

**Modification in Tatkal Booking System**  
OTP authentication must for Mumbai Central- Ahmedabad Shatabdi Express

**STATE TIMES NEWS**  
MUMBAI: Western Railway will be implementing an important modification in the Tatkal booking system in accordance with the guidelines issued by the Railway Board. Tatkal tickets will now be issued only after authentication of a system-generated One Time Password (OTP). This OTP will be sent to the mobile number furnished by the passenger at the time of booking, and the ticket will be issued only after successful validation of the OTP.

According to press release issued by Chief Public Relations Officer, Western Railway Vineet Abhishek, this OTP-based Tatkal authentication system will be implemented with effect from 01st December 2025 at 00:00 hrs and will initially apply to Train No. 12009/12010 Mumbai Central - Ahmedabad Shatabdi Express.

The new system will be applicable for Tatkal bookings made through computerized PRS counters, authorized agents, IRCTC website and IRCTC mobile app. The objective of this change is to ensure transparent Tatkal bookings and to facilitate genuine passengers in getting better access to Tatkal tickets.

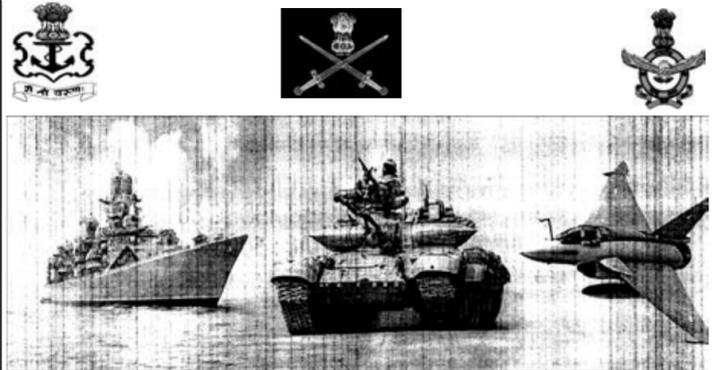

Passengers are advised to provide a valid, accessible mobile number at the time of booking to ensure smooth completion of the OTP verification process. Western Railway urges all passengers to take note of this important change.
