

Gauri Khan has the sweetest reaction as Aryan and Suhana Khan represent Shah Rukh Khan at IPL Auction 2022

Shah Rukh Khan's kids stepped out together as they represent their heir after at IPL auction 20022 and ever since then fans are gushing over them. SRK's fans are showering LOVE on the kids and cannot be happier to see Aryan Khan all healing. While the internet is going gaga over their pictures as they attend IPL auction 2022 together, mom Gaur Khan is all hearts for her kids. the mommy is proud of her little ones. Taking to her Instagram stories, she shared the picture of her babies with all hearts. SRK and Gauri are one proud parent and their parenthood is no less than an INSPIRATION for their fans. After Aryan Khan's drug case, many assumed that the young lad might skip the IPL auction this year; however, he proved them wrong! Suhana Khan who attended the IPL auction for the first time too is all excited and shared her picture from the auction along with her big brother Aryan on her Instagram story.

Last year Aryan Khan too had made headlines for representing his after at the IPL auction with Juhi Chawla's daughter Jahnvi and many called them young SRK and Juhi. peaking at Indian Express, Juhu spoke about their pictures going VIRAL last year, " Many little things come to mind. One was, how amazing is nature! In a glimpse, Aryan looked like a young Shah Rukh and Jahnvi resembled me so much!". Further adding she said, " "I was so glad the children are taking a keen interest in the team. They are not being pushed to do this, they are doing it because they truly wish to. They both keenly follow the sport. Jahnvi wakes up at odd hours of the night, to watch cricket matches in different parts of the world".

Lock Upp: Shehnaaz Gill to reunite with THIS Bigg Boss 13 contestant on Kangana Ranaut's show?

Lock Upp which will be hosted by Kangana Ranaut and produced by Ekta Kapoor is making a lot of news. As of now, the names doing the rounds for contestants are Shehnaaz Gill, Poonam Pandey, Rohman

Shawl (Sushmita Sen's ex-boyfriend), Om Swami and others. The show is somewhat similar to Bigg Boss but the conditions will be a lot more harder: Soures FIRST told BollywoodLife that Shehnaaz Gill is going on the show. It seems she wants to be away from the media for a while. The singer and actress feels that it will give her the space to get over the demise of Sidharth Shukla.

A source close to the show told us that Ekta Kapoor has approached a few political analysts for the show. One of the names doing the rounds is that of Tehseen Poonawalla. He is known as a political and election analyst. Tehseen Poonawalla has the experience of Bigg Boss, and is quite popular on social media and TV. The other names being considered are that of Prashant Kishor and Kumar Vishwas. The source said, "They want political analysts as we know that such personalities have the gift of the gab and can be fiery too. We can trust Ekta Kapoor to think out of the box."Lock Upp has Kangana Ranaut as the host. She has promised to add the spice with her witty, unabashed and fiery repartee.

Amidst dating rumours, Siddhant Chaturvedi drops heart emoji on Navya Naveli Nanda's latest pictures

Amitabh Bachchan's granddaughter Navya Naveli Nanda recently shared a series of pictures of herself on her Instagram page. Navya teased her upcoming project with United Nations Women in India and captioned the post as, “#ThatsWhatStreeSaid. Coming soon. Stay tuned.” In the pictures, Navya's snap looked like snippets from a video recording. Navya was seen smiling as she posed with a drawing in her hand. Actor Siddhant Chaturvedi dropped a heart emoji in the comments section. Recently, there were rumours of the Gehraiyaan actor dating the star kid. If reports are to be believed then the Gully Boy actor Siddhant is in a serious relationship with Navya.

Navya is a graduate of Fordham University and completed her graduation in 2020. She earlier opened up about not wanting to pursue a career in acting. In an interview with Vogue magazine, Navya was quoted saying, "I would be the fourth generation of the family taking the lead—and the first woman. It is a great sense of pride for me to be carrying forward this incredible legacy left behind by my great-grandfather HP Nanda." In 2020, Navya launched Aara

Health and has been associated with it. She even started Project Naveli, an NGO to promote gender equality.

Ways to build your confidence if you have social anxiety

Dealing with social anxiety is very tough. Being unable to mix well with people pushes you towards an isolated corner that is almost impossible to survive in. Sometimes when it gets tough, it is absolutely alright to reach out for help. It isn't easy to tolerate social anxiety by yourself. But taking little steps will help you be more comfortable and social around people. Here are some ways to build confidence if you have social anxiety.

**Talk positively to yourself**

Practice talking to yourself in the sweetest way possible. Don't let negative thoughts get into your head. Practice saying positive things and affirmations that help you feel better and elevated. Motivate yourself by saying things that you want to do or be better at.

**Think about your achievements**

Don't degrade yourself into thinking that you don't matter. Instead, think about your past achievements and what has pulled you up so far. These little moments of

motivation will help you realise you are capable of doing greater things.

**Accept compliments more often**

When people say how good you look or how well you countered a decision, accept their compliments. Compliments are meant to make you feel good about yourself. Listen to others and also thank them for their compliments and feedback.

**Good posture**

Practice good posture because it helps amp up your personality to a great extent. When you sit or stand up straight, it oozes confidence.

When you let your shoulders slump or close off, it will give off a very timid or meek energy.

**Setting goals**

Learn to set small goals at the beginning so that it is achievable. Don't pressurise yourself by setting huge goals because that can get overwhelming at first. You might even get negative thoughts so, it's necessary to take baby steps first.

Makeup hacks for every girl attending a wedding

You don't have to spend hours in front of a mirror to get your makeup spot on. While that might be the case sometimes but it isn't like that always. Imagine, attending your first family dinner post-wedding? You cannot afford to make a late entrance. There are all kinds of makeup hacks you can use that will make applying cosmetics much easier and give you the desired look at the same time.

**Oily face makeup hack**

This makeup hack will ensure that your makeup stays put for longer hours without melting away. Use a primer for your face and then seal it with a setting spray. Then, you can apply your base of foundation and continue putting on makeup as you would normally.

**Turn your liner pencil into gel**

Ran out of liquid eyeliner and have a pre-wedding function to attend? Don't worry we've got you. Pick any kohl pencil and hold it under the flame for 10 to 15 seconds. This makeup hack would

make your kohl work like a dark liner in less than 10 seconds. Let it cool down for a few seconds before you apply it to your upper eyelid.

**Makeup hack to make your eyes look wider**

Sweeping your mascara towards the direction of your nose instead of moving upwards will help make your lashes look fuller and bigger. To, avoid the clumping of your lashes you can pre-heat the mascara for a few seconds before actually applying it. It will also help to make your eyes look bigger.

**Get fuller lips with the right amount of contouring**

Thought contouring was only for your face? Ahem, nope! Use a darker color lip pencil and outline your lips using the same. The trick is to fill it in with a lighter shade lip color pencil before you come down to apply the lipstick itself. This will give your lips a multidimensional effect and make them appear bigger than they already are.

**How to intensify the colour of your eyeshadow**

Headed towards your friend's Haldi ceremony wearing a blue outfit and want to wear a similar shade of eyeshadow as well? We have a trick for you to make your cyan eyeshadow pop out even more. Apply white eyeliner all over your eyelid. The white will help intensify the color of your eye tint. Lastly, apply a coat of your favorite eyeshadow and you're ready to kill them with your dramatic eyes.

**How To wink with the perfect liner wing**

I don't like winged eyeliner, said no girl ever. But, it's such a hassle to perfect it every single time. Isn't it? We've got the perfect makeup hack. Draw your cat-eye first, and then fill it in using a liquid gel liner.

**Make your lipstick stay on for longer**

There is a quick and easy makeup hack that you can try. After you've applied your lipstick and blotted it, take a tissue and hold it over your lips. This will lock the tint of your lip color and help it stay put for longer hours.

- Answers:

**ARIES**

MAR 21 - APR 20

The moon moves into Leo today, bringing with it a warm and fun-loving vibe. No matter what your relationship status is, concentrate on having a good time and enjoying life, and your heart is sure to fill with joy. Meanwhile, Mercury, the planet of communication, is set to enter quirky Aquarius, sparking a unique brilliance within that beautiful brain of yours over the next several weeks.

**LIBRA**

SEP 24 - OCT 23

While most people are dedicating their energy to romance and love today, you'll be more interested in your friendships as the Leo moon shines a light in your eleventh house. These vibes could leave you emotionally invested in whether or not your pals get they deserve while inspiring you to reach out to your companions to wish them a lovely day. While your heart will feel satisfied, try not to abandon or neglect your significant other on this special day.

**TAURUS**

APR 21 - MAY 20

Though your friends may have big, romantic ideas on how to spend the evening, you'll prefer domestic bliss. These vibes are perfect for a home-cooked meal and romantic night in, helping you create reasonable expectations for this high-pressure holiday. Make sure you're treating yourself with some extra love before the day comes to a close.

**SCORPIO**

OCT 23 - NOV 22

Though no one loves quite as hard as you do, you should find yourself more engrossed in your career than your romantic relationships today. With the moon traveling through Leo, your star will rise around the office, causing you to prioritize your ambitions. While you definitely need to put work-related priorities first, try not to neglect that special someone completely, or you could end up paying for it.

**GEMINI**

MAY 21 - JUN 20

The moon moves into Leo this morning, activating the sector of your chart that governs communication and bringing warmth to your words. Use your voice to charm others and boost your popularity, especially if it can help you make headway within your goals. Meanwhile, Mercury, your ruling planet, will enter Aquarius today, elevating your mind to a philosophical place over the next several weeks.

**SAGITTARIUS**

NOV 23 - DEC 22

You're one of the most optimistic signs in the bunch, dear Archer, and today's romantic nuances will elevate your heart and soul, as everyone embraces the most romantic day of the year. No matter what your relationship status is, you'll be in the mood to spread cheer and love, especially when it comes to your single pals. Try to check in with any single or unhappy friends within their relationship, as your attention is sure to brighten their days.

**CANCER**

JUN 22 - JUL 23

While many will feel pressured by what's supposed to be the most romantic day of the year, you'll be surprisingly cool and collected, as the Leo moon brings stability your way. This solar placement will help you feel secure within yourself and any relationships you may be involved with, taking the edge of Valentine's Day expectations. A mental shift will occur for you today as well when Mercury finds its way into innovative Aquarius and your eighth house.

**CAPRICORN**

DEC 23 - JUL 20

If you're in a relationship, you'll feel particularly bonded to your significant other right now as the moon journeys through your seventh house. A connection between Luna and Neptune will create a dream-like environment, helping you tap into your significant other on a psychic level. You may feel as though you know your partner's mind almost as well as you know your own and vice versa.

**LEO**

JUL 24 - AUG 23

The moon moves into your sign this morning, sweet Lion, elevating your aura and your sensitivities. This blast of cosmic energy will open your third eye, which could leave you more emotional than you're used to, especially with all the love-charged air that's floating around. Whether you're single or in a relationship, try not to get overly invested in what this day means, focusing on what makes you happy rather than romance.

**AQUARIUS**

JAN 21 - FEB 23

Take some time to focus on your health today, as the Cancer moon shines a light in your sixth house. A helpful connection between the moon and Neptune will remind you of the value of self-care, inspiring you to budget your time more efficiently so that you can focus on recharging throughout the workweek. These vibes are also perfect for planning out the week ahead, making it a good time to get your meals for the next.

**VIRGO**

AUG 24 - SEP 23

You could feel a bit cynical about what Valentine's Day even means, dear Virgo, as the Leo moon shifts your focus to more profound matters. While you'll be deep in your mind and your feelings, the positive will come in your ability to recognize that love doesn't need a silly holiday to celebrate it, though perhaps it is nice that one exists.

**PISCES**

FEB 20 - MAR 20

Focus on nurturing your closest friendships today, as the Cancer moon shines a light in your fifth house. These vibes are perfect for connecting on an emotional level, which could also come in handy if you're hoping to turn your latest romantic conquest into something more serious. Your aura will receive a dreamy boost as afternoon rolls in, and the moon blows a kiss to your ruling planet, Neptune.
