

NC, Cong, PDP exploited people of Rajouri-Poonch: Ravinder

■ STATE TIMES NEWS
POONCH: Gujjars-Bakerwals and Pahari Tribal Suffered for last 70 years because of selective discrimination done by NC, Congress and PDP.
This was stated by J&K BJP President Ravinder Raina during a massive public rally at Mandi in Poonch District.
Raina was also accompanied by BJP General Secretary Vibodh Gupta, State Executive Member Devinder Rana, Mohd. Iqbal Malik, District President Mohd. Rafiq Chishti, Ex. MLC Pradeep Sharma, Sunil Gupta, Shahzad Khan, Gurdeep Singh Khalsa and other party leaders.
Ravinder Raina while addressing the massive rally said that no development

J&K BJP President Ravinder Raina along with State Executive Member Devinder Rana and others during a public rally at Poonch.

was done in Rajouri and Poonch by NC, Congress and PDP. He said that these parties only misused the power of democracy to fill up their own pockets and cheated people on the name of region and religion. He stressed that only Modi Govt. did justice with the people of Rajouri and Poonch and the people are benefitted by the true public

oriented policies of Prime Minister Narendra Modi led Union Government.
Adv. Vibodh Gupta said that the justice has been served to the Paharis, Gujjars and other communities under the present dispensation whether one talks of political empowerment, reservation or ground development. He insisted that BJP's model of development

doesn't makes any difference based on one's region or religion.
Devender Singh Rana said that the BJP is committed and determined to make all mountainous and hilly areas of Jammu and Kashmir part of the growth story unfolded by the Union Government. Rana demanded special recruitment drive in police and para military forces for

the unemployed youth of LoC and border areas and also sought creation of special employment avenues for the youth of the border areas of J&K. "All regions, irrespective of religion or caste shall get a fair deal in development and jobs with no region having hegemony over the other as we are for equitable development of all regions and sub-regions". he maintained.
Iqbal Malik said that Pahari population is a Nationalist group who contribute positively in the Nation's progress. He pressed for the provision of ST status to Paharis.
Mohd. Chishti also laid stress on the provision of ST status to Pahari population. Pardeep Sharma and Sunil Gupta also spoke on the occasion.

Govt GLDM Degree College Hiranagar celebrates 'National Energy Conservation Day'

■ STATE TIMES NEWS
HIRANAGAR: On the occasion of National Energy Conservation Day Department of Physics, Govt. GLDM Degree college Hiranagar, organised a webinar under the aegis of "Azadi Ka Amrit Mahotsav" on the themes "Energy Efficient India" and "Cleaner Planet". The event was organized in collaboration with Internal Quality Assurance Cell of the college. The resource person on the occasion was Dr. Ajit Kumar Sharma, Associate Professor, Deptt. of Chemical Engineering and Physical Science, Lovely Professional University, Punjab.
The webinar started with the welcome address by Prof. Ajay Kumar Sharma, HOD Physics of the college. Prof. Sujat Khan, Incharge Principal and coordinator NAAC congratulated the faculty of the Physics department for organizing the webinar and shared his words of wisdom. He emphasized the need of energy conservation and the role of society for cleaner planet. The resource person, Dr. Ajit Kumar Sharma, an alumnus of IIT Kanpur and University of Allahabad, is working on the development of Green Innovation Technology and has about 04 US grant patents, 05 international patents and about 50 SCI research publications to his name. In the webinar, he stressed upon the need of alternative sources of energy and the replacing the non-renewable sources of energy by renewable ones. He deliberated that the most important component of being an environmentally responsible consumer is to Reduce, Reuse and Recycle. The webinar very well described the need of improving the energy efficiency so that the goal of cleaner and greener planet may be achieved. The formal vote of thanks was presented by Dr. Preeti Verma.

Tourist destinations across Kathua district have potential to boost J&K's economy: Col Mahan

■ STATE TIMES NEWS
KATHUA: The tourist destinations across Kathua district have the full potential of boosting J&K's economy. However, there is dire need to develop these destinations in order to attract maximum tourist footfall as well as generating new employment opportunities for the youth of the Union Territory.
This was stated by Chairman District Development Council (DDC) Kathua, Col Mahan Singh while chairing a review meeting of tourism projects at DDC Council office today. In the meeting, Vice Chairman Raghunandan Singh, DDC members Dr Shaveta, N.D Tripathi, Bikram Singh, Abhinandan Sharma,

Chairman DDC Kathua, Col Mahan Singh chairing a meeting.

Sandeep Majotra, Tourism officers D.C Bhatti, CEO Lakhanpur Sarthal and District Tourism Officer, Dr Rakesh Khajuria and staff were present.
The DDC Chairman laid emphasize for development of tourism infrastructure in the entire Kathua District. He asked the tourism officials to

prepare tourist destination specific plan and time bound completion of projects keeping in view the quality of work done.
Col Mahan highlighted the potential of different types of tourism in Kathua District such as religious tourism, Adventure tourism, water sports activities, golf tourism

& mesmerizing scenic views, especially in hilly region. Stressing upon the need of the hour being development of the area, he said that there is a dire need to promote these destinations along with other such unexplored tourist destinations to increase the footfall of tourists in the Union Territory of Jammu and Kashmir.
Col Mahan said that the Tourism Department must formulate fast track policies to develop these destinations from the tourism point of view. It needs to be realized by all the stakeholders that once the task of development is accomplished in the shortest possible time span, these are going to play a vital role in equitable boosting of the

economy across the length and breadth of the J&K Union Territory, he added.
The DDC Chairman emphasized that if these unique tourist destinations are developed properly they can match any popular tourist destination in the country. He said that BJP Government at the Centre is fully sensitive towards the development of Jammu and Kashmir.
"Central Government headed by Prime Minister Narendra Modi is working with the agenda of holistic development of all the regions of the Union Territory of Jammu and Kashmir, besides putting in concerted efforts to meet the developmental aspirations of the people," he said.

■ STATE TIMES NEWS
P U R M A N D A L : Government Degree College, Purmandal under the headship of Prof. Shahima Akhter (Department of Environmental Sciences) organised poster making and slogan writing competition to celebrate 'National Energy Conservation Day'. The students adjudged first, second and third in the competition were Rukhsana Akhter, Priya Devi and Ajit Singh of B.A. Semester 3rd. On the occasion, worthy Principal of the college Prof. Seema Mir in her address to the students stressed that the most precise way to conserve energy is to use less energy through reducing energy waste and energy conservation should be entrenched in every human's behavior in order to store it for future use.

GDC Gool conducts cleanliness drive

Students carrying out cleanliness drive.

■ STATE TIMES NEWS
GOOL: Under Azadi Ka Amrit Mahotsav Cell, Govt. Degree College Gool conducted a cleanliness drive at Badi spring in the vicinity of college on Tuesday. Principal Prof (Dr.) TK Sharma laid bare the importance of local natural water resources in this water deficient area. He encouraged students to initiate more such activities as definitely it will have a spillover effect because actions speak louder than words. Convener Azadi Ka Amrit Mahotsav Cell Professor S.A Ganai (HOD English) and the other faculty members including Prof. Mushtaq ahmad bhat (HOD Political science), Prof. Jatinder lal (HOD Education), Prof.Zafar Hayat (HOD Arabic) were also present on the occasion. The team Head Mrs.Aisha (Lecturer in E.VS) acquainted gathering about the devastating effects of dumping waste polythene throwing housing drainage into these fresh water bodies and sensitized pupil about their role in preservation of ecosystem. As water pollution has become cause for different contemporary human diseases, a more proactive approach is required to deal with it. The student community enthusiastically removed a huge quantum of weeds and other impure substances from the said spring.

GDC Kalakote observes river cleaning activity

■ STATE TIMES NEWS
KALAKOTE: NSS unit of GDC Kalakote in collaboration with Department of Environmental Sciences and EBSB to commemorate Azadi Ka Amrit Mahotsav started "Seven Day Special winter camp (13-12-2021 to 20-12-2021)" for NSS volunteers of the college following the SOPs and COVID-19 protocols under the insightful guidance of the Principal (GDC Kalakote) Dr. Romesh Kr. Gupta.
The Second day of the special camp started with NSS song followed by National Anthem. Dr. Romesh Kr. Gupta, Principal of the college addressed the assembly and appraised them for playing their part in saving our natural resources and being a role model to the society. From there the NSS volunteers went to Chainpuro cover river (Tawi) accompanied by NSS members of the college. NSS PO

Miss Priyanka Kumari boosted NSS volunteer for doing their job as a part of community service by sensitizing the masses by restoring the river quality. The Volunteers carried out this cleanliness drive by the cleaning the river side, taking out all the garbage and plastics thereby disposing it off. The slogans related to the theme were displayed by the NSS Volunteers to spread awareness on the necessity of clean water. Rivers are the lifeline of any civilization and polluting it means extinction of the civilization. World is facing water crisis therefore it is the need of hour to save and protect our rivers from any kind of harmful substance and pollutants which affects the quality of water. Principal of the college Dr. Romesh Kr. Gupta appreciated the organising committee for initiating such fruitful activities in the college. The students were provided with refreshment in the end.
