justification submitted by the EE in a time bound manner.
 - The EPC agreement shall contain the requisite provisions for dealing with force majeure events. In particular, it shall provide protection to the contractor against disciplinary actions that may have adverse effect on the timely completion of the project.
 - In the event the Government terminates the agreement on account of any of the specified defaults of the contractor, the agreement shall allow the Government to forfeit the performance security and retention money of the contractor.
 - In order to have proper monitoring and supervision, day-to-day interaction between the departmental authority and the contractor has to take place on regular basis. Checks and balances shall have to be provided for ensuring full accountability of the contractor.
 - The EPC contract agreement shall be as per the standard format issued by Ministry of Road Transport and Highways for National Highways and centrally sponsored Schemes.

Head of account = Sanctioned under NABARD RIDF-XXIX
