

# Reservation to women in JKP a landmark decision: Rekha Mahajan

## ■ STATE TIMES NEWS

JAMMU: Announcing 15 percent reservation to women in the non gazetted posts in Jammu and Kashmir Police is one more step of the UT government towards further strengthening the women empowerment in Jammu and Kashmir. It also indicates the concern of the government for socio economic upliftment of the women.

In a statement, Rekha Mahajan, Secretary Jammu and Kashmir B-JP, said that giving reservation to women will not only provide them job opportunity but also help them to be self reliant, thus relieve them of financial dependency and lead a dignified social life.

Their services in the police department will be a big help in matters related to crime cases against women as the affected ones would be in a comfort posi-

tion to discuss and share their problems and grievances with the women personnels, she said. Rekha further said that the women are no less in intelligence, capability and capacity and can do better in any field. In today's fast moving world, the women have registered their presence even in such spheres, which, were once assumed to be conquered by men only. She expressed confidence that the entry of a large number of women in Jammu and Kashmir Police after the implementation of fifteen percent reservation will also inspire more and more daughters of the soil to take benefit and get absorbed in non gazetted posts in JKP.

Meanwhile, she appreciated the decision, as announced by

the Lieutenant Governor Manoj Sinha, on National Girl Child Day, in favour of the women and hoped that the UT will continue to work on taking similar steps with more opportunities for welfare and empowerment in future.

The women will get large share in jobs in JKP as the Lieutenant Governor has stated that the 15 percent reservation is just the beginning and the government is determined and committed to increase it further in future, she mentioned.

She also congratulated daughter of the soil, Arushi Kotwal from District Doda's Chinta village, for being conferred with the prestigious Pradhan Mantri Rashtriya Bal Puraskar 2022 by PM Narendra Modi for her exceptional achievements in the field of sports (Chess).

# Stop unnecessary exposure of teaching faculty, staff in schools: SSP

## ■ STATE TIMES NEWS

JAMMU: President of Sainik Samaj Party (SSP), JKUT Col S.S Pathania (Retd), wished a very happy International Education Day to entire teaching fraternity and related staff for their yeoman services in spread of peace, harmony and development, through education.

He expressed his deep concern and anguish on the wrong policy of exposing teaching and staff faculties, to dreaded corona, while it is peaking up, with ever increasing infection, with omicron as mutated virus.

In total absence of children in schools, a hundred percent presence of teacher and staff can never be justified and is benefit of any logic and pragmatic policy.

There is always a need of having a well

monitored policy with short and midterm corrections. No way corona has assured an immunity to teaching fraternity, irrespective of fully vaccinated or otherwise and a high vulnerability persist.

Teacher after an avoidable exposure, when go home, are likely to spread virus to small children and aged parents, which is no way desirable, and must be stopped.

Govt has to show empathy, compassion and pragmatism and show the genuine concern, for the teaching fraternity and staff, contributing immensely towards nation building. Pathania requested Lt Governor to take cognizance of the prevailing situation and issue suitable and appropriate direction on extremely important issue of attendance policy in schools across the UT.

# KPC pays tributes to Wandhama massacre victims

## ■ STATE TIMES NEWS

JAMMU: Kashmiri Pandit Conference (KPC) today on the twenty fifth year of the Wandhama massacre sought justice for all those families of Kashmiri Pandits who were killed by militants during the last 32 years of militancy in Kashmir valley.

Kundan Kashmiri, President KPC paid his rich tributes to the martyrs, demanded that a thorough probe be conducted into all these killings in particular to three major massacres of Wandhama, Nadimarg and Sangrampur, should be booked without any further delay and punish to those who were responsible for the gruesome killings which

would be also the real tribute to their victim

The KPC President while recalling the incident said that during the intervening night of January 24 and 25, 1998 around a big group of militants descended on village Wandhama, Ganderbal and lined up Kashmiri Pandits and killed all the 23 Kashmiri Pandits. These included ten males, nine females and four children adding that even infants were not spared.

He said it is quite perplexing that every case pertaining to the Kashmiri Pandit killings in Kashmir has been closed for want of evidence and the perpetrators remain unidentified and it is unfor-

tunate that the investigations seems to have deliberately sabotaged to let culprits go unpunished and roam free.

He further stated that various FIRs were filed in different police stations regarding killing of Kashmiri Pandits, but till date not a single killer has so far been arrested for killing of hundreds of innocent Kashmiri Pandits.

Kundan Kashmiri further strongly demanded that one place settlement with writ of Indian for Kashmiri Pandits in the valley is the only viable and permanent solution to rehabilitate them and to initiate confidence measures to heal their wounds.
