

CJ inaugurates residential quarter, lawyers chamber cum utility complex in Pulwama

■ STATE TIMES NEWS

PULWAMA: Chief Justice, High Court of Jammu & Kashmir and Ladakh, Justice Ali Mohammad Magrey, on Tuesday inaugurated six residential quarters for Judicial Officers and 48 lawyers chamber cum utility complex in District Court Complex Pulwama.

Chief Justice also took part in plantation drive organized by District Legal Services Authority Pulwama in collaboration with forest division Pulwama.

Chief Justice along with Justice Rahul Bharti, Judge High Court of Jammu and Kashmir and Ladakh (Administrative Judge for District Pulwama) planted trees in the court complex Pulwama.

Later, Chief Justice inaugurated lawyers chamber cum utility complex in Pulwama.

Naseer Ahmed Dar, Principal District and Sessions Judge Pulwama; Ajaz Ahmad Khan, Principal Secretary to Chief Justice; Gowhar Majeed Dalal, Registrar Judicial; Meraj-Ud-Din Sofi, Additional District & Sessions Judge, Pulwama; Abdul Bari, Joint Registrar Protocol; Jahangir Bakshi Special Mobile Magistrate Traffic Srinagar; Mansoor Ahmad Lone, Chief Judicial Magistrate, Pulwama; Baseer ul Haq Choudhary, Deputy Commissioner, Pulwama; GH Gellani SSP Pulwama; Secretary DLSA, Rayaz Ahmed Choudhary, Advocate

Chief Justice, High Court of J&K and Ladakh, Justice Ali Mohammad Magrey inaugurating six residential quarters for Judicial Officers.

G M Dar, President Bar Association, Pulwama and district officers were also present on the occasion.

Justice Rahul Bharti welcomed Chief Justice and expressed gratitude to him for visiting the District and inaugurating the lawyer chamber and residential quarters.

During his presidential address, Justice Magrey lauded the role of Advocates in justice dispensation.

He said that Pulwama occupies second place in Jammu and Kashmir and Ladakh as far as infrastructure development is concerned. He said that it is a matter of great satisfaction that all requisite facilities are in place in Pulwama Court for the advocates.

Chief Justice said that it feels great to see females lawyers working in such a professional manner.

"Times have gone when parents used to be hesitant in sending their daughters in the field of law", he maintained. We have to strengthen the Judicial system making it accessible to all especially weaker sections of the society, he said adding that we as judges and bar members have to share collective responsibility of ensuring speedy justice to all.

Justice Magrey urged upon the judges to prioritize disposal of old cases pending in the district court. He also asked the Advocates to extend full cooperation to the bench. He said that relationship between bar and bench should be cordial for smooth

running of the system.

Justice Magrey said that one should serve the society in all capacities and try to become voice of voiceless.

Chief Justice lauded the Deputy Commissioner Pulwama for identifying another ten kanal of land for the court complex. Reacting to the request of President Bar Association Pulwama regarding exclusive Juvenile Board and NDPS Court, Chief Justice said that it is the duty of society to take care of our children who are in conflict with law and also to get rid of menace of drugs.

Regarding shortage of judges, he said that the administration is trying its best to fill all the vacancies and full court has recently referred 65 adhoc posts of Munsiffs and the process to fill the same is in progress.

Principal District and Sessions Judge Pulwama, Naseer Ahmed Dar, appreciated Chief Justice for deeply understanding the pain and agony faced by the litigants living in the remote areas of the Union Territory. He also applauded Chief Justice for acceding special emphasis on augmentation and improvement of court infrastructure.

President Bar Association Pulwama thanked Chief Justice and administrative Judge for inaugurating Lawyers chamber and utility complex including library and Bar room canteen. He requested for considering the problem being faced by the stamp vendors.

Workshop on Capacity Building for Management Consulting organised at IIM Jammu

Director, IIM Jammu, B.S. Sahay posing for a photograph with other dignitaries.

■ STATE TIMES NEWS

JAMMU: The Indian Institute of Management (IIM) Jammu organized a workshop on Capacity Building for Management Consulting for the faculty and students at the Institute.

By Prof. K.R. Chari, Dean Students Welfare, Professor of Operations Management and Chairperson Center for Innovation and Entrepreneurship Development (CIED) at Birla Institute of Management Technology.

Both the workshops for faculty and students commenced with the introduction of Prof. K.R. Chari. The workshop was graced by Prof. B.S. Sahay, Director, IIM Jammu, Prof. Jibin Ali, Dean Academics, Dr. Nitin Upadhyay, Chairperson of M.B.A., Dr. Ateeque Shaikh, Chairperson of I.P.M., Dr. Mahesh Gadekar, Chairperson of Executive M.B.A., Dr. Rashmi Ranjan Parida, Chairperson of Admissions, and other faculty of the Institute. This was

followed by a thought-provoking session with the students of IIM Jammu.

For the faculty session, the workshop on capacity building for management consulting revolved around the creation of a winning consultancy proposal and dos & don'ts in Management Consulting. The student session focused on the transition from a linear economy where resources were derived from mother earth, where it was used and then finally discarded. In today's world, he stressed the need to have a circular economy, where ideally recovering from those resources that are already used up will pave the way for a sustainable and green planet. His topics of discussion revolved around Detailed Project Reports (DPR), production size, feasibility, and on the four kinds of living creatures.

Prof. K.R. Chari is a multi-faceted management guru and academician. He is a recipient of the 'National Productivity Champion-2021 for India' award instituted by

the Asian Productivity Organization (APO), Tokyo. He has provided his expert services to more than 200 industrial units and service organizations ranging from large corporations and MNCs to the cottage industry. His services covered Productivity improvement, Cost optimization, Energy Management, Environment management, and Design optimization in products and processes. He has been invited by many international bodies like the Asian Productivity Organisation (APO), UNEP, SIDA (Swedish International Development Agency), UNEP (United Nations Environmental Program), and UNDP, etc. as an expert and panelist at various conferences and seminars. He has also been on many expert committees of various ministries of the Government of India.

The workshop ended on a positive note with a plethora of learnings for the community of IIM Jammu.
