### 885 compassionate appointments testimony to our commitment to ensure families of martyrs, hardworking employees live life of dignity: LG

JAMMU: Soon after the launch of an e-bus service in Jammu by Home Minister Amit Shah through video conferencing from New Delhi, Lieutenant Governor Manoj Sinha on Thursday expressed gratitude to him for giving highest priority to overall progress of J&K U.T. He said the 100 e-Buses dedicated to the people of the UT today will transform smart mobility in Jammu city and connected areas, and improve quality of life for the citizens. Today, 885 compassionate appointment letters were released, which is a testimony to our commitment to ensure families of martyrs and hardworking employees live a life of dignity, the Lt Governor said. He assured the people of Jammu Kashmir to fast track the process of the compassionate appointments of the remaining cases. "It is our commitment to wipe tear from every eye and ensure happy and successful life for every family," he said. On the occasion, the Lt Governor highlighted the efforts of the UT Administration towards socio-economic empowerment of every section of the society, especially the youth of Jammu Kashmir. He said the

NEW DELHI: India's ancient wisdom can help the world find a way out of the global environmental crisis, President Droupadi Murmu said on Thursday. In her address to the nation on the eve of the 75th Republic Day, she noted that the global community has appreciated India's emphasis on individual behaviour change for dealing with the issues of climate change. "India's ancient wisdom can also help the world find a way out of the global environmental crisis. I am glad to see India at the forefront of promoting renewable sources of energy and taking a leadership position in glob-

al climate action. India has launched the 'LiFE Movement' for adoption of an environment-conscious lifestyle," she said. "The global community has

appreciated our country's emphasis on individual behaviour-change for dealing with the issues of climate change. People everywhere can and must contribute by bringing their lifestyle in

tune with Mother Nature. "That will not only help save the planet for the generations to come but will also enhance the quality of life," the President added. The President exuded confidence that the extraordinary performance of the Indian economy witnessed in recent years will continue in 2024 and beyond. The Indian economy grew by 9.1 per cent in 2021-22 and 7.2 per cent in 2022-23. The economy is projected to record a growth of 7.3 per cent in the current financial year. India has remained the fastest-growing major economy in
