

Dunki: Shah Rukh Khan starrer will shatter all existing box office records; predicts astrologer

Shah Rukh Khan, the Bollywood icon, has always been more than just a name to his fans. His journey in the film industry has been a rollercoaster ride with successes, setbacks, and triumphant comebacks. As we approach his birthday on November 2nd, 2023, renowned astrologer Pandit Jagannath Guruji offers insights into Shah Rukh Khan's future based on his birth chart. Guruji's analysis of Shah Rukh Khan's birth chart reveals that the alignment of key planets, such as Pluto, Jupiter, and Venus, bodes well for the actor. Following his recent blockbusters, "Pathaan" and "Jawan," Shah Rukh Khan is set to work wonders in his upcoming project, "Dunki," directed by Raj Kumar Hirani. The positioning of Venus and Jupiter in the 5th house of Shah Rukh's horoscope suggests that "Dunki" will offer a rewarding experience for him, and fans can expect to adore his role in the film. Additionally, this planetary combination indicates that Shah Rukh's cameo in "Tiger 3" will be met with immense love and recognition as he shares the screen with Salman Khan once again. Moreover, the conjunction of Jupiter and Pluto in the 4th house of Shah Rukh's horoscope indicates that "Dunki" is poised to receive widespread love and appreciation from audiences, possibly even shattering box office records. This favorable phase in his career is expected to continue benefitting Shah Rukh Khan until 2025. Meanwhile, Shah Rukh Khan's Saturn is well connected to his Ketu, signifying satisfaction. This contentment may be further enhanced as his elder son, Aryan Khan, embarks on a successful journey in the world of film direction.

Salaar: Makers' THIS masterstroke to ensure Baahubali like success for Prabhas?

Prabhas' Salaar is one of the most sister films of the superstar. Fans are eagerly waiting to witness him in a blockbuster like Baahubali, but unfortunately, he hasn't managed to replicate the same success at the box office. But it seems like Salaar is the one as the makers have made this master stroke move to ensure the success of Baahubali. It's been more than 6 years now that Prabhas is struggling to get a massive success like Baahubali; all the releases like Saaho, Radhe Shyam, and even Adipurush, for that matter, failed at the box office. The latest buzz is that the makers have decided to take all the popular names for the dubbing of Salaar, and in Hindi, the makers have chosen Sharad Kelkar's voice to dub for the actor, and his boss created a storm at the box office with Baahubali and Baahubali 2. And the makers are hoping the actor's voice once again creates magic on the big screen. Salaar will be seen clashing at the box office with Shah Rukh Khan's Dunki, and now fans are eagerly waiting to witness the teaser of the film, especially after watching a glimpse of Rajkumar Hirani's directorial.

Sunny Deol reveals how Gadar 2 made way for Lahore 1947 with Aamir Khan, 'He wanted to meet me and...'

Sunny Deol made a smashing big screen comeback with Gadar 2. The film turned out to be the second highest grossing film of the year 2023 after Shah Rukh Khan's Jawan. Sunny Deol proved that he still rules audiences' hearts. With the success of Gadar 2, Sunny Deol is back on track and has become director's favourite choice. As per reports, he is bombarded with several film offers. Among the confirmed ones is Lahore, 1947 that is produced by Aamir Khan. It was recently that Aamir Khan, Rajkumar Santoshi and Sunny Deol made the announcement and left fans excited. Now, Sunny Deol has revealed how this project came to him. Sunny Deol stated that it was at Gadar 2's success bash that Aamir Khan came up with this project. On Koffee With Karan season 8, Sunny Deol revealed how the collaboration took place. He stated that he met Aamir Khan a day after Gadar 2's success bash and they shared some ideas, finally locking Lahore, 1947. He was quoted saying, "When Aamir Khan came to the success party of Gadar 2, he came to me and said that he wanted to meet me. I surprisingly asked

myself what it was all about, and the next day we met, we discussed some ideas and possibilities for cooperation, and after the conclusion, we came to this project, and that's how it happened."

Vegetables that will help boost your immunity this winter

Winter is almost here, and with it comes the season of sniffles, sneezes, and all those bugs that seem to thrive in the cold. That's why it's essential to boost your immune system, and what better way to do that than by munching on some power-packed veggies? Here are some vegetables that can help boost your immunity this winter. Vegetables are a fantastic source of essential nutrients, vitamins, and antioxidants that can give your immune system a much-needed boost. Here are the 5 superstar vegetables that can help you stay healthy this winter. Spinach You have probably seen Popeye chugging down spinach to get stronger, right? Well, there's a good reason for it! Spinach is loaded with vitamin C, which can help your body fight off infections. It's also rich in iron, which supports the production of red and white blood cells, vital for a healthy immune system. An easy recipe made out of spinach is Palak Paneer. Here is the easy recipe. Broccoli Broccoli is a nutritional powerhouse. It's packed with vitamins A, C, and E, as well as a variety of antioxidants. These

nutrients work together to enhance your immune response and keep those winter germs at bay. Many people don't like the taste of broccoli so here is a delicious recipe for you to try out. Carrot Carrots are not just excellent for your eyes, they are also fantastic for your immune system. They are rich in beta-carotene, which your body converts into vitamin A, an essential nutrient for maintaining healthy skin and mucous membranes - your body's first line of defence against invading pathogens. White Radish White radishes are known for their spicy kick, and they are also a great source of vitamin C. This vitamin is known for its immune-boosting properties, helping your body build a robust defence system against infections. White Radish is best known to us as Mooli ka Paratha. Here is the recipe for it: Beetroot Beetroot is a vibrant and nutritious vegetable that can give your immune system a real boost. Packed with vitamin C and antioxidants, it helps your body produce antibodies and white blood cells, the soldiers of your immune system.

How to get a glowing skin before 2023 ends

Achieving a radiant and healthy glow is a goal for many, and it involves a combination of skincare, lifestyle choices, and self-care practices. Here are some tips on how to achieve that coveted radiant glow before the year ends. Nourish Your Body from Within Balanced Diet: Eating a balanced diet rich in fruits, vegetables, lean proteins, and whole grains provides essential vitamins and minerals that contribute to healthy, glowing skin. Hydration: Drinking an adequate amount of water keeps your skin hydrated and helps flush out toxins, promoting a clear and radiant complexion. Prioritize Skincare Cleansing: Regularly cleanse your skin to remove dirt, oil, and impurities. Use a gentle cleanser suitable for your skin type. Exfoliation: Exfoliating 2-3 times a week helps remove dead skin cells, unclog pores, and promote cell turnover, revealing fresher, brighter skin. Moisturizing: Applying a good-quality moisturizer keeps your skin hydrated, soft, and supple, contributing to a healthy glow. Sun Protection: Wearing sunscreen with at least SPF 30

daily shields your skin from harmful UV rays, preventing premature aging and maintaining a youthful glow. Incorporate Antioxidants Vitamin C Serum: Using a vitamin C serum helps brighten the skin, protect against environmental damage, and stimulate collagen production for a radiant complexion. Get Adequate Sleep Aim for 7-9 hours of quality sleep each night. During deep sleep, the body repairs and rejuvenates skin cells, contributing to a glowing complexion. Exercise Regularly Physical activity increases blood flow, delivering oxygen and nutrients to skin cells. It also helps flush out toxins through sweat, contributing to a healthy glow. Glowing skin Manage Stress Chronic stress can negatively impact skin health. Engage in relaxation techniques like deep breathing, meditation, or yoga to promote a calm mind and radiant skin. Limit Exposure to Environmental Toxins Avoiding smoking and minimizing exposure to air pollution, harsh chemicals, and secondhand smoke helps maintain healthy skin and a radiant complexion. Use Natural Ingredients Incorporate natural products like aloe vera, honey, turmeric, and rosewater into your skincare routine. These ingredients have soothing, healing, and brightening properties. Stay Consistent with Skincare Routine Consistency is key when it comes to skincare. Stick to a routine that works for you, and give products time to show results. Self-Care and Well-Being Engage in activities that promote relaxation and well-being, such as taking warm baths, practicing gratitude, and spending time in nature.

ARIES

MAR 21 - APR 20

The sun enters Gemini and your solar third house marking the last stretch of spring and a chance for you to expand your mind. These vibes are perfect for nurturing your curious nature, though your social side will need some attention too. You'll want to be on guard for drama within your network of peers, taking care not to get involved if negativity begins to circulate your sphere.

LIBRA

SEP 24 - OCT 22

The sun enters Gemini and your house of spirituality this morning, elevating your spirits and intuition throughout the next month. Lean into the mystic that lives within, and you'll soon find a universe alive with magic and synchronicity. Unfortunately, a tense opposition between Mars and Pluto could temporarily rain on your parade, especially if your friends try to pull you into their drama.

TAURUS

APR 21 - MAY 20

The sun enters Gemini and your solar third house marking the last stretch of spring and a chance for you to expand your mind. These vibes are perfect for nurturing your curious nature, though your social side will need some attention too. You'll want to be on guard for drama within your network of peers, taking care not to get involved if negativity begins to circulate your sphere.

SCORPIO

OCT 23 - NOV 22

You'll be thinking heavily about ways to evolve throughout the coming weeks, as the sun enters Gemini and your house of transformation. Use this energy to make important decisions that will lead you to a higher path, even if doing so requires a few "goodbyes." Keep tabs on your emotions as Mars and Pluto face off overhead, taking care to set boundaries and nurture your needs if you feel overly stressed.

GEMINI

MAY 21 - JUN 20

Happy birthday, dearest Gemini! The sun officially enters your sign early this morning, giving you full permission to seek attention, revel in your popularity, and make things just a little bit more about you. However, you'll want to be delicate in your approach to adoration as Mars and Pluto face off, and be sure to keep your message positive and attitude light.

SAGITTARIUS

NOV 23 - DEC 22

Get ready for lots of love and plenty of flirting, as the sun migrates into Gemini and your solar seventh house. This luminary placement will heighten your charisma and natural wits, providing you with all tools necessary to enchant your latest crush. However, you should focus on maintaining a sense of balance on your own, making time to support your mind, body, and soul in the pursuit of harmony.

CANCER

JUN 22 - JUL 23

Your mind will be a busy place throughout the coming weeks, darling Cancer, as the sun enters Gemini and the sector of your chart that governs introspection. This solar placement will ask you to take stock of your life, meditating on ways to improve your overall happiness while acknowledging what you cannot control. A sweetness will wash over you this evening when the moon enters your sign.

CAPRICORN

DEC 23 - JUL 20

The sun enters Gemini and your solar sixth house asking you to recommit to your health and wellness goals. These vibes are perfect for recommitting to consistent bedtimes, workout regimes, and overall organization, so be sure to direct your focus accordingly throughout the coming month. You'll feel a shift this evening when the moon enters Cancer, helping you reclaim a sense of balance and harmony.

LEO

JUL 24 - AUG 23

Get ready for good times ahead, dear Leo, as the sun enters Gemini and the sector of your chart that governs community. Though you'll be busy shaking hands and kissing babies throughout the coming weeks, a desire to do something good will also come into play. Be sure to acknowledge the humanitarian that lives within. Just be sure to carve out some alone time this evening when the moon migrates into Cancer.

AQUARIUS

JAN 21 - FEB 23

A rush of playful and creative energy will wash over you as the sun enters Gemini and your solar fifth house. This luminary placement will reinvigorate your spirits, especially when you devote more time to the pursuit of fun or the arts. Unfortunately, tensions could mound within your love life as Mars and Pluto face off in our skies, but try not to let small arguments spiral into something bigger.

VIRGO

AUG 24 - SEP 23

Take extra steps to nurture your professional network throughout the coming weeks, dearest Virgo, as the sun enters Gemini and your solar tenth house. This luminary placement can assist in making headway within your occupational goals, but relationships will be important as you inch your way to the top. Use this energy as motivation to get a head start.

PISCES

FEB 20 - MAR 20

Your home will feel elevated and bustling when you awaken as the sun migrates into Gemini and the sector of your chart that governs domestic affairs. Use this energy to get organized within your space throughout the coming month, and be sure to host plenty of social gatherings. You may want to lay low for now, as Mars and Pluto face off overhead, which could put you in a private and irritable mood.
