

CS reviews RDD's achievements under CSS for FY 2021-22

■ STATE TIMES NEWS

JAMMU: The Chief Secretary, Dr. Arun Kumar Mehta on Monday chaired a meeting to review the progress achieved by the Rural Development Department under various centrally sponsored schemes.

It was informed that under MGNREGA, the Department has registered 98% expenditure against the released amount by generating 170.87 lakh man-days employment through the issuance of 12.41 lakh job cards in the current financial year. The Department has completed 44,509 works and has ensured geo-tagging of 98.67% of works under phase I and 84% of works under phase II.

Under the Rashtriya Gram Swaraj Abhiyan (RGSA), The Department has conducted capacity building training for 37,500 PRI members and 3500 sector enablers, besides undertaking construction and renovation of 41 Panchayat Bhawan. Additionally, 450 elected representatives were also sent on exposure visits outside J&K to study best practices being implemented in PRIs of other States and UTs. The RGSA Programme aims to develop and strengthen the capacities of Panchayati Raj Institutions (PRIs) for rural local governance to become more responsive towards local development needs.

Further, J&K Rural Livelihood Mission has mobilized and linked 6,345 self-help groups (SHGs) to financial institutions and released Rs. 35.97 crore in favour of 4,244 SHGs. Under UMEED, it has covered 976 Mahila Kisan under agro-ecological programme (AEP); 292 Mahila Kisan under livestock assistance and provided 1,443 households with Agri-Nutri gardens. Under Startup Village Entrepreneurship Program

(SVEP), the survey is underway in Rajouri and Anantnag districts for the subsequent rollout of benefits. The Chief Secretary directed the Department to ensure 100% geo-tagging of all assets being created under MGNREGA and PMAY(G), besides developing time-series data to track progression and development under the schemes. The Department was also asked to undertake de-weeding of ineligible beneficiaries under PMAY(G) and close the scheme by December 2021.

The Chief Secretary directed the concerned to display the lists of all developmental works being undertaken in the current financial year at Panchayat Ghars including the expenditure on material and labour.

Dr. Mehta emphasized the creation of a database capturing the necessary information of PRI members and formulation of a mechanism to collect their feedback on completed works in their respective jurisdictions. "Work authentication by the concerned elected representative of the PRI will ensure proper monitoring of various developmental works and strengthen the grass-root democracy, he said".

The Department was asked to ensure the creation of at least 20,000 SHGs and their linkage with various banks and markets.

The Chief Secretary further directed the Department to prepare all village-level sanitation plans by 15th December 2021 and ensure their implementation in convergence with the MGNREGA scheme by developing infrastructure for scientific solid and water waste management and associated biogas generation.

Reviewing the low coverage under the Himayat scheme, the Chief Secretary directed immediate intervention to boost candidate placement

post-training in consultation with the stakeholders.
