Annual Zonal Workshop of ICAR-ATARI, Zone-I KVKs concludes at SKUAST-J

■ STATE TIMES NEWS

JAMMU: The Annual Zonal Workshop of Krishi Vigyan Kendras (KVKs) under ICAR-Agricultural Technology Application Research Institute (ATARI), Zone-I, for the year 2024-25 concluded successfully at Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu (SKUAST-Jammu) on December 24, 2025.

The valedictory session was graced by Vice Chancellor SKUAST-Jammu, Dr. B. N. Tripathi, as Chief Guest. Dr. Randhir Singh, Assistant Director General (Extension), ICAR, and Dr. M. K. Verma, Director, Central Institute of Temperate Horticulture (CIHT), Srinagar, attended as Guests of Honour. Eminent academicians Dr. J. P. Sharma and Dr. P. K. Sharma, former Vice Chancellors of SKUAST-Jammu, were present as Special Guests. The three-day workshop, held from December 22 to 24, brought together key stakeholders from agricultural research and extension systems across northern India to review KVK performance, exchange best practices, and chart future strategies for strengthening farmer-centric extension services. Addressing the gathering, Dr. Tripathi congratulated the organizers for the successful conduct of the workshop and emphasized the crucial role of KVKs in bridging the gap between research laboratories and farmers' fields. He stressed the

importance of need-based and location-specific technologies, effective use of ICT tools, and stronger convergence with line departments and farmer producer organizations to maximize grassroots impact.

Dr. Randhir Singh highlighted the strategic role of KVKs in accelerating technology dissemination, promoting climate-resilient agriculture, and enhancing farmers' income through diversification, value addition, and agri-entrepreneurship. Dr. M. K. Verma underscored the need for horticulture-based interventions, particularly in temperate and sub-temperate regions, to address climate variability and market competitiveness. During the valedictory session, Dr. Parvinder Sheoran presented the conference report and key recommendations for policy frameworks, while Dr. Amrish Vaid, Director Extension, SKUAST-Jammu, formally welcomed the dignitaries and participants. Awards were also presented to the Best Performing KVKs of the North Zone.

The workshop was attended by Directors of Extension of State Agricultural Universities, Programme Coordinators of KVKs, scientists, and extension professionals from Zone-I states and Union Territories. Deliberations focused on natural and organic farming, promotion of millets and pulses, gender mainstreaming, entrepreneurship development, and effective monitoring of extension programmes.
