

I trust ‘my friend’ PM Modi to bring us together in order to build peaceful, sustainable world: France Prez Macron

■ **AGENCY**
LONDON: French President Emmanuel Macron on Sunday expressed confidence in India taking over the presidency of the powerful G20, saying he has trust that his "friend" Prime Minister Narendra Modi would bring everyone together to build a peaceful and a sustainable world.

Macron is another prominent world leader to back India's G20 presidency after US President Joe Biden on Friday described India as a strong partner of the US and said that he was looking forward to supporting his "friend" Prime Minister Modi during India's G20 presidency.

India formally assumed the G20 Presidency on December 1.

Sharing a picture of himself and Prime Minister Modi in a tweet, Macron endorsed the theme of "One Earth, One Family, One Future" that

India has chosen to work on during its presidency of the G20.

"One Earth. One Family. One Future. India has taken over the presidency of #G20India! I trust my friend @NarendraModi to bring us together in order to build peace and a more sustainable world," Macron tweeted.

Prime Minister Modi on Thursday said India will work to further promote oneness, inspired by the theme

of "One Earth, One Family, One Future" and listed terror, climate change, pandemic as the greatest challenges that can be best fought together.

India's G20 priorities will be shaped in consultation with not just our G20 partners, but also our fellow-travellers in the global South, whose voice often goes unheard, Modi said in an article which appeared in several newspapers and was posted on his website as well.

India's G20 agenda will be inclusive, ambitious, action-oriented and decisive, he said.

Maldivian President Ibrahim Mohamed Solih had also congratulated Prime Minister Modi and the people of India after New Delhi assumed the Presidency of G20.

"I have every confidence in India's leadership to promote diplomacy and dialogue to build consensus and

find enduring solutions to pressing issues in global affairs," he had tweeted.

The next G20 Leaders' Summit at the level of Heads of State/Government is scheduled to be held on September 9 and 10 in New Delhi.

The G20 or Group of 20 is an intergovernmental forum of the world's major developed and developing economies.

It comprises Argentina, Australia, Brazil, Canada, China, France, Germany, India, Indonesia, Italy, Japan, the Republic of Korea, Mexico, Russia, Saudi Arabia, South Africa, Turkey, the UK, the US and the European Union (EU).

Together, they account for over 80 per cent of the global Gross Domestic Product, 75 per cent of international trade and two-thirds of the world population.

Nation will become 'Vishwaguru' in 25 years, says President

■ **STATE TIMES NEWS**
VISA KHAPATNAM: President Droupadi Murmu on Sunday exuded confidence that the country would become the 'viswaguru' by the time it celebrated the centenary of its Independence (in 2047) with its pride restored.

Addressing the Navy Day celebrations at the Ramakrishna Beach here, the President said India was called great because it was such a country with people full of energy.

"People of India have such energy be it in music, sports, culture, soldiers everyone is marching ahead to take India forward. I am confident by the time India celebrates the centenary of its Independence, it will become the viswaguru and restore its pride," Murmu observed.

She, however, noted that there was a need to bridge certain gaps "so that every Indian can march forward with pride and step into the new and developed India".

The President said the Navy Day reminded one of the need to "rededicate ourselves to taking India forward, transiting through Amrit Kaal, towards a great future".

Noting that India was an inherently maritime nation with sea on three sides and high mountains on the fourth, the

President said it was but natural that the oceans would play a vital role in the country's growth and prosperity.

"The Navy has a responsibility of ensuring an umbrella of security for India's national maritime interest. It remains firm in its perseverance, resolute in its commitment, futuristic in capability development and outcome-oriented in action, as was evident from this year's Navy Day theme Combat-ready, Credible, Cohesive and Future-Proof," she observed.

"Indian Navy is driven by Atmanirbhar, has a sustained reach and presence across the oceans and is propelled by innovation. As the Supreme Commander, I am confident that Indian Navy will continue to grow from strength to strength, aligned with a vision for new and developed India," the President added.

Calling Visakhapatnam "the jewel of the east coast", Murmu said it emerged as an important hub, paving way for India's secure future.

The President, who launched several developmental projects of the Union Ministries of Road Transport and Highways, Defence and Tribal Affairs, said they would contribute to India's holistic and inclusive development. The National Open Air Range in Kurnool district, established by Defence Research and Development Laboratory, would serve India's defence preparedness and be an asset to the nation.

Highways development would decrease congestion and increase road safety, reduce travel time and facilitate faster movement of people and goods in the State, she said.

The President said the Ekalavya Model Residential Schools, four of which she inaugurated on Sunday, were playing a major role in providing quality education to tribal students.

"The EMRS at Buttayagudem, Chintoor; Rajavommangi and Gumma Lakshimpuram in different districts of AP will go a long way in educating tribal children and help in their all-round development through academics and extra-curricular activities. We must ensure that every child in India gets education, no matter where and in what condition they reside," Murmu said.

"Education must be accessible to each and everyone," she added. After attending the Navy Day Reception at Anantagiri, the President flew to temple-town Tirupati.

After an overnight stay on Tirumala Hills, Murmu would offer worship to Venkateswara Swamy at the holy hill shrine early Monday.

and developing economies.

It comprises Argentina, Australia, Brazil, Canada, China, France, Germany, India, Indonesia, Italy, Japan, the Republic of Korea, Mexico, Russia, Saudi Arabia, South Africa, Turkey, the UK, the US and the European Union (EU).

Centre to convene all-party meet today to finalise strategies for 2023 G-20 meet

■ **STATE TIMES NEWS**
NEW DELHI: The Centre will convene an all-party meeting on Monday to solicit suggestions, discuss and finalise strategies for the G-20 summit which India will host in September next year. Presidents of nearly 40 parties have been invited to the meeting by Parliamentary Affairs Minister Pralhad Joshi where Prime Minister Narendra Modi will be present. External Affairs Minister S Jaishankar is also likely to attend the meeting at the Rashtrapati Bhavan.

India officially assumed the G20 Presidency on December 1. New Delhi is expected to host over 200 preparatory meetings across the country, including at Hyderabad, beginning this month. The next G20 Leaders' Summit at the level of heads of State or government is scheduled to be held on September 9 and 10 next year in New Delhi. West Bengal Chief Minister and Trinamool Congress president Mamata Banerjee, who will arrive in Delhi on Monday, will be part of the all-party meeting. Banerjee, however, said she would be participating in the meeting in the capacity of Trinamool Congress chairperson, and not as West Bengal chief minister. Indonesia had ear-

lier this month handed over the G20 presidency to India for the coming year at the Bali summit with Prime Minister Modi terming it a matter of pride for every Indian citizen.

G20 or Group of 20 is an intergovernmental forum of the world's major developed
