

Gazanfar announces establishment of stadium, swimming pool at Samba

► Director Sports, DDC Samba inaugurate annual athletic meet

► 'Sports best medium to save youth from social evils'

Director Sports, Gazanfar Ali being presented a memento during the inaugural ceremony of athletic meet in Samba.

STATE TIMES NEWS
SAMBA: While adhering to the SOPs and other allied government guidelines amid COVID pandemic, the Director Youth Services and Sports, Gazanfar Ali along with District Development Commissioner (DDC) Samba, Anuradha Gupta inaugurated annual athletic meet in an impressive, colourful and well attended function at Sports Stadium, here on Friday.

The dignitaries formally declared the event open by lighting the ceremonial lamp.

The athletic extravaganza, in which 1008 student athletes, including 548 girls are taking part, is being organised by the District Youth Services and Sports

Office Samba, under the overall supervision of DYSSO Samba, Kiran Jyoti.

The budding athletes are being guided by a panel of experts drawn from the field staff of the Department of Youth Services and Sports.

Speaking on the occasion, both the dignitaries laid stress on mass participation to involve more and more youth in nation building.

The Director Sports said that sports and allied activities are the best medium to help youth not to fall prey to drugs and other social

evils, thus helping them not to derail from the mainstream.

He said to check the drug menace in the society holding such events are very much important.

Director Sports further said that sports builds cammoiedi and provides opportunity to youth to make friends and exchange culture.

On the participation of girls, DDC Samba said that women empowerment is the need of the hour, adding the events like this is a step forward in this regard.

On the occasion, Gazanfar Ali announced establishment of one more stadium and a swimming pool at District Samba.

Chief Education Officer

Kathua, Omkar Sharma was also present on the occasion, who was instrumental in helping the organisers in mass participation of athletes drawn from various institutions.

Earlier, Kiran Jyoti presented welcome address, and welcomed the dignitaries, guests and participating athletes for being part of this mega event.

She advised the young athletes to show discipline and play with sporting spirit.

Meanwhile, today on the inaugural day of the event, Siddharth Sharma clinched gold in Under-17 1500 meters race, while Sujal Chib and Charanjeet Singh claimed silver and bronze medal respectively.

Harmanjot of JPS wins Best App Idea Award

► STATE TIMES NEWS

JAMMU: Harmanjot Singh, a brilliant grade 9 student of Jodhamal Public School (JPS) won the Topper Best App Idea Award and was adjudged as Best Theme Award Winner for his new remarkable Internet of Things (IoT) Application Venture on Healthcare in the first ever National Youth Ideathon 2021 Competition, organised by Ministry of Skill Development and Entrepreneurship in collaboration with CBSE and MPEC (Management & Entrepreneurship and Professional Skills Council) which comes under Skill India.

He has innovated a novel wearable biomedical device himself, which integrates both embedded hardware and software technology using smart unobtrusive sensors, advanced Machine Learning Algorithms and is controlled by a nano microchip.

The device is connected through wireless technology using the next gen Microchip ECC608 crypto chip to a cloud based mobile application developed by Harmanjot Singh which is already published on Play Store.

The device aims for a social cause to uphold the mental wellness of the people. Pertinent to mention, he was the only one selected from Jammu and Kashmir in the Top 10 Finalists amongst the 62000+ participants across India and Middle East after multiple rigorous rounds of tasks, challenges and long pitch interviews by the panel of experienced and seasoned judges.

Harmanjot Singh of JPS receiving award.

The Award Ceremony was held on 20th November at Convocation Hall, Indian Institute of Technology, Delhi (IIT Delhi) where Harmanjot Singh presented his final pitch with his research paper published in International Journal of Advance Research, Ideas and Innovations in Technology, which is very unique and impressive.

Usually Research Scholars studying in Universities get their papers published in that exclusive Journal.

Harmanjot was thus awarded with Best App Idea Trophy and cash prize of Rs 25,000 along with incubation and mentor support.
