

GGM Science College Jammu concludes two days workshop on 'Virtual Labs'

STATE TIMES NEWS

JAMMU: Virtual Lab Nodal Centre (VLNC)-2025, which was established by IIT Bombay in Govt. Gandhi Memorial Science College Jammu, J&K UT, concluded two days workshop on "Virtual Labs across different science disciplines".

A large number of students and faculty members of department of chemistry and department of zoology participated in this workshop.

The valedictory function of the workshop was inaugurated by Chief Guest, Prof. Romesh Kumar Gupta, Principal, GGM Science College Jammu in presence of Dr. Sweety Verma, HOD Chemistry, Dr. Rahul Kaith, HOD Zoology, Dr. Pankaj Gupta, Nodal Coordinator VLNC, Dr. Arun Sharma, Outreach Coordinator VLNC, Dr. Ashaq Hussain, Dr. Rohit Bhardwaj, Dr. Varinder Kumar, Dr. Sheetu Rain, Dr. Reetika and Dr. Jyotdeep Kour.

Dr. Romesh Gupta congratulated the technical recourse persons of Virtual Lab team, Department of

Chemistry and Department of Zoology for organizing this workshop for the students and faculty of Govt. Gandhi Memorial Science College, Jammu.

In his address, he encouraged all science teachers and students to utilize Virtual Labs as a valuable supplement to traditional physical laboratories. He appreciated the dedicated efforts of the Virtual Lab team of GGM Science College and expressed confidence that all other departmental coordinators shall also hold such workshops in coordination with Nodal Coordinator of the college.

Dr. Rahul Kait highlighted that experiments through

Virtual Labs should be encouraged and all faculty members shall follow this approach in the absence of physical laboratory resources so as the milestones of curriculum shall be achieved.

Dr. Pankaj Gupta, Associate Professor of Chemistry and Nodal Coordinator, VLNC, GGM Science College, during his address in the valedictory function emphasized that physical distance and limited resources often hinder the performance of experiments, especially those requiring sophisticated instruments, and that this challenge is effectively addressed to a great extent through the use of Virtual Labs.

He encouraged all the departmental coordinators to organize Vlab workshops in their respective streams and ensure maximum participation of students.

During the course of the workshop, the technical session in the first day, which included demonstration and hands on session of simulation based experiments in

Chemical Sciences on the topic "Acid Base titrations" and "Determination of viscosity", was conducted by Dr. Pankaj Gupta and the technical session in the second day in the field of "Immunology and Molecular Biology Vlabs" on the topic "Blood Grouping" and "Agarose Gel Electrophoresis" was conducted by Dr. Rohit Bhardwaj, Assistant Professor in Zoology. The queries raised by students were addressed effectively by the speakers.

The proceedings of the event were conducted by Dr. Arun Sharma, Assistant Prof. in Physics. The whole event was organized under the overall supervision of Dr. Romesh Kumar Gupta and by the combined efforts of Dr. Vandhana Khajuria, Dr. Sweety Verma, Dr. Rahul Kaith, Dr. Ashaq Hussain, Dr. Pankaj Gupta (Organizing Secretary), Prof. Arun Sharma (Co-organizing secretary) and other faculty members of Department of Chemistry and Zoology.

Airtel brings connectivity to Ladakh's remote villages of Man & Merak

STATE TIMES NEWS

JAMMU: Bharti Airtel ("Airtel"), one of India's leading telecommunications service providers, today announced that it has expanded its network footprint to Man and Merak, two of the remotest villages located on the Eastern Border of Ladakh, near the world-famous Pangong Lake.

With this milestone deployment, Airtel has become the only service provider to bring reliable mobile connectivity to this strategically significant and difficult-to-reach region.

Located along the stretch between Man and Merak villages on the eastern border of Ladakh, this area has long struggled with zero connectivity and no telecom network availability, leaving a vast corridor of approximately 50 km without coverage. High-speed network rollout in these villages marks a transformative moment, enabling residents, security forces, and tourists to stay connected in one of India's toughest terrains.

With this deployment, the entire route between Chushul and Pangong Tso is connected, significantly boosting the tourism potential of this globally renowned destination.

"Connecting Man and Merak is a huge step forward in our mission to extend world-class digital access to India's remotest regions," said Dibyendu Aich, COO - Jammu and Kashmir, Bharti Airtel. "These sites will not only support the thousands of tourists visiting Pangong Lake every year but will also empower local communities by enabling essential services like digital payments, emergency connectivity, and access to everyday digital tools."

Airtel's continuous expansion in high-altitude and remote regions reflects its commitment to bridging the connectivity divide, strengthening India's digital infrastructure, and offering reliable mobile services, even in the most challenging environments.
