

Doda Admn holds 1st session of 'DC Online' grievances redressal Programme

DC Doda, Vishesh Paul Mahajan listening to public grievances virtually.

STATE TIMES NEWS
DODA: The first of its kind, an open online platform, to listen to the public grievances, issues and aspirations under the ADBHUT Doda initiative with the title 'DC Online' was started today by the District Administration Doda.

Deputy Commissioner, Vishesh Paul Mahajan listened to the grievances of the people from 5 pm to 6 pm. The programme forms a part of the ADBHUT Doda initiative which aims at providing quality services to the public in a prompt and transparent manner.

The DC Online programme will be held regularly on every Tuesday and Friday from 5 pm to 6 pm. The participants can log in between 5 pm to 5:15 pm for projecting their genuine grievances.

Army organises mock test for Agnipath scheme

STATE TIMES NEWS
DODA: To motivate youth for enrolment through Agnipath scheme, Indian Army organised a Mock test written in District Doda. A large no of youth attended the test. The test was organised under the regularly conducted motivational series for youth by the Indian Army. The purpose of organised test was to motivate youth to enrol through Agnipath scheme launched by the Indian Government. Post this stint of four years,

the Agniveers will be infused into the civil society where they can contribute immensely towards the nation building process. The mock test was a noble undertaking by the Indian Army to motivate the youth of our district, further strengthening the bond between the Indian Army and the people. The participants had glowing reviews and feedback for the event with many hoping such an undertaking to be conducted regularly.

KVK Reasi provides Agromet Advisory Services to farmers

STATE TIMES NEWS
REASI: Krishi Vigyan Kendra (KVK), Reasi under the aegis of Sher-e-PD&SJ Kulgam condoles demise of Sr Adv Mohd Yaqub Bhat

STATE TIMES NEWS
KULGAM: The Principal District and Sessions Judge (PD&SJ) Kulgam, Mohammad Ashraf Bhat on Friday convened a condolence meeting through virtual mode on the sad demise of Senior Advocate Mohammad Yaqub Bhat of Kulgam, who left for heavenly abode on 10th January, 2023.

The meeting was attended by the judicial officers and other judicial employees of the district judiciary Kulgam. The attendees expressed their deep sorrow on the sad demise of Advocate Mohammad Yaqub Bhat.

The PD&SJ threw light on the deceased's role as a lawyer.

He said Bhat was actively practicing at court complex Kulgam till 2006 and was in practice for more than 50 years.

The deceased had also served as the member of erstwhile State Legislative Assembly for Kulgam Constituency.

The PD&SJ while offering heartfelt sympathies and condolences said that their thoughts and prayers are with the bereaved family. He prayed and hoped that the family is able to draw strength in this hour of grief and prayed for the departed.

He said that it is unfortunate that the entire district Ramban which is a high prone snow zone and witnesses heavy snowfall during winters has not even a single snow cutting machine nor snow vehicles, ploughs, cutters, and front-end loaders.

He said the entire district Ramban and Gool receive heavy snowfall and several villages

remain cut off from the district headquarters for many days during the frosty winter due to the heavy accumulation of snow.

"Some areas like Mahu-Mangit, Neel, Pogal, Maligam, Paristan, Sarachi receive six to eight-feet snow, and due to lack of the snow clearance machinery the administration fails to open the snow-lagged roads in these areas for several weeks. He said that the administration should procure snow cutters and other snow clearance machinery for district Ramban.

Appealing LG administration to undertake snow clearance works under the MGNREGA (Mahatma Gandhi Employment Guarantee

Act, 2005) so that the snow is cleared faster and villagers also earn an income, Shaheen said that there aren't enough snow clearing machines in the district Ramban and often JCBs hired from local contractors are pressed into service, which doesn't solve the purpose as tens of thousand villagers in the snow bound areas remain cut off due to heavy snowfall in the region and a lack of timely snow clearance.

He added that most of the work covered under the Mahatma Gandhi National Rural Employment Guarantee Act (NREGA) often comes to a halt in hilly areas during the winter. This leaves most rural labourers

unemployed for several months.

He further said that it is a common practice during heavy snowfalls that dozens of medical emergencies had to be shifted to hospitals on charpoys, stretchers, tractors or JCBs as most of the roads remain blocked in snowdrifts.

People have to often carry the ailing as no JCBs can reach their villages, through knee-deep snow and treacherous pathways.

He has demanded that the government should consider bringing snow clearance in remote areas under the ambit of MGNREGA and utilise funds for snow clearance to provide relief to the people in the harsh and hostile winter months.

The campaign began with sensitisation and cleanliness of all passenger vehicles of the district. Stressing on following safety rules, the Team ARTO Samba educated the drivers about the significance of wearing seat-belts; avoiding use of mobile phones, drug consumption and other distractions while driving. The Drivers were advised to incorporate good driving practices for driving Commercial vehicles. The team also distributed pamphlets among drivers to raise awareness of road safety. Reflective stickers were affixed on vehicles during the campaign. ARTO Samba, Rehana Tabassam, MVI Vikas Srivats, MVTA Darshan, other Officials of ARTO Samba, representatives of Transport Unions, and drivers were present on the occasion.
