## KVK Reasi educates students on hydroponics/ soilless farming

KVK scientist educating students at Reasi.

### ■ STATE TIMES NEWS

REASI: Krishi Vigyan Kendra (KVK), Reasi under the aegis of Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu (SKUAST-J) educated the students of Govt.High School Tanda, Reasi at KVK Reasi campus on hydroponics/ soilless farming which is an innovative technology for the production of fresh organic vegetables. The programme was organised under the dynamic stewardship of Hon'ble Vice Chancellor, Prof.B.N Triptahi and able guidance of Director Extension (DE),

Prof.Amrish Vaid of SKUAST-J .KVK Reasi has established a hydroponics unit at its campus and demonstrating the know-how about the technology. KVK has laid vegetable crops in the unit and many people are attracted towards this significant technology and showing keen interest towards it. According to Chief Scientist & Head of KVK Reasi, Dr.Banarsi Lal, in hydroponics system plants get balanced water and nutrition and this system saves about 80 per cent of water. He highlighted the technical and operational

parameters in the soilless farming and said that this technology has the huge potential as the agricultural land is shrinking and this technology can be the future farming. He added that in hydroponics system, plants are grown without soil and plants are least affected by the insects-pests and diseases.He informed that through this technology one can get the fresh and nutritious vegetables. He discussed on crop planning and crop management and added that the crops like lettuce, spinach, chilli, tomatoes, capsicum, strawberry etc.

can be grown in this system of farming. He informed that the plants are grown in an inert substrate such as the perlite, coco coir, gravel etc. in the hydroponics unit.He expressed that the hydroponics technology can be very useful to produce the fresh organic leafy vegetables especially in the urban and semi-urban areas. He further said that the crop is uniformly grown in the system as each plant gets balanced nutrition and water. He informed that this technology is very simple to operate and labour, water and nutrients saving. He expressed that in hydroponics there is no problem of weeds and plants are healthier with more vigour. He narrated that with the increasing droughts and decreasing water table, this technology can be very effective and efficient as it gives good quality of organic vegetables with minimum water use.Headmaster of Govt.High School Tanda, Reasi,Sh.Romesh Chander appreciated the efforts of KVK for educating the students on the soilless farming.

## Horticulture Department organizes farmers' awareness program

### ■ STATE TIMES NEWS

UDHAMPUR: A day long farmers' awareness programme was organized by the Department of Horticulture Udhampur, here at village Kalsote Block Mounagri of District Udhampur.

Member Legislative Assembly Udhampur West, Pawan Kumar Gupta was the chief guest while Chief Horticulture Officer Brij Vallabh Gupta presided over the programme.

As many as 300 farmers from adjoining areas participated in the camp.

The Chief Horticulture Officer, while welcoming the chief guest and other dignitaries, briefed about the various developmental schemes and projects being undertaken under the Holistic Agriculture

MLA Pawan Kumar Gupta and others during the programme.

Development Programme. He advised the Farmers to adopt walnut cultivation under the Revised Modified High Density Scheme.

While addressing the gathering, the MLA encouraged the farmers to avail benefits of various schemes and initiatives of the Agriculture and Horticulture Department. He also recommended the farmers to adopt High Density plantations

of walnut and apples in addition to practicing protected cultivation for vegetables. The two practices would provide the best means to raise the farmer's livelihood and income. Further, he suggested the farmers to focus on area-specific crops for Horticulture-based self employment generation. The MLA also listened to the grievances of the inhabitants of Block-Mounagri and

issued necessary instructions to Jal Shakti Department, PDD , PWD, PMGSY, Education, Rural Development Department, Revenue etc, for their time bound redressal. He also directed the departments to work with utmost zeal for the welfare of inhabitants of remote areas. Later, the MLA distributed seed kits, as well as power tillers among the eligible farmers. He also inspected the stalls set up by various departments.

Among others, Chief Agriculture Officer, Tehsildar Mounagri, District Horticulture Officer, Sub divisional Agriculture Officer, Block Development Officer and other officers and officials of concerned departments participated in the camp.

## National Lok Adalat held at Ramban

### ■ STATE TIMES NEWS

RAMBAN: As per NALSA's annual Calendar of Activities and on the directions of J&K Legal Services Authority, fourth National Lok Adalat of the year 2024 was held at District Court Complex Ramban by District Judiciary, Ramban under the chairmanship and guidance of Deepak Sethi, Chairman, District Legal Services Authority (Pr.
