DB cautions PDD to remain careful in future, adhere to recruitment rules in letter and spirit

■ **STATE TIMES NEWS**
JAMMU: A Division Bench of Jammu & Kashmir and Ladakh High Court comprising Justice Sanjeev Kumar and Justice Mohan Lal caution the Department of Power Development to remain careful in future and adhere to the recruitment rules in letter and spirit and do not act as per its whims and caprices and generate unnecessary litigation for the Courts. We further caution the official respondents not to flout recruitment rules in future, failing which the officers, who have or at whose instance deliberate deviation from the recruitment rules is resorted to confer wrongful benefit on some chosen few, shall be liable to be proceeded in departmental action.

This order has been passed in a LPA in which appellants are aggrieved of and have called in question a judgment dated December 18, 2018 passed by a learned Single Judge of this Court

["the Writ Court"] in SWP No.48/2014 titled Kavita Gupta and another v. State of J&K and others, whereby the Writ Court has dismissed the petition of the appellants filed to challenge the seniority list of Junior Scale Stenographers on multiple grounds.

Briefly stated, the facts leading to the filing of instant appeal, as are projected by the appellants in their petition and reiterated in the memo of appeal, are that the appellants came to be appointed as Junior Assistants in the Power Development Department (PDD) pursuant to their selection made by Jammu & Kashmir Services Selection Board w.e.f. October 5, 2000 and April 26, 2001 respectively. In the similar manner, respondent No.10 was appointed as Junior Assistant in PDD on April 3, 2001. Respondent No.6 came to be appointed as Junior Assistant by way of promotion. Respondent No.5 and 7 to 9 were the Junior Assistants appointed in the Divisional Cadre Kashmir. The Recruitment and conditions of service of various non-gazetted posts borne on Jammu & Kashmir Power Development Subordinate Service are governed by the Jammu & Kashmir Power Development Department (Subordinate Service) Recruitment Rules, 1981 ["the Rules of 1981"] issued by the Government vide

SRO No.381 dated August 26, 1981.

DB after hearing both the sides observed that strictly speaking, the manner in which the official respondents have acted, is a tantamount to granting double promotion to respondent No.10. However, having regard to the fact that the promotion of respondent No.10 against the post of Junior Stenographer made in the year 2006 was not objected to or challenged by the appellants within reasonable time, as such, we are not inclined to interfere with his promotion. As a matter of fact, the appellants have not specifically called in question the order of his promotion even in the petition disposed of by the Writ Court in terms of the judgment impugned. In the absence of specific challenge laid to the promotion of respondent No.10 as Junior Stenographer, DB cannot entertain the grievance of the appellant as against respondent No.10. Otherwise also, the writ petition was hit by gross delay and laches, inasmuch as cause of action, if any, accrued to the appellants in the year 2006 only and not in the year 2014 when the writ petition was filed.

For the reasons given by the Writ Court in the judgment impugned and the reasons which DB found no merit in this appeal, the same is, accordingly, dismissed.
