TFWHNM announces Bi-ennial elections

■ STATE TIMES NEWS

JAMMU: The Executive/Working Committee of the Traders Federation Warehouse Nehru Market (TFWHNM) Jammu held a meeting under the presidency of Deepak Gupta,

during which the decision was made to initiate the Bi-ennial elections for the Federation. The elections will determine the new leadership for the term 2024-2026.

As part of the election process, Rajesh Bhagotra of M/s Barkat Ram Pran Nath, 63-C Warehouse, was nominated as the Election President.

His responsibility will be to oversee the election process and ensure the elections are conducted in a free, fair, and transparent manner. Bhagotra will also nominate members for the Election Committee and Poll Observers to facilitate the election proceedings in the coming days.

During the meeting, Deepak Gupta presented a comprehensive report on the work done by his team during their tenure.

He highlighted several key accomplishments, particularly in improving the infrastructure of the Warehouse-Nehru Market area.

Gupta mentioned that the Federation had met with various administrators and raised important issues such as the ease of doing business in the region.

He also emphasized the efforts made during the COVID-19 pandemic when the Federation collaborated with the administration to ensure the smooth supply of essential commodities during lockdowns.

Under his leadership, the Federation secured special funds from JDA to improve infrastructure, including the construction of a tanga stand, drainage systems, and road repairs.

The meeting also discussed ongoing efforts to implement the "Ease of Doing Business" initiative, with regular meetings held with administrative officials, including the Hon'ble Lieutenant Governor, to address challenges faced by traders.

Other key members of the Executive/Working Committee, including Sr. Vice President Munish Mahajan, Jr. Vice President Abhimanyu Gupta, and General Secretary Sham Lal Langer, were present, along with other prominent figures from various associations.
