

HC grants bail to SE, AEE in bribe case

■ STATE TIMES NEWS

JAMMU: Jammu & Kashmir and Ladakh High Court granted bail to Hilal Ahmad Sheikh, Superintendent Engineer and Predhiman Krishan Koul, Assistant Executive Engineer, who were arrested by CBI in a corruption case.

Justice Mohan Lal after hearing Sr Adv P N Raina and Advocate S S Ahmed for the petitioners, whereas Adv Monika Kohli for CBI observed that for grant or refusal of bail in non-bailable offence, concept of 'personal liberty' as enshrined in Article-21 of Constitution of India is of paramount importance and the general rule is that

'bail is rule' and 'jail an exception'.

Petitioners/ accused are lying in detention for last more than 24 days and presently are in judicial custody and are not required for purpose of investigation any more. "Fundamental postulate of criminal jurisprudence is that an accused is presumed to be innocent till guilt is proved against him. Keeping of petitioners/accused in continuous detention would amount to infringement of their fundamental right to life and liberty which would amount to their incarceration and inflicting pre-trial punishments which is against the mandate of

criminal jurisprudence as punishment can only be inflicted after full flagged trial and after holding the accused guilty. In view of aforesaid discussion, it is amply clear, that there would be no danger of the course of justice being thwarted if petitioners are granted bails. Therefore, bails applications succeed and are allowed.

Accordingly, petitioners are admitted to bails subject to their furnishing one surety bond of Rs. 50,000/- to the satisfaction of Registrar Judicial of the Court with furnishing of personal recognition and inflicting pre-trial punishments which is against the mandate of

Jammu. Before parting, following conditions are imposed upon petitioners that they shall not influence the prosecution witnesses or intimidate them or dissuade them from deposing before the court, shall appear before the trial court on each and every date of hearing during the trial except for special circumstances beyond their control and not leave the territorial jurisdiction of trial court without seeking prior permission from it and in case of any failure, respondent would be within their rights to move an application before the court for cancellation of their bails," the Court observed.

Training course on 'Redressal of Public Grievances for Nodal Officers' inaugurated

■ STATE TIMES NEWS

SRINAGAR: Director General, Institute of Management Public Administration and Rural Development, Saurabh Bhagat, on Monday inaugurated one day training course on "Redressal of Public Grievances for Nodal Officers" here at IMPARD main campus, Srinagar. The programme was organized by J&K IMPARD in the backdrop of "Lieutenant Governor (HLG) Mulaqat Programme" wherein the Lieutenant Governor had observed that while the rising percentage of disposal of grievances by various departments of the UT was laudable, efforts are required to

be made by all the departments to ensure quality disposal of grievances or else the spirit behind setting up J&K Integrated Grievance Redressal and Monitoring System (JKIGRAMS) would

be violated. Director General, while speaking on the occasion, underlined the need for proper orientation and training of Nodal Officers so as to build their capacity to ensure time-

ly and qualitative disposal of public grievances. He highlighted the role of Right to Information in fostering a culture of transparency in India which was soon replicated in J&K.
