Bajaj Finserv AMC launches Banking and Financial Services Fund

■ STATE TIMES NEWS JAMMU: Bajaj Finserv Asset Management Limited (BFAML) has launched its Banking and Financial Services Fund, an open-ended equity scheme focused on the Banking and Financial Services (BFSI) sector; to tap into India's fast-evolving financial ecosystem. The New Fund Offer (NFO) is open for subscription from November 10 to 24, 2025, and is benchmarked against the NIFTY Financial Services TRI.

The fund aims to invest in 45-60 stocks drawn from a universe of 180-200 companies spanning banks, NBFCs, insurers, capital market intermediaries, and asset management companies. It seeks to capitalize on structural megatrends such as digital lending, UPI adoption, financial inclusion, and the expanding reach of mutual funds and insurance services.

India progresses toward becoming a Top 3 global economy, financial services will be pivotal to its growth. This thematic fund enables investors to participate in the sector's multi-dimensional expansion, covering lending, insurance, payments, and capital markets. Nimesh Chandan, CIO, BFAML, added, "Our investment approach is rooted in disciplined research and selective stock picking. We aim to identify companies with sustainable advantages, prudent capital allocation, and sound governance to deliver consistent, risk-adjusted returns."

2026 India Skills Report: India Emerges as Global Talent Powerhouse with 56.35% Employability

■ STATE TIMES NEWS

JAMMU: ETS, a global education and talent solutions organization, in collaboration with the Confederation of Indian Industry (CII), All India Council for Technical Education (AICTE), Association of Indian Universities (AIU), and Tagged, has released the 2026 India Skills Report, highlighting India's growing prominence as a global hub for skilled talent. According to the report, India's employability rate has risen from 54.81% in 2025 to 56.35% in 2026, marking a significant stride toward a skill-first economy powered by digital fluency, artificial intelligence adoption, and enhanced global mobility. This upward trend reaffirms India's position as a key player in the evolving international labor market.

Convenor of the India Skills Report, stated, "The burgeoning parallel workforce is shaping the future of work, and it is starting right here from India. The 2026 edition shows India standing at the intersection of scale, skill, and technology. The next decade will cement India's leadership in global talent mobility through modular, AI-integrated skilling and internationally recognized certifications." The report highlights several emerging trends shaping India's workforce landscape. Between 2022 and 2026, employability in the country has increased from 46.2% to 56.3%, reflecting consistent progress in workforce preparedness. India now commands 16% of the global AI talent, projected to reach 1.25 million professionals by 2027. Over 90% of employees are already using Generative AI tools, underscoring rapid digital transformation across sectors. The gig economy continues to expand, with India's gig and freelance workforce expected to reach 23.5 million by 2030, while project-based hiring surged by 38% over the past year. Leading sectors driving hiring include Technology, BFSI, Manufacturing, Renewable Energy, and Healthcare, with AI, Data Analytics, Cloud Computing, and Cybersecurity ranking as the most sought-after skills.

In terms of employability, the top-performing states in 2026 are Uttar Pradesh, Maharashtra, and Karnataka, reflecting strong regional ecosystems for education and skill development. The 13th edition of the India Skills Report draws insights from over 100,000 candidates through the Global Employability Test (G.E.T.), with inputs from seven major industries. The report's theme, "The Future of Work: Gig Workforce, Freelancing, AI-Supplemented Workforce, Remote Work & Entrepreneurship," captures the transformative trends redefining India's position as a global talent powerhouse.
