**STATE TIMES NEWS**  
JAMMU: The Assessment Cell of the State. Council of Educational Research and Training (SCERT), Divisional Office, Jammu, orchestrated a profoundly impactful 3-Day Continuous Professional Development Programme (CPD) for the preparation of Holistic Progress Card—an innovative tool of Assessment, held from 20th to 22nd January, 2025.

The programme brought together a cohort of fifty notable participants, including DIET faculty, masters, and teachers across Jammu Division.

The objective of the programme was to equip participants with the requisite expertise to design and implement the Holistic Progress Card (HPC) as a transformative assessment framework that captures the cognitive, emotional, psychomotor, and social dimensions of student development.

The event was inaugurated with the sacred ritual of lamp lighting led by Joint Director, SCERT, Divisional Office, Jammu, Prof. Dr. Sindhu Kapoor, joined by the Guest of Honour, Sunita Sambyal, principal DIET Reasi, along with all the Academic Unit Heads, Coordinator, and participants.

This symbolic gesture heralded the beginning of a journey toward transformative educational practices. The day's proceedings began with a cordial welcome address by Dr. Neeraj Jandial, Associate professor, setting an enthusiastic timbre.

This was followed by an overarching overview presented by the coordinator of the programme Rakesh Chobber, delineating its role in fostering a 360-degree appraisal of student growth, and nurturing the potential of every student in the education system.

A special moment of the day was marked by the encouraging message of Sunita Sambyal, who underscored that the shift toward competency-based assessments would be piv-

otal in nurturing future generations with the necessary skills and values to thrive in a dynamic world. In her inaugural oration, Joint Director, SCERT, emphasized the significant role of HPC in empowering educators to assess students in a more comprehensive and dynamic manner, aligning with the core values of NEP 2020.

Over the period of three days, seven exquisitely formulated sessions were conducted on various domains including Concept of School-Based Assessment, Overview of HPC and its role in innovative assessment, HPC for Foundational, Preparatory and Middle Stage, Framework of Competency based items and Assessment across different boards by eminent experts with practical acumen including Rajesh Hali, Rakesh Kumar Chobber, Bindia Balwal, Associate Coordinator, Dr. Sunita Sharma, Shahnawaz Gani and Tariq Tariq Mahmood. The participants engaged in hands-on creation activities for the Holistic Progress Card (HPC), where they collaborated to design the assessment rubrics and tools, considering a wide array of student competencies.

The Coordinator of the Programme was supported by a synergistic team including Dr. Sandeep Singh, Dr. Bhuvi, Dr. Balgar Singh, Dr. Sunita, Rohit Sharma, Manu Vasudeva, Shazia Koser, Arsh Kour, and Lakshmi Puri, who moderated the whole programme. The event concluded with a valedictory function, where certificates were awarded to the participants. A formal vote of thanks was presented by Tahira Parveen Shawl, Associate Professor, Head, AU-III.
