### Road Safety Week: Army organises awareness campaign at Dool

■ **STATE TIMES NEWS**  
KISHTWAR: Across the Kishtwar district, the villages and town are connected through its length and breadth by narrow roads. The area has seen a rise in road accidents causing fatal casualties and injuries. Due to lack of knowledge of traffic rules amongst the local population, specially the students and youth, such accidents are recurring time and again which can be avoided otherwise if properly sanitized.

With an aim to spread awareness on road safety and traffic rules, the Indian Army today organised an awareness campaign at Dool area of district Kishtwar.

The event was aimed at raising public awareness about traffic rules to reduce casualties due to road accidents. During the awareness campaign, the attendees were informed about the importance of following traffic rules on the road, wearing helmets while driving and following speed limits. The campaign was attended by 70 locals including Students, youth, and children. The awareness campaign won appreciation from all around. The locals urged for organising more such awareness programmes which will be helpful in bringing the fruitful results in future besides bringing a civic sense among the common masses regarding the abiding of the traffic rules.

## DC Rajouri discusses Scale of Finance plan for 2022-23 at DLTC meeting

■ **STATE TIMES NEWS**  
RAJOURI: District Level Task Force (DLTF) meeting was held on Thursday under the chairmanship of Deputy Commissioner Rajouri, Vikas Kundal to discuss the fixation of Scales of Finance for the year 2022-23 for agricultural, horticulture and allied activities in the district.

A threadbare discussion was held concerning criteria to be adopted for the fixation of scales of finance for agricultural and allied activities in the district. The meeting was informed that earlier the fixation of the scale of Finance has been carried out at the Province level but for the past two to three years this is being prepared at the District level

The scale of Finance is the finance required for raising a crop per unit cultivated area, i.e. acre or hectare.

The scale of Finance may vary from district to district. He also said allied Agricultural activities related to poultry, sheep breeding, dairy farming etc have also been brought within the ambit of the DLTC for fixing the scales of finance for such activities.

The Deputy Commissioner, while speaking in the meeting, said that the fixation of finance for the agricultural allied activities shall help the farmers of the district to take advantage of various types of free credit in a hassle-free manner.

He also said that the fixation of finance shall also create employment opportunities in the district through agricultural entrepreneur activities.

He said the objective of this meeting is to review the unit cost of the previous year scale of finance and for the fixation of the unit cost of Scale of Finance for the year 2022-23. He stressed the need to involve all stakeholders in arriving at proper scales of finance and the necessity of accurate field data.

He urged upon them for close coordination so that credit flow to the farmers is adequate and timely.

The Deputy Commissioner said that there is a dire need for the fixation of finance for agricultural allied activities due to an increase in input costs. He directed the concerned officers to submit the revised proposal at the earliest.

## Int'l Day of Acceptance: Kathua administration ensures doorstep delivery of prosthetic aids to PwDs

■ **STATE TIMES NEWS**  
KATHUA: Amidst Covid-19 pandemic, when the challenges have become humongous for people in general and differently-abled in particular, District Administration Kathua is extending them the much needed handholding through "Divyang Sahayak".

In our daily life, we face various challenges which show us the limit of our human nature but overcoming them is what makes life meaningful. Keeping this in view, district administration has started distributing assistive devices to the needy persons at their doorsteps, said a Divyang Sahayak.

Specially abled persons of far flung areas were compelled to travel to Government Offices for receiving the assistive devices/appliances but with the help of 'Divyang Sahayak' volunteer, Social Welfare Department, under the aegis of District Administration Kathua, has provided them these aids at their doorsteps and brought Perceptible improvements in their life through systems interventions and building institutions.

The successful execution of an idea requires ample workforce/ resources and to bring the idea of Divyang Sahayak into reality. The volunteers of NCC, NSS, youth clubs and NYK were roped in to make this dream come true. The intent behind the inclusion of volunteers was to make the initiative economically viable and practically feasible with optimum utilisation of available human resources.

The citizen centric initiative "Divyang Sahayak" was virtually launched by LG of J&K UT Manoj Sinha on 19 August 2021 from Basohli.

After the launch of this initiative, as many as 89 specially-abled persons have been benefitted till date. Out of which 74 beneficiaries have been provided wheel chairs and hearing aid at their doorsteps, while 15 others have been provided motorised tricycles in collaboration with State Rehabilitation Council, Social Welfare Department, thus dispensing with the need for visiting the offices for getting the prosthetic aids.

safety and health. Masks among the Commuters were also distributed during the checking.

Talking to the media persons, the DC said that the inspection was carried out to take stock of the implementation of various Government Advisories and Guidelines and Covid-19 SOPs such as wearing of Masks, maintaining social distance, and other practices

to protect the public health and prevent the spread of infection of the deadly Coronavirus.

"During the inspection, it has been observed that about Eighty per cent of people in the town were complying with the COVID related protocols", the DC said.

He said that this twenty per cent population who are not adhering to CAB are posing a great threat to the

rest of the people who are following COVID SOPs and therefore the need of the hour is to ensure that all the people follow COVID 19 protocols in letter and spirit to avoid the risk of infection.

He also said that the District Administration is working to the best of its potential to avert the third COVID wave in the district but the need of the time is to continue to take precautions to beat the deadly coronavirus.

The DC further said that the District Administration Rajouri has achieved the target of 100 per cent vaccination of the adult population in the border district and effective steps have been taken to ensure 100 vaccinations of children between the 15-18 age group. He also appealed to the parents to get their children vaccinated at the earliest.

Admn officials providing wheelchair to a specially-abled child.

Buddhi, while sharing his experience, expressed gratitude towards district administration for lending him helping hand by providing Motorised tricycle at his place through Divyang Sahayak. A tailor by profession, Sudesh Kumar rejoiced when he reminisces the moment of receiving the motorized tricycle from Divyang Sahayak who he termed as "angels who have descended to pull him out of challenging times which have turned grave due to Covid Pandemic".

District Social Welfare Officer, Kathua Abdul Rahim, while throwing light on the initiative of Divyang Sahayak, said that the pur-

pose of taking this initiative during Covid times was mainly to facilitate specially abled persons, who are amongst the most vulnerable groups and find it difficult to move out of their homes owing to their physical challenges.

Deputy Commissioner Kathua, Rahul Yadav while enlightening about the concept of Divyang Sahayak said that the administration is making all out efforts to ease the lives of common man especially the people belonging to marginalised sections who are usually dependant on others for their mundane tasks. He said this initiative assumes more significance for the impuissant

persons who are now feeling reinvigorated by efforts of the administration to provide prosthetic aids at their doorsteps. This step has further ameliorated their insecurities regarding getting exposed to Covid infections by ruling out the need for visiting the offices to get prosthetic aids.

This step of district administration is receiving lot of accolades from all the stakeholders viz a viz PHCs, Social Welfare Department, volunteers from NYK, Youth clubs, NCC and NSS and they are further taking the cause to every nook and corner of the district besides encouraging others to become a cog in the wheel of development for these marginalised sections of our society who are generally at the mercy of others.

The initiative of the District Administration is in consonance with the objective of celebrating "International Day of Acceptance" which is observed every year on 20 January to recognize social acceptance of disability and to provide a chance to celebrate abilities rather than disabilities.
