GST Council to...

on December 31 in Delhi, an official said, adding that it will be an extension to the pre-budget meeting with state finance ministers on December 30.

The Group of Ministers (GoM) on rate rationalisation will submit report to the Council. The panel has reviewed items under an inverted duty structure to help minimise refund payout.

Besides, the Fitment committee, comprising tax officers from states and the Centre, has made many "sweeping" recommendations to the GoM regarding slab and rate changes and taking items out of the exemption list.

Currently, GST is a four-tier slab structure of 5, 12, 18 and 28 per cent. Essential items are either exempted or taxed at the lowest slab, while luxury and demerit items attract the highest slab. On the top of the highest slab, a cess is levied on luxury and demerit goods.

There have been demands for merging the 12 and 18 per cent slabs as also taking out certain items from the exempt category to balance the impact of slab rationalisation on revenue.

West Bengal's former finance minister Amit Mitra has urged the Union finance minister to roll back a proposed hike in textile from 5 per cent to 12 per cent saying this would lead to closure of around one lakh textile units and 15 lakh job losses.

Telangana Industries Minister K T Rama Rao has also urged the Centre to withdraw its proposed plan to increase GST rates.

Industry has also opposed the rise in tax from five per cent, citing higher compliance cost especially for the unorganised sector and MSMEs besides making the poor man's clothing expensive.

Modi to release...

the money transfer is in line with Modi's continued commitment and resolve to empowering grassroots farmers.

Under the scheme, a financial benefit of Rs 6,000 per year is provided to eligible farmer families, payable in three equal four-monthly installments of Rs 2,000.

The fund is transferred directly to the bank accounts of the beneficiaries. In this scheme, an amount of Rs 1.6 lakh crore has been transferred so far.

During the programme to be held through video-conference, the prime minister will also release equity grant of more than Rs 14 crore to about 351 Farmer Producer Organizations (FPOs), which will benefit over 1.24 lakh farmers. He will also interact with FPOs during the event and deliver a speech as well.

NIA files charge...

co-conspirators for the supply of heroin and channelising the proceeds of the sale of narcotics, the official said.

Nasir, a Pakistan-based trafficker, was involved in the smuggling of heroin into India in the garb of export of rock salt granules through Attari border; the NIA official said, adding that further investigation in the case continues.

J&K sees over...

according to the officials. Fourteen patients were discharged from hospitals, taking the total number of recoveries to 20,707, they said. Another 1,092 sample reports in Ladakh showed negative results, they said.

IT Deptt relaxes...

can send a physical copy of the ITR filed to the Centralised Processing Centre (CPC) office in Bengaluru.

If the verification process, which is done through ITR-V form, is not complete, then it is considered that the return has not been filed.

The Central Board of Direct Taxes (CBDT) in a circular dated December 28, said a large number of electronically filed ITRs for the Assessment Year 2020-21, still remain pending with the Income Tax department for want of receipt of a valid ITR-V Form at CPC, Bengaluru or pending e-Verification from the taxpayers concerned.

"In respect of all ITRs for Assessment Year 2020-21 (fiscal 2019-20) which were uploaded electronically by the taxpayers within the time allowed... and which have remained incomplete due to non-submission of ITR-V Form... the Board... hereby permits verification of such returns either by sending a duly signed physical copy of ITR-V to CPC, Bengaluru through speed post or through EVC/OTP modes.

"Such verification process must be completed by February 28,2022," the CBDT said.

This relaxation shall not apply in those cases, where during the intervening period, I-T department has already taken recourse to any other measure for ensuring filing of tax return by the taxpayer concerned after declaring that the return has not been filed, it added.

AMRG & Associates Senior Partner Rajat Mohan said "non-compliant taxpayers would get ample time to come clean and complete the verification process, enabling the tax department to process the returns.

"However, such non-compliant taxpayers would not be compensated for interest for the intervening period under section 244A, as the reasons for delay are attributable to the taxpayer himself."

CBI court summons...

satisfied that prima-facie the accused persons appear to have committed the offence made punishable under Section 420 of RPC read with Section 120- B of Code (Supra) as also for offence under Section 5(2) of J&K Prevention of Corruption Act, Svt, 2006 read with Section 5(1) (d) of the Act (Supra) for which present charge-sheet is laid against them and issued Summons against accused persons and matter is listed accordingly on February 4, 2022 for presence of accused persons and further hearing."

J&K emerges leading...

Education Department while giving information on Wednesday about the development said that a robust and acceptable mechanism is used for measuring performance by NITI Aayog. Data is collected online through a portal maintained by NITI on agreed indicators. The data is then validated through an independent validation agency selected through a transparent bidding process. The importance of this annual tool is reemphasized by MoHFW's decision to link the index to incentives under National Health Mission. This has been instrumental in shifting the focus from budget spending and inputs to outputs and outcomes.

According to the report, the health index comprises three domains -health outcomes, governance and information, and key inputs and processes. In terms of overall health performance, the UT of J&K has moved one position up and is categorized as an aspirant and has substantial scope for improvement, the statement added.

The report was released jointly by NITI Aayog Vice Chairman Dr Rajiv Kumar; CEO Amitabh Kant, Additional Secretary Dr Rakesh Sarwal, and World Bank

Senior Health Specialist Sheena Chhabra. The report has been developed by NITI Aayog, with technical assistance from the World Bank, and in close consultation with the Ministry of Health and Family Welfare (MoHFW).

It is pertinent to mention here that, the Union Territory of Jammu & Kashmir has shown a record improvement in last 3 years in key Maternal and Child health indicators as per the latest report of National Family Healthy Survey (NFHS-5) conducted by International Institute of Population Sciences, Mumbai. "If we compare the achievements in key health indicators recorded in National Family Healthy Survey report (NFHS-5) 2019-20 with the NFHS-4 of 2015-16, J&K has recorded 22 points decrease in Neonatal Mortality Rate (NNMR) from 23.1 to 9.8, 16 points decrease in Infant Mortality Rate (IMR) from 32.4 to 16.3 and 19 points decrease in Under Five Mortality Rate (U5MR) from 37.6 to 18.5, which is unprecedented and is the reflection of health status of general population," the statement added. The report also indicated a positive change towards the girl child in Jammu & Kashmir and recorded improvement in Sex Ratio at birth from 923 to 976 females per1000 males.

Omicron tally in...

than 70 per cent of the deaths occurred due to comorbidities.

"Our figures are being reconciled with the Indian Council of Medical Research," the ministry said on its website, adding that state-wise distribution of figures is subject to further verification and reconciliation.

‘Hindu Swamis’ insulted...

that the perpetrators will "surely" be punished under the law of the land because their statements are not only against the existing legislation but against "the very Constitution itself", they underlined.

"By making such statements they have distorted the great Vedantic principles of common welfare and brotherhood found in the Upanishads which form the true basis of Hinduism, thereby insulting Hinduism itself," they said.

"In a multi-religious, multi-linguistic and multi-cultural nations like India we simply cannot afford hostile and divisive statements from any religion, far less from Hinduism which represents the vast majority in the country," they added.

The foundation advocates for interfaith values in the secular setting of the United Nations in support of peace, justice, human rights, and environmental sustainability.

Intense cold wave...

previous night's 1.4 degrees Celsius.

Qazigund, the gateway town to the valley, recorded the minimum of 0.6 degrees Celsius.

The nearby south Kashmir town of Kokernag recorded a low of minus 0.4 degrees Celsius.

The mercury in Kupwara in north Kashmir settled at a low of 3.2 degrees Celsius. 'Chilla-i-Kalan' is a period when a cold wave grips the region and the temperature drops considerably leading to the freezing of water bodies including the famous Dal Lake here as well as the water supply lines in several parts of the valley.

The chances of snowfall are the most frequent and maximum during this period and most areas, especially in the higher reaches, receive heavy to very heavy snow-fall.

The 'Chilla-i-Kalan' will end on January 31, but the cold wave continues even after that in Kashmir with a 20-day-long 'Chillai-Khurd' (small cold) and a 10-day-long 'Chillai-Bachha' (baby cold).
