NC pays tributes to Sheikh Abdullah on his 120th Birth Anniversary

■ STATE TIMES NEWS

JAMMU: The Jammu and Kashmir National Conference (NC) on Friday paid rich tributes to Sher-e-Kashmir Sheikh Muhammad Abdullah on his 120th birth anniversary at Sher-e-Kashmir Bhawan, Jammu. The commemorative function was chaired by Rattan Lal Gupta, Provincial President Jammu, and attended by senior party leaders, workers, and admirers of the late leader.

The event was led by Senior NC Leader and Deputy Chief Minister Surinder Choudhary, who served as the Chief Guest, along with Hon'ble Cabinet Minister Satish Sharma. Both leaders offered floral tributes to Sheikh Abdullah, remembering his towering contributions to the political and social landscape of Jammu and Kashmir.

Addressing the gathering, Deputy Chief Minister Surinder Choudhary said Sheikh Abdullah uplifted the people of Jammu and Kashmir economically, socially, and politically, standing tall as a symbol of secularism across the subcontinent. He strongly criticised the BJP for "communalising the allotment of seats at the Vaishno Devi Medical College," asserting that NEET recognises only merit, not religion. He cautioned that such attempts could create hatred and division, adding that the National Conference "will not allow this under any circumstances."

ing his towering contributions to the political and social landscape of Jammu and Kashmir.

Addressing the gathering, Deputy Chief Minister Surinder Choudhary said Sheikh Abdullah uplifted the people of Jammu and Kashmir economically, socially, and politically, standing tall as a symbol of secularism across the subcontinent. He strongly criticised the BJP for "communalising the allotment of seats at the Vaishno Devi Medical College," asserting that NEET recognises only merit, not religion. He cautioned that such attempts could create hatred and division, adding that the National Conference "will not allow this under any circumstances."

Speaking on the occasion, Cabinet Minister Satish Sharma highlighted the achievements of the Omar Abdullah government, noting initiatives such as presenting the first full budget after the loss of statehood, earmarking '815 crore for agriculture, establishing the J&K Skill & Entrepreneurship University, restoring the Darbar Move, approving age relaxation for JKCOE-2025 aspirants, and revising the reservation policy-now awaiting approval from the Lieutenant Governor. He added that measures like free transport for women and enhanced ration quotas reflect a governance model centered on welfare and inclusive development.

Former Minister Ajay

Kumar Sadhotra, recalling Sheikh Abdullah's legacy, said the leader gave the people of J&K a voice, dignity, and a dream of justice that continues to inspire generations.

Provincial President Rattan Lal Gupta praised Sheikh Abdullah for transforming the destiny of Jammu and Kashmir through land reforms and people-centric politics. He also demanded that statehood be restored to J&K by introducing the Statehood Bill in the ongoing Parliament session.

A special Quran Khawani was held by Senior Leader G.H. Malik. All District Presidents across Jammu Province marked the day with programmes at their respective headquarters.

Sat raises urgent public concern in RS over dilapidated Poonch-Budha Amarnath Road

■ STATE TIMES NEWS

NEW DELHI: Rajya Sabha MP and President of J&K BJP Sat Sharma (CA) raised a critical public welfare issue in the Upper House, drawing national attention to the severely deteriorated condition of the Poonch-Budha Amarnath Shrine Road in Jammu & Kashmir. Sharma's intervention highlighted the urgent need for immediate government action to safeguard thousands of pilgrims and local residents who depend on this vital road link.

Raising the issue in the special mention, Sat Sharma underscored that the Poonch-Budha Amarnath Road serves as a lifeline for the region-connecting district headquarters with the revered Budha Amarnath Shrine and providing daily access for schoolchildren, patients, and residents from numerous villages. He emphasized that the current dilapidated condition of the road is not merely an inconvenience but a grave public safety hazard, already responsible for repeated accidents and dangerously delayed emergency responses.

Sharma informed the House that the road is riddled with deep potholes, remains waterlogged in multiple stretches, and has seen persistent neglect despite earlier allocations for repair and strengthening. He expressed concern that sub-

standard workmanship, inadequate oversight, and delayed execution have eroded public trust and damaged the region's potential for religious tourism, which is a major contributor to the local economy.

Calling the situation "deeply distressing and unacceptable," Sat Sharma urged the Union Government to direct concerned ministries and implementing agencies to undertake immediate restoration work along with a comprehensive long-term plan to ensure an all-weather, durable road. He further pressed for strict accountability mechanisms to be enforced on contractors and officials responsible for laps-

es in quality and delay.

Sharma stated that the people of Poonch are simply seeking safe, functional infrastructure that respects both their day-to-day needs and their religious sentiments. He stressed that ensuring reliable road connectivity to Budha Amarnath is central not only to public welfare but also to strengthening faith-based tourism and regional development.

Sat Sharma's strong and timely intervention reflects his continued commitment to addressing the concerns of the people of Jammu & Kashmir and ensuring that issues of public importance receive urgent governmental attention.

standard workmanship, inadequate oversight, and delayed execution have eroded public trust and damaged the region's potential for religious tourism, which is a major contributor to the local economy.

Calling the situation "deeply distressing and unacceptable," Sat Sharma urged the Union Government to direct concerned ministries and implementing agencies to undertake immediate restoration work along with a comprehensive long-term plan to ensure an all-weather, durable road.
