

## Maintain strict vigil on feeders vulnerable to power pilferage: MD KPDC

### ■ STATE TIMES NEWS

SRINAGAR: Managing Director, Kashmir Power Distribution Corporation Limited (KPDC), Musarat Islam, on Wednesday emphasised upon the Superintending Engineers of all 06 O&M Circles of Kashmir Division to improve billing and collection efficiency which has a direct bearing on the revenue realisation and reduction in AT &C losses.

He passed these directions during a meeting held today to review the functioning of the corporation with focus on inspections and disconnections, revenue realisation, DT damages and strict adherence to curtailment schedule.

Chief Engineer, Distribution, Javed Yousuf Dar, Superintending Engineers of all O&M Circles, Executive Engineers of all Electric Divisions and SDOs attended

the meeting. Laying emphasis on strict adherence to curtailment schedule, MD reiterated the earlier directions passed by the Principal Secretary Power and impressed upon all the officers to ensure that no unscheduled power cuts are undertaken. He also laid stress on main-

taining strict vigil over feeders which are vulnerable to power pilferage by way of hooking, bypass of meters and exceeding agreed load. The meeting was informed that KPDC has conducted 14,893 inspections during the month of November and imposed a fine of Rs.1.80

crore. As many as 995 illegal connections were regularised and a load of 2.9 MW added. The KPDC went into overdrive in the last 10 days of November, following complaints of large-scale hooking and non-payment of dues by defaulting consumers.
