

SP a production house of rioters, criminals, Akhilesh the CEO: Yogi Adityanath

■ STATE TIMES NEWS

LUCKNOW: Uttar Pradesh Chief Minister Yogi Adityanath on Sunday gave a new definition for Samajwadi Party's coinage 'PDA', terming it as "Production house of Dangai (rioters) and Apradhi (Criminals)."

He also said that the "CEO" of this production house is Akhilesh Yadav and its "trainer" Shivpal Yadav, with all criminals "business partners" in the party.

'PDA' was an acronym coined during the 2022 assembly polls by SP Chief Akhilesh Yadav for the 'Pichhde' (backwards), Dalits and 'Alpsankhyak' (minorities).

Samajwadi Party chief Akhilesh Yadav, in response, sought accountability from the government on supply of fertilisers to the farmers.

Addressing an election rally in Katehari (Ambedkar Nagar) for the November 20 bypolls, Adityanath said, "SP talks of PDA...But tell you what their PDA is. It is the Production House of Dangai (rioters) and Apradhi (criminals)."

"I am giving you this new definition...Remember any big criminal, mafia or rioters...They are party of the production house of SP. Every dreaded criminal, every dreaded mafia, every dreaded rapist is born here. Its CEO is Akhilesh Yadav. The trainer is Shivpal Yadav," he said.

He alleged that the very sight of an SP worker is enough to strike fear in the women of the state. "Dekh Sapai, Bitiya

ghabrai," he said.

Adityanath also alleged the SP tried to save the man accused in the Ayodhya rape case.

He said mafia Atiq Ahmad and Khan Mubarak were also party of this "production house" which was sent out of business by the "double-engine" government.

Parrying the attack, Yadav said in a post on X said, "The farmer is saying, please tell me the full form of DAP as well. This might remind us that there are queues of farmers in the state for fertilisers. PDA of today says that BJP is not needed." DPA is Diammonium phosphate, a water-soluble ammonium phosphate salt that is used as a fertiliser.

Later, addressing an election rally in Kotwa in the Phulpur assembly constituency in Prayagraj district, Adityanath carried on his attack on the SP, accusing it of giving patronage to the mafia. "Whether it was Atiq Ahmed of Prayagraj, Mukhtar Ansari of Ghazipur, Khan Mubarak of Ambedkar Nagar... all of them were the products of the Samajwadi Party's production house. All of them were business partners of the Samajwadi Party in crime," he said. The BJP leader said that after Independence, the socialist movement was started with values and ideals and people like Jayaprakash Narayan, Dr Ram Manohar Lohia, Acharya Narendra Dev, Chandrashekar, Janeshwar Mishra, and Mohan Singh were associated with the movement.

But today, the SP has deteriorated into a gathering of criminals and mafia, he added.

"This is what happened in Ayodhya, this is what happened in Kannauj. This is what happened in Lucknow and this is what these people did in Hardoi," he said.

Adityanath also alleged that the murder of MLA Krishnanand Rai in 2006 was committed at the behest of the SP, and So was Raju Pal's in Prayagraj.

The leader, who was canvassing for candidates for the November 20 bypolls, said, "This election is not just today's election, it is an election to improve the present and also to build the future." Deepak Patel is the BJP candidate from the Phulpur Assembly seat.

"BJP is not only guaranteeing development, security and legacy, but BJP also guarantees to solve the problem of floods here," the two-time CM said. Adityanath alleged that while the BJP celebrated National Unity Day on October 31 in honour of Sardar Vallabhbhai Patel, the SP and its leaders commemorated the birth anniversary of Jinnah, "the architect of India's partition."

He said Scheduled Castes and Scheduled Tribes were exploited under the rule of SP, which in 2015 suspended their scholarships. The policy was reversed by the BJP later, he added. Adityanath said the BJP built a grand memorial for Suheldev in Balaich, but the SP did not pay its respects to him fearing loss of Muslim

votes.

He claimed the Vindhya region, once notorious for mining and land mafia activities, was transformed into a hub of development under his dispensation.

"Today, Mirzapur boasts a medical college, Maa Vindhyavasini University, and the grand Maa Vindhyavasini Corridor," he said.

He said Prime Minister Modi, alongside French counterpart, inaugurated the world's largest solar plant in the region during the International Solar Alliance event.

"Despite having chief ministers several times, the SP failed to bring any real change to Mirzapur - be it in terms of university development, medical facilities, or infrastructure like the Maa Vindhyavasini Dham corridor. The SP's focus is on family development, while the BJP's priority is the state's progress," Adityanath claimed.

The CM also said the BJP-led Union government will not accept the reinstating of Article 370, a resolution for which was passed by the Jammu and Kashmir Assembly recently.

"India will have one leader, one Constitution, and one flag," he asserted. In UP, nine assembly seats going to bypolls

Katehari (Ambedkar Nagar), Karhal (Mainpuri), Meerapur (Muzaffarnagar), Ghaziabad, Majhawan (Mirzapur), Sishamau (Kanpur City), Khair (Aligarh), Phulpur (Prayagraj), and Kundarki (Moradabad).

Eight of these seats fell vacant after their MLAs were elected as Lok Sabha MPs, while bypoll is being held on the Sisaman seat due to the disqualification of SP MLA Irfan Solanki, who was convicted in a criminal case.

Jairam Ramesh asks Environment ministry to clarify review of National Ambient Air Quality Standards

■ STATE TIMES NEWS

NEW DELHI: Congress leader Jairam Ramesh asked the Environment Ministry on Sunday to clarify the results of the review of the National Ambient Air Quality Standards-2009 that IIT-Kanpur was tasked to carry out on the orders of the Central Pollution Control Board in 2021.

The Congress general secretary in-charge communications said the National Ambient Air Quality Standards (NAAQS) covering 12 major pollutants were last promulgated in November 2009.

That was widely hailed at that time, even though it was well understood that they would have to be kept under periodic review, the former environment minister said in a post on X. IIT-Kanpur had been intimately involved with this initiative, he said. In December 2021, IIT-Kanpur was tasked by the Central Pollution Control Board to review NAAQS, 2009, Ramesh said. "Meanwhile, there seems to be an effort to relax standards like those relating to emissions of sulphur dioxide from power plants."

"Till today, even as the country chokes, we have no idea of the results of this review even as it has become clear that the standards need tougher enforcement and in some cases further tightening," Ramesh said. Tagging Environment Minister Bhupender Yadav, he asserted the Ministry of Environment, Forests and Climate Change must clarify.

Ramesh also shared the 2009 NAAQS notification by the then Central Pollution Control Board.

Clouds of 3rd world war looming, benefits of science still not reaching the poor: Bhagwat

■ STATE TIMES NEWS

JABALPUR: Rashtriya Swayamsevak Sangh (RSS) chief Mohan Bhagwat said on Sunday that in light of the Russia-Ukraine and Israel-Hamas conflicts, there is a sense that the threat of a third world war is looming.

"We all feel the shadow of a third world war emerging, with discussions on whether it might begin in Ukraine or Gaza," Bhagwat said while delivering a lecture organised in the memory of Sangh woman leader of Madhya Pradesh's Mahakoshal area late Dr Urmila Jamdar.

Science has progressed a lot but its benefits are still not reaching the poor within the country or across the globe, he rued. "But the

weapons that destroy the world have reached everywhere," the RSS chief said.

"Medicine for some diseases might not be available in rural areas but country-made revolver (desi katta) does," he added.

He expressed concerns over the environment, saying it has reached a stage where it is causing diseases.

Bhagwat said serving humanity is Sanatan Dharma, which is synonymous with Hinduism.

He said Hindutva has the potential to show the way to the world.

Bhagwat said the word Hindu existed for a long time before it was found in Indian scriptures, adding that it was first introduced in public discourse by Guru Nanak Dev.

Khalistani terrorist Nijjar's aide Arsh Dalla arrested by Canadian police after shooting incident: Sources

■ STATE TIMES NEWS

NEW DELHI: Khalistani extremist Arshdeep Singh Gill alias Arsh Dalla, who has been designated a terrorist by India, is likely to have been arrested in Canada's Ontario province in connection with a shooting incident, sources claimed here on Sunday. The incident is suspected to have occurred on October 28 in Milton.

The Halton Regional Police Service (HRPS) had in a statement on October 29 said that it had arrested two men on charges of "discharging firearm with intent" following an investigation after the duo had come to a hospital and one of them was treated for a non-life-threatening gunshot and later discharged.

It did not disclose their identity and said both accused "were held in custody pending a bail hearing".

The sources claimed that one of those arrested is believed to be Arsh Dalla, who is associated with the banned Khalistan Tiger Force (KTF) and ran terror modules on behalf of Hardeep Singh Nijjar, a designated terrorist who was killed in June last year.

Recently, the Ministry of External Affairs had named

Arsh Dalla as among the Khalistani terrorists for whom extradition requests have been made to Canada.

The Halton police statement said they were actively investigating the "shooting that took place in Milton".

"The HRPS was contacted by Guelph Police in the early morning hours of October 28, 2024, after two males attended a hospital in Guelph. One of the males was treated and released for a non-life-threatening gunshot wound apparently suffered in the Halton region. The other was not injured.

"The HRPS Major Crime Bureau is now investigating and both males have been arrested. A 25-year-old male of Halton Hills and a 28-year-old male of Surrey BC have both been charged with Discharging Firearm with Intent," the statement said.

Earlier on Sunday, Punjab Police announced the arrest of two shooters of Arsh Dalla's gang, who were allegedly involved in the murder of a Sikh activist last month, from Kharar in Mohali.

Director General of Police Gaurav Yadav said the arrest came in a joint operation of the state special operation cell, the

Anti-gangster Task Force and Faridkot Police.

The two were identified as Anmolpreet Singh alias Vishal, a resident of Bhadorh in Barnala and Navjot Singh alias Neetu, a resident of Nijjar Road in Kharar.

The state police said preliminary investigations revealed that Arsh Dalla tasked Navjot to target Gurpreet Singh Hari Nau, who runs a YouTube channel under the name of "Hari Nau Talks".

Arsh Dalla, who has been accused of involvement in targeted killings, terror financing and extortion in Punjab, was in January last year designated a terrorist by the Indian government.

He is an accused in various cases under the National Investigation Agency.

India-Canada ties remain deeply troubled over Canada's alleged support to Khalistani separatists and its accusation of India's involvement in the killing of Nijjar.

New Delhi has trashed the allegation and accuses Ottawa of doing next to nothing to stop the activities of Khalistani supporters who seek to undermine the sovereignty and territorial integrity of India.
