### Poem — A day without my mobile phone

A day without my mobile phone ,  
Was a day I spent quality time with nature and members at home .

Looking virtually the best was not enough ,  
In real world, even being a rough human was tough .

Was missing waking up in morning with my alarm tone,  
Sleeping late at night exploring the social world alone .

Avoiding the artificial intelligence neglecting my heart's mind ,  
Using my fully organic human mind ,

Got the verification that my mind can't see but still not blind .

Got bored a little bit ,  
But saved a lot of time in real world enjoying this ultimate benefit .

The day was spent scribbling deep thoughts in a poetic way,  
After long time , ignored fake way of direct typing of quotes ,  
hats off to my phone's stay away .

Sahaj Sabharwal

### Poem — Truth

Only the luckiest people get together both- ‘Time and Wisdom.’  
Since oftenly one does not get wisdom on time and one loses time  
after one becomes wise.

Learn from the ‘Past’ , make plans for the ‘Future’ and  
learn living from the ‘Present’.  
Beautiful ‘Future’ itself is on the foundation of good ‘Present’.  
Time and Tide waits for none .

So you too don't wait for Time and Tide.  
Work that you can do today just do complete itself today.

If you keep a patience in a whiff of anger that you can be  
saved from the sufferings of 100 days' anger.  
If our thoughts are positive then all would be positive.

Useless works of ours make our life tiresome.  
And creative works promote our vigourousness & well-being.

As most of the time gets spent along yourself in your life.  
Therefore make yourself so much possible as much interesting to  
be.

Tara Chand Bhagat.

#### Hotel Management

Hotels are amongst the most visible and important aspects of a country's infrastructure. Hotel industry is a closely linked one to the tourism industry. A number of factors like promotion of tourism and rapid industrial progress have given a boost to hoteliering. The recent liberalisation of trade and opening up of economy will further lead to revolutionary growth in this sector.

The diversity of experience in hotel management is greater than in any other profession. Hotel industry involves combination of various skills like management, food and beverage service, housekeeping, front office operation, sales and marketing, accounting. Today, the rise in corporate activity (leading to greater number of business trips) as well as the wish to travel on holiday has made the hotel industry a very competitive one.

##### Educational Qualification:

Minimum qualification required to go for a course in hotel management is 10+2. For certificate, diploma and bachelors courses 10+2 is sufficient. Duration of certificate courses is six months to one year. Bachelor and diploma courses are of duration one and half to three years. Those with graduation can go for post graduate diploma courses the duration of which is one year.

Selection to most government recognised institutes is based on common entrance test. Test consists of English, Reasoning, General Science and General Knowledge. The test is of two hour duration and is held around April every year. The test is followed by a group discussion and interview, in which a person's personality and confidence is seen. Private institutes also conduct tests of their own, the pattern of which is almost the same.
