# Dazzling drones, projection mapping show add colour to 'Beating the Retreat'

## ■ STATE TIMES NEWS

NEW DELHI: As a cold zephyr blew across the historic Vijay Chowk, multiple colours dotted the sky with around 1,000 drones taking flight, a projection mapping show with myriad hues depicted the country's 75 years of independence and foot-tapping tunes filled the air, marking another colourful Beating the Retreat ceremony on Saturday.

From the drones show to projection mapping show, this year's ceremony also presented quite a few firsts.

For the first time in more than 70 years, popular and favourite hymn of Mahatma Gandhi 'Abide With Me' did not echo at the Vijay Chowk, where dignitaries and people, wearing masks gathered amid pandemic clouds.

The hymn was replaced by the popular patriotic song 'Ae Mere Watan Ke Logon', which was written by Kavi Pradeep to commemorate the supreme sacrifice made by Indian soldiers during the 1962 Indo-China war.

This year's ceremony was conceptualised, designed, produced and choreo-

graphed under the Make in India' initiative. Written by Scottish Anglican poet and hymnologist Henry Francis Lyte back in 1847, 'Abide With Me' had been part of the Beating the Retreat ceremony since 1950. The hymn was dropped by the government on the grounds that playing more Indian tunes would be appropriate in view of the 'Azadi ka Amrit Mahotsav', a move that has been criticised by Opposition parties.

All said, the sky dazzled with drones, fabricated through indigenous technology, as the show lasted for around 10 minutes along with synchronised background music.

A projection mapping show to commemorate 75 years of independence on the walls of North Block and South Block, added colours to the ambience.

Foot-tapping music by the bands of Indian Army, Navy, Air Force and Central Armed Police Forces (CAPF) filled the air. They also stood in various formations.

The entry band played the Veer Sainik' tune, followed by Pipes & Drums Band, CAPF Band, Air Force Band, Naval Band,

Army Military Band and Massed Bands.

Commander Vijay Charles D'Cruz was the principal conductor of the ceremony.

To celebrate the Azadi ka Amrit Mahotsav', new tunes were added to the ceremony. These included Kerala', Hind ki Sena' and Ae Mere Watan Ke Logon'.

President and Supreme Commander of the Armed Forces Ram Nath Kovind, Prime Minister Narendra Modi, Defence Minister Rajnath Singh, Army chief Manoj Mukund Naravane, Navy chief Admiral R Hari Kumar and Air Force chief Air Marshal V R Chaudhari and various other dignitaries were present at the ceremony.

The drone show was organised by the startup Botlab Dynamics' and supported by Indian Institute of Technology (IIT) Delhi and the Department of Science & Technology.

A centuries-old military tradition, Beating the Retreat dates back to the days when troops disengaged from a battle at sunset. As soon as the buglers sounded the retreat, the troops ceased fighting, sheathed their arms and

withdrew from the battlefield.

The custom of standing still during the sounding of retreat has been retained to this day. Colours and standards are eased and flags lowered at retreats.

And drumbats recall the days when troops, billeted in towns and cities, were recalled to their quarters at an appointed time in the evening.

Those present to witness the ceremony carried eco-friendly invitation cards.

The cards had been prepared with the seeds of medicinal plants of Ashwagandha, Aloe Vera and Amla embedded in it. People are being encouraged to plant those in their gardens/flower pots and reap the age-old medicinal benefits, according to the defence ministry.

With a note of serenity, Sare Jahan se Acha' song concluded the event and the gathering slowly dispersed.

The Beating the Retreat ceremony marked the end of Republic Day celebrations that started this year a day early with Parakram Divas on January 23 to mark birth anniversary of Subash Chandra Bose.

## India reports over 2.35 lakh COVID cases, 871 fatalities

## ■ STATE TIMES NEWS

NEW DELHI: With 2,35,532 people testing positive for the coronavirus infection in a day, India's total tally of cases increased to over 4.08 crore, according to the Union Health Ministry data updated on Saturday.

The death toll has climbed to 4,93,198 with 871 fatalities reported during the 24-hour period, the data updated at 8 am showed.

The active cases decreased by 1,01,278 to reach 20,04,333 -- 4.91 per cent of the total infections -- while the country's recovery rate stands at 93.89 per cent, the ministry said.

The daily positivity rate was recorded at 13.39 per cent, while the weekly positivity rate was 16.89 per cent, according to the health ministry.

The number of people who have recuperated from the disease surged to 3,83,60,710, while the case fatality rate was recorded at 1.21 per cent, the ministry said.

After the Saturday update, the total number of infections stands at 4,08,58,241, it said.

# SC committee monitoring Pegasus matter; report awaited: Govt

## ■ STATE TIMES NEWS

NEW DELHI: A government source on Saturday said that the matter related to Pegasus software is being monitored by a committee under the Supreme Court and its report is awaited. The source said that the inquiry committee -- set up under the supervision of retired Supreme Court judge R V Raveendran -- has also published a newspaper advertisement on January

2 calling for submission of phones by people who claim their devices were infected by Pegasus.

"Matter (is) already with the Supreme Court. The court has constituted a committee under the supervision of retired judge Raveendran. The committee's report (is) awaited," the source said. According to a report in The New York Times, the Israeli spyware Pegasus and a missile system were the "center-

pieces" of a roughly USD 2-billion deal of sophisticated weapons and intelligence gear between India and Israel in 2017.

Opposition party Congress launched an all-out attack on the government following the New York Times report, accusing it of deceiving Parliament, duping the Supreme Court, hijacking democracy and indulging in treason, after a media report claimed India bought the Pegasus spyware from Israel as part of a defence deal in 2017. The Congress said it intends to raise the issue in the budget session starting next week and will demand accountability from Prime Minister Narendra Modi and the BJP government on the floor of Parliament. The principal opposition party also urged the

Supreme Court to take suo motu cognisance of the matter and initiate appropriate penal proceedings against the government for attempting to deliberately and knowingly "deceive" it.

The shadow of the Pegasus issue looms large again over the 2022 budget session as the entire Monsoon session of 2021 was washed out after the Opposition had jointly stalled the proceedings over the issue.

A massive controversy erupted last year when the NSO Group hit the headlines with the alleged use of its Pegasus software by some governments to spy on journalists, human rights defenders, politicians and others in a number of countries, including India, triggered concerns over issues relating to privacy.

## India's COVID vaccination coverage crossed 165.6 Cr: Govt

## ■ STATE TIMES NEWS

NEW DELHI: India's COVID-19 vaccination coverage has crossed 165.6 crore with more than 53 lakh vaccine doses administered on Saturday, the Union health ministry said.

The daily vaccination tally is expected to increase with the compilation of the final reports for the day by late tonight, the ministry said.

Cumulatively, 53,96,51,188 first doses have been administered to those in the 18-44 age group and 40,19,58,479 second doses have been given in the same age group since the start of phase-3 of the vaccination drive, according to health ministry data.

It said that cumulatively, 93,87,16,725 first doses have been administered while 70,57,49,826 second doses

have been administered.

India's COVID-19 vaccination coverage crossed 165.6 crore (1,65,60,85,526) on Saturday and more than 53 lakh (53,47,810) vaccine doses have been administered till 7 pm. In the age group of 15-18 years, 4,55,48,237 doses have been administered.

More than 1,16,18,975 precaution doses for the identified categories of beneficiaries for vaccination have been administered so far. The daily vaccination tally is expected to increase with the compilation of the final reports for the day by late tonight, the ministry said.

The vaccination exercise as a tool to protect the most vulnerable population groups in the country from COVID-19 continues to be regularly reviewed and monitored at the highest level, it underlined.
