Army holds painting competition

■ STATE TIMES NEWS

KISHTWAR: Army in its continuous efforts to motivate the youth of the Nation has undertaken a variety of programmes. In continuing with the same spirit, Indian Army organised a Painting Competition at Thatri in District Kishtwar. A lot of students from class 2nd to 8th participated in the event with immeasurable joy, happiness and competitive spirit. The students

Students participating in painting competition.

let their imagination run wild as they imprinted

their thoughts on canvas through imaginative use of

colours. It was heartening to see the passion, creativity and emotions reflected so vividly in the beautiful paintings and portraits.

The judges had a tough time adjudging the best painting amongst the numerous contenders. At the end of the event, the children were thankful to the Indian Army for giving them the opportunity for organizing a culturally satisfying and enriching event.

JKIP-2021-30: An era of socio-economic development for J&K

■ STATE TIMES NEWS

SRINAGAR: The hallmark of any developed region is the fine balance between manufacturing, services and agriculture sectors. The industrial landscape of the UT of J&K is dominated by MSME as it contributes about 8% to the GSDP and employs the largest number of people in services and manufacturing sectors. Around 25000 MSMEs are operational in the UT employing around 90% of the industrial workforce here.

In this backdrop, the Jammu and Kashmir Industrial Policy (JKIP)-2021-30 is a welcome change over the previous industrial policies. Combined with the incentives offered under "New Central Scheme for Industrial Development of Jammu and Kashmir" notified by Department for Promotion of Industry and Internal Trade (DPIIT), Government of India, in 2021, the industrial ecosystem in J&K is set to witness a paradigm shift.

The new policy is different from the industrial policies that were in operation prior to this policy. The dispensations of the erstwhile J-K state had adopted industrial policies from time to time (i.e. 1995, 1998 & 2004) the latest being Industrial Policy, 2016. To support the old industrial policies, the Indian government sanctioned packages of incentives for the industrial development of the erstwhile state at different intervals namely Central Capital Investment

Scheme, 2002, 2012; Scheme of Budgetary Support under Goods and Services Tax regime and JKIDS 2018 but the industrial sector in Kashmir failed to compete with other parts of the country.

According to the new industrial policy, which has come into effect on April 1, all industrial units coming into commercial production as well as the existing units undertaking substantial expansion, shall be entitled for incentives under this policy.

The new policy has a spending outlay of Rs 28,400 crore (Rs 284 billion), the largest incentive to date, on the industrial development of Jammu and Kashmir for the next 15 years. It is expected to generate an investment of Rs 20,000 crore (Rs 200 billion) and employment of 4.5 lakh over the plan period.

This is the first block-level development project that intends to undertake the process of industrialisation at the very grass-roots level using the local resources, skill, and talent available domestically.

The policy specifically promises an era of socio-economic development in the region, catering to the aspirations of the people of Jammu and Kashmir. The policy has been aimed to prioritise the aspirations of the entrepreneurs while putting in concerted efforts for making Jammu and Kashmir the most investor-friendly union territory. It also encourages and facilitates people

who want to join the wagon of the industrial sector in Jammu and Kashmir.

The policy specifically promises an era of socio-economic development in the region, catering to the aspirations of the people of Jammu and Kashmir. This shift is directed towards ensuring the transformation of J&K from an 'aspirational' to an 'industrially advanced' region. The policy aims at driving industrial growth in an environment of stability wherein dynamic competition is allowed for the betterment of traditional core sectors such as Agriculture and allied sectors, food processing, tourism, health, pharmaceuticals etc.

To promote Ease of Doing Business in J&K, the 'Single-Window approach' of the New Industrial Policy is envisaged to streamline the government's role as a 'facilitator, partner, provider, collaborator and promotor'. With conducive ease of doing business, setting up of Land Bank and handholding of MSMEs, J&K is all set to position itself as a lucrative investment destination in India over next 10 years.

The new policy also outlines various themes of intervention in the domain of training in ITs, industry and university collaboration and to encourage investment in capacity building by providing adequate financial support. The proposed Entrepreneur and Skill Development Fund shall prove to be a game-changer.

The policy aims at "minimum regulation and maximum facilitation" keeping in mind the unique geographical location and environmental dynamics of UT. Environment Protection forms the bed-rock of the new policy and thus in consonance with the idea of "sustainable development". The new policy aims at promotion of new industries in the UT of J&K in fields of IT, Healthcare and Pharmaceuticals, Agriculture and Food Processing, Education and Skill Development etc. At the same time, it also sets a holistic plan for revival of sick units with adequate regulatory support and financial incentives. "Zero Effect- Zero Defect" productivity is very much achievable in light of the new industrial policy.

In brief it is evident that the potential of new industrial policy in terms of job creation, promotion of innovation and entrepreneurship, balanced development of all the regions of J&K and improving the quality of life is all set to be realised with the cluster-based approach and optimum realisation of resources. "Tradition, Growth and Transformation"-the slogan of new industrial policy is all set to herald a new era of growth and prosperity for the UT of Jammu and Kashmir.

DC Srinagar inspects Drug De-addiction Centres; interacts with inmates

■ STATE TIMES NEWS

SRINAGAR: The Deputy Commissioner (DC) Srinagar, Mohammad Aijaz Asad on Sunday undertook a surprise visit to Drug De-Addiction Centres at SMHS Hospital and Khanyar area of the district to inspect the treatment and counselling facilities being provided to the affected youth.

On the occasion, the DC interacted with over a dozen inmates admitted in the Drug De-Addiction Centres at SMHS Hospital and in a Drug Centre run by an NGO at Khanyar.

He sought their views about the treatment facilities and counselling being given to them.

The patients apprised the DC that they are being given satisfactory treatment at the centres. They also said that they will spread the message about the ill effects of the menace so that no one

becomes an addict to the substance abuse.

The DC said the District Administration will provide all possible support to the affected persons and shall help them settle in careers by extending benefit of various employment generation programmes of the government.

He said by availing the benefits through different self-employment schemes they can earn livelihood with dignity and honour.

He said in order to combat this rising societal problem, multi-pronged rehabilitation, counselling and guidance policy is being implemented on ground to monitor drug abuse and take remedial measures to curb the menace.

The DC sought cooperation from the families particularly from parents to overcome the menace among the youth which also leads to other social evils and crimes.

Chancellor, Dr Kuljeet Singh, Academic Coordinator, Sheikh Mujeeb, Assistant Registrar, Heads of the Departments Dr Jatinder Manhas, Dr Neeraj Sharma, Dr Sunil Bhardwaj, Dr Cherring Tandon, Dr Shayan Javed, Dr Ashok Sharma, Dr Abid Sarwar, Mohammad Avias were also present on the occasion.

He said parents have an important role to keep the youngsters away from the use of drugs and also the family support for the affected people could lead them towards normal life.

At SMHS Hospital, the DC emphasised upon the doctors and other paramedical staff to take the job as a noble task and treat the affected people with patience and dedication.

He said youth are our precious asset and we have to use their energies in a positive way.

The DC was apprised that the centre acts as an integrated centre where affected youth are being treated, counselled and enabled to mainstream again in their lives.

Chief Medical Officer, Srinagar, Dr Jameel, Chief Education Officer, Manzoor Ahmad, Deputy Drug Controller, Mohammad Yonis and other concerned Officers accompanied the DC during the visit.

JKTMA convenes meet, highlights long pending issues

JKTMA members addressing a meeting.

■ STATE TIMES NEWS

JAMMU: A meeting of Kashmir Teachers/Masters Association (JKTMA) is held in Jammu under the chairmanship of its J&K President Rakesh Singh to discuss several burning issues of Teacher/Master, including ATD-2021 of left-out district and 100 per cent DPC of Teachers/Masters for filling up vacant posts of lecturer.

While speaking on the occasion, Singh urged Principal Secretary School Education Department B K Singh to take necessary steps for releasing ATD-2021 of left-out before proceeding to ATD-2022 as transferees have high hope from him. Singh also urged authorities

to conduct 100 per cent DPC of Teachers/Masters to fill all vacant posts of lecturers as due to non-fulfillment of these posts, students are suffering a lot. He further requested for filling the same within a month on fast-track basis but excluding teachers who acquired PG in science stream through distance mode except those who enrolled prior to December 2005 as one time exemption. JKTMA President further appealed to Principal Secretary to solve issue of pay anomaly of 2009 batch teachers appointed between July 2009 to December 2009, the file of which is already lying in his office. Singh also demanded separate 50 per cent promotion quota for Masters of Jammu

Province as in most of cases Joining of Kashmir Province Teachers is earlier than Jammu province due to which Masters of Jammu become junior and as a result they lag behind from Kashmir province masters in promotion. The Association reiterated its demand to regularise posts of Head Teachers under SSA in order to streamline their salary from own posts as the step would also pave way for promotion of Teachers to Masters which has been blocked from last 7 years due to freezing of vacant posts of masters by SSA Head Teachers. Others demands raised by Association included Rs 250 Mobile allowance for teachers, sanctioning Teaching Allowance for teachers engaged for Higher Secondary classes, implementation of SRO-123 for private schools etc.

Those who spoke on the occasion included Vivek Gupta General Secretary, Vikram Gupta Vice-president, Ravindar Kumar Chairman, Ajay Kumar State co-ordinator, Jaishel verma Chief Publicity Secretary, Ajay Sharma and Sohan Lal.

Provide justice to 60,000 daily-wagers in J&K: RPI

■ STATE TIMES NEWS

JAMMU: Republican Party of India (RPI) and Parivartan Movement have expressed concern over continued neglect of 60,000 daily rate-wagers in Jammu and Kashmir who have been deprived of their rights and continued to deny wages act. Party has also expressed concern over anti-youth decisions of the Government especially with candidates who had applied for Border Battalion proposed by Government in 2019. While addressing media, RPI (J&K) President Tanveer Hussain, RPI Vice President Raj Kumar Goyal and Parivartan Movement Chief Sunil Singh Kamboj urged the Union Territory Administration to address concern of aspirants. Large number of protesters raised slogan against the government and demanded that daily wagers should get their rights as promised by the successive governments for years. "Even after the abrogation of Article 370 has been scrapped in Jammu and Kashmir but future of thousands of DRW workers engaged in PHE, PDD, PWD (R&B), Agriculture Department, Estates Department, Floriculture Department, PMGSY for decades

hangs in vacuum as UT administration has failed to come up with any concrete policy for their regularization as promised by the successive governments," said Tanveer. Youth are considered backbone of maintaining the public and civic system but for decades they have been neglected first by erstwhile Jammu and Kashmir government and now by UT administration, said Tanveer, adding that more protests will be held across Jammu and Kashmir to draw attention of Government towards the plight of daily-rated workers. "Regularisation process is going at a snail's pace which is a violation of rules and fundamental rights of workers who are working to ensure essential supplies," said Sunil Singh Kamboj, Parivartan Movement and warned if the government continues to ignore issues of daily wagers, the agitation will be intensified. Others present on the occasion included RPI Vice-President Raj Kumar Goyal, Gen Secretary Harmeet Singh Sasan, Sunil Singh Kamboj, Adil Chandal, Aditya Tickoo, Pankaj Langoo, Arif Khan, Rathin Mehra, Kritika Mehra, Amir Khan, Riyaz Ahmed Madni, Yousuf Anjum and Mushtaq Ahmed Qadri.
