Poem — The sky

Among the grass I love to lie,
And watch the soft clouds passing by.
Many pictures there I see,
Altough far from me.

So clear and white,
As I see from the site.
On the rugged mountain's crests,

White birds seeking their nests.

Over the bright sunset bars,
Fairylands most surely are.
With the golden lakes,
Over the sun flakes.

Poem — Life is a beautiful dream

Life is full of struggle,
We face too much trouble
Don't take too much stress,
Make your mood refresh.

Life is a long journey,
So spend it with ceremony,
Enjoy every little moment,
Try to give your hundred percent.

Life has so many colour,
Put every colour with fervour,
Each colour teaches you something,
Take it easy and stop overthinking.

Life is a feeling, an emotion,

Don't make it a dealing,
Listen to your heart,
And live it like an art.

Life is a vehicle,
Which shows you obstacle,
So don't let yourself weak,
And try to reach at the peak.

Life is a beautiful dream,
Enjoy it like a gleam,
Fulfill it with sweet memories,
And treat it like your own families.

CAREER AID

Advertising

Advertising is the means of informing as well as influencing the general public to buy products or services through visual or oral messages. A product or service is advertised to create an awareness in the minds of potential buyers. Some of the commonly used media for advertising are T.V., radio, websites, newspapers, magazines, bill-boards, hoardings etc. As a result of economic liberalization and the changing social trends advertising industry has shown rapid growth in the last decade.

Advertising is one of the aspects of mass communication. Advertising is actually brand-building through effective communication and is essentially a service industry. It helps to create demand, promote marketing system and boost economic growth. Thus advertising forms the basis of marketing.

Advertising plays a significant role in today's highly competitive world. A career in advertisement is quite glamorous and at the same time challenging with more and more agencies opening up every day. Whether it's brands, companies, personalities or even voluntary or religious organizations, all of them use some form of advertising in order to be able to communicate with the target audience. The salary structure in advertising is quite high and if you have the knack for it one can reach the top. It is an ideal profession for a creative individual who can handle work-pressure.

Today, new areas are emerging within advertising like event management, image management, internet marketing etc. Event management wherein events are marketed, Image management wherein a particular profile of an individual or an organisation is projected. Internet marketing has also brought about a lot of changes in advertising as Internet means that one is catering to a select group of audience rather than a mass audience.

Educational: Most advertising agencies recruit candidates with a formal management or advertising/mass communica-

tion qualification. Preference is given for MBA's for posts in the market research, client servicing and media planning departments.

In the creative department, on the other hand, a general BA with a command of the language of communication plus knowledge of designing packages like Photoshop, coral draw or fine arts is the requirement.

There are also specialised courses in advertising/mass communication at diploma level and post graduate level for which basic qualification is graduation. However, advertising is also offered as a subject for the graduate degree course in mass communication studies at certain institutions for which minimum qualification is 10+2. In addition there are also certificate courses for which 10+2 is enough.
